Activity Report of One-day Social Event

At

“The School for Blind”

Aim: To inculcate a sense of gratitude, compassion and empathy regarding the special children

Objective: To motivate the students to be more active in transforming the lives of the needy

Name of Program: One-day Social event at “The School for Blind, Dhule”

Organized by: **Convener:** Dr. Bhushan Chaudhari,
Social Event Coordinators: 1. Sara Patel
2. Bhushan More

Participants: Faculty of SVKM IOT (IT Dept) and students of Information Technology, Dhule

Outcomes: Participants learned:

- To identify the problems of the needy, less fortunate and special people.
- To formulate plans in order to help them.
- Inculcating a sense of responsibility regarding their outlook on life.
- The motivational tools to uplift the less fortunate.
- Arranging effective resources to be of a permanent help to the needy.

Activity Brief:

One-day Social Event On “The School for Blind, Dhule” was conducted under the leadership and guidance of Dr. Bhushan S. Chaudhari on Friday, 14th Feb. 2020 from 3.00pm to 06:00 pm at The School for the Blind, Dhule. There were 3 faculties and __ students who participated in the social cause.

The activity was commemorated by a group of coordinators visiting the Blind School and obtaining information about the necessities and requirements of the students in the school. It was then unanimously decided upon fulfilling their prime necessity of a water purifier(RO). Accordingly, after formulating the plans and obtaining permissions from the college management, funds were collected from the students of the Information Technology as well as from the faculties who wished to contribute voluntarily. The funds were then utilized for the purchasing of the purifier. On Friday, the event day, all the students and faculties who contributed gathered at the Blind School to spend moments with the children there.

The students in the Blind school were firstly provided with some of their favorite snacks. Following that, the blind students then presented their skills and talents in a surprisingly wonderful way. All the college mob was dumbfounded by the extraordinary talents those special

students possessed. After some of their cultural and academic presentations, the main ceremony of gifting the purifier to the school was carried out.

There was a mutual thanksgiving exchanged between the members of the college and the blind school people. The event concluded with the visiting college people having a sense of satisfaction and privilege to serve and help such talented special souls and with the Blind School authorities and students having a sense of gratitude for the service rendered to them. The program ended with Dr. Bhushan Chaudhari proposing a vote of thanks to all the people included in making the event a successful one.

The event ended at 6:00pm on a cheerful note

Brief report on activity	Department of Electrical Engineering,SVKM's Institute of Technology Dhule organized Tree Plantation Activity under “One Student One Tree” is an initiative of Ministry of HRD in line with the idea of Green and Healthy environment. As a responsibility towards Mother Nature and contribution to this initiative, AICTE has recommended every institute to carry out a plantation drive. Each student should plant at least one tree. More than 73 students from Department of Electrical Engineering participated in this activity on 12 th August 2019 at an Approach Road Near Institute Premises. In order to restore the eco-balance, this drive was taken with all seriousness. All the students were highly enthusiastic to make it a big success. The students planted saplings and watered the plants. The programme created a great stir among the students. At last, Students take oath to take care of planted plants & mother nature.
