Brief Report on Activity	The Aptitude test training was organized by the Training and Placement Cell of the Institute with the objective of Skill Enhancement of the students to make them Industry ready. Often students profit from the subject knowledge that is taught to them at the Institute. They may excel in all subject, but to help them excel in Aptitude test the Training and Placement Cell organized the Aptitude training workshop. Every student wants to be placed in a good company so that he/she can benefit and have a higher standing at the start of the career. Keeping this in mind, expert trainers were called to train the students. Candidates have to appear for these tests and are given particular time limit to solve the given set of questions. The trainers taught the basics of each topic and then solved examples for practical understanding. After practice sessions, the students were given problems to solve as practice/ mock test. These questions were later discussed in the class. All the students participated enthusiastically in the training program and enjoyed learning with the experts.

Programme Objectives

- To read and write simple Python programs.
- To develop Python programs with conditionals and loops.
- To define Python functions and call them.
- To use Python data structures –- lists, tuples, dictionaries.
- To do input/output with files in Python.

Course Content

- INTRODUCTION DATA, EXPRESSIONS, STATEMENTS.
- CONTROL FLOW, LOOPS.
- FUNCTIONS, ARRAYS.
- LISTS, TUPLES, DICTIONARIES.
- FILES, EXCEPTIONS, MODULES, PACKAGES.

Programme outcomes

Upon completion, the participants will be able to:

- Read, write, execute by hand simple Python programs.
- Structure simple Python programs for solving problems.
- Decompose a Python program into functions.
- Represent compound data using Python lists, tuples, dictionaries.
- Read and write data from/to files in Python Programs.

About the institution

SVKM Shri Vile Parle Kelavani Mandal (SVKM), Mumbai is already a Brand Name in education scenario. It is a Public Charitable Trust & Society. It is in existence for over 80 years, born in 1934 with adoption of a school which started in 1921. Over the past 80 years, the Mandal has developed a large educational complex. SVKM's Dhule Campus Dhule is largely emerging as one of the biggest future hubs of technology and Education. Our president has a dream to make Dhule city known for its quality education institutes. SVKM has taken an inititative to develop state of the art engineering that will impart quality education in Dhule.

About the Department

The Department of Mechanical engineering is the discipline that applies the principles of engineering, physics, and materials. Our department has well-equipped labs and classrooms empowering the youth through outcome-based quality technical education in a conducive environment for research, innovation & entrepreneurship.

About the programme

This certificate program aims to provide students with programming training that increases their knowledge beyond the required course material and increases their employability.
