Students are encouraged to participate in extension activities to fulfill the vision and mission aspirations, and statements of the institution. Individual holistic development is the goal for which students are encouraged to participate in extension activities through organizations such as NSS, Clubs, and Societies. The SVKM's IOT has an operational Social Welfare Club, NSS wing, and Nature Club That undertakes projects such as keeping the nearby communities green and clean, performing community service by conducting street awareness drives to educate people on literacy and cleanliness, and organizing activities like blood donation camps, Environmental awareness, women's empowerment, national integrity, blood donation drives, and health check-up events. Students have a sense of responsibility and believe that they must return to society and the environment that they have taken.

In addition to NSS and Nature Club, the institute has taken initiatives to aware students about social issues through initiatives like Environmental Awareness, Personal Health and Hygiene, Diet Awareness, Road Safety, Tree Plantation, Soil and Water Testing, Plastic Eradication, No Vehicle Day, and arranging visits to Orphan, Cyber security awareness. All of the aforementioned events had a great effect on the students and helped them build their leadership abilities, community connections, and self-assurance. Additionally, it raised students' awareness and cultivated their hidden personalities. With the initiative of engagement of students in extension activities, students are motivated to serve society. As a result of this our student Akash More, B.Tech Civil 2022 selected for the CM Fellowship program in the Department of Planning, Government of Maharashtra. The mission of the Unnat Bharat Abhiyan (UBA) is to enable higher educational institutions to collaborate with rural Indians in identifying development challenges and developing appropriate solutions to accelerate sustainable growth. Students at Unnat Bharat Abhiyan (UBA) conducted mapping and assessment of irrigation infrastructure, as well as village surveys. Unnat Bharat Abhiyan (UBA of GOI), which has adopted five nearby villages for a survey to help them discover solutions to their difficulties, encourages students to identify solutions to issues encountered by rural populations. The institute has a UBA center and has funding from the MHRD of Rs. 50,000. Unnat Bharat Abhiyan, a premier national initiative of the Ministry of Human Resource Development (MHRD), the Indian government, and IIT Delhi to develop communities around. The institute has adopted the nearby villages of Ajang, Nyahalod, Arvi, Varkhede, and Dhamane.
