## **Activity Brief:**

One-day Social Event On “Shree sanskar school for mentally Disabled Girls ,Dhule” was conducted under the leadership and guidance of Dr. Bhushan S. Chaudhari on 19<sup>th</sup> April 2022 from 11.00 am to 02:00 pm at Shree sanskar school for mentally Disabled Girls ,Dhule. There were 7 faculties and students who participated in the social cause.

The activity was commemorated by a group of coordinators visiting the Shree sanskar school for mentally Disabled Girls ,Dhule and obtaining information about the necessities and requirements of the students in the school. It was then unanimously decided upon fulfilling their need of food items and grocery. Accordingly, after formulating the plans and obtaining permissions from the college management, funds were collected from the students of the Information Technology as well as from the faculties who wished to contribute voluntarily. The funds were then utilized for the purchasing of foods and grocery. On Tuesday , the event day, all the students and faculties who contributed gathered at Shree sanskar school for mentally Disabled Girls ,Dhule to spend moments with the children there.

The girls in the Shree sanskar school for mentally Disabled Girls were firstly provided with some of their favorite snacks. Following that, the blind students then presented their skills and

talents in a surprisingly wonderful way. All the college mob was dumb founded by the extraordinary talents those special students possessed

There was a mutual thanks giving exchanged between the members of the college and the school people. The event concluded with the visiting college people having a sense of satisfaction and privilege to serve and help such talented special souls and with the School authorities and students having a sense of gratitude for the service rendered to them. The program ended with Dr. Bhushan Chaudhari proposing a vote of thanks to all the people included in making the event a successful one.

The event ended at 2:00pm on a cheerful note

*"The earth, the air, the land, and the water are not an inheritance from our forefathers but on loan from our children. So we have to hand over to them at least as it was handed over to us."*

— Mahatma Gandhi

Gandhiji always strived for a cleaner India. Cleaning plays a vital role in our daily lives. Be it personal hygiene, such as washing our hands before we eat or covering our mouths when we cough, or setting a standard for environmental cleanliness, effective cleaning is our first line of defense against viruses and infectious diseases. While in healthcare environments the practical value of cleaning is widely accepted, in other fields such as education, property management, foodservice and hospitality, it is seen only as a necessary expense. Most building owners and facility managers view cleaning as a cost rather than an investment. As cleaning solution providers, we need to explain to executives, especially those "who hold the purse strings," that maintaining a clean environment can pay for itself many times over, and often in surprising ways.

There are lot of diseases can be traced back to unhygienic environments and irresponsible waste disposal. The importance of cleanliness is known to all now, yet people try to keep their homes clean while they somehow just forget that they are responsible for the cleanliness of the environment as well, that they are responsible for any waste they generate and that just getting rid of it from their house won't help. It could be

due to lack of knowledge or due to sheer laziness or due to irresponsibility. Sometimes all it takes is a reminder.

On the other side, Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of progressive India and the glorious history of its people, culture and achievements. This Mahotsav is dedicated to the people of India who have not only been instrumental in bringing India thus far in its evolutionary journey but also hold within them the power and potential to enable Prime Minister Modi's vision of activating India 2.0, fuelled by the spirit of Atmanirbhar Bharat.

Azadi ka Amrit Mahotsav is an embodiment of all that is progressive about India's socio-cultural, political and economic identity. The official journey of "Azadi ka Amrit Mahotsav" commences on 12th March, 2021 which starts a 75 week countdown to our 75th anniversary of Independence.

Thus, under the banner of "Azadi Ka Amrut Mahotsav", Department of Civil Engineering and Civil Engineering Students Association (CESA) in association with National Service Scheme (NSS) has organized "Cleanliness Drive" at Varkhede Village (Dist. Dhule). The main purpose of this programme was to create awareness among the students regarding Cleanliness and its benefits. Hence, through Cleanliness Drive, an attempt has been made to make people aware of the importance and methods of handling waste responsibly and try to take a step towards a cleaner environment.

There were total 71 students, and 12 faculties have participated in the event willingly. The program was started with discussion of importance of clean environment. Then students were divided into 4 groups and started to clean the streets and explained the importance of cleaning to the village people. Cleanliness Drives through which we make people aware of the importance and methods of handling waste responsibly and try to take a step towards a cleaner environment. The event was concluded with visit to school and feedback/experience of participants.

It was a unique experience for everyone and everyone were curious to be the part of this great drive that could have transformed the face of our country for ever.

**Aim:** To help the Senior citizens in all the possible ways the students could.

**Objective:** To provide a platform for an interactive discussion with Senior citizens.

**Participants:** Faculty/students/ from the Dept., of Applied Sciences and Humanities

Faculty of Applied Science & Humanities and 250 First Year students of SVKM's Institute of Technology, Dhule went for a visit to Matoshri, an Old Age Home located on the outskirts of Dhule City in Maharashtra on Friday, December 31, 2021.

The enthusiastic and determined students reached the old age home within half an hour from the college campus. They took charge of all the responsibilities of the organization for the rest of the day. All the candidates greeted the residents and took utmost care of them.

Dr. Tushar Shinde, HOD along with faculty and the FY Students enquired from the senior citizens about their wellbeing. Fruits and Tea were served by the students. The old residents expressed their gratitude towards the candidates.

Addressing the Senior Citizens, Dr. Shinde said that the plight of living in an old age home where you are forced to adjust and reside with unknown people is quite challenging. On the other hand the Chairman of the Matosri, an Old Age home said that with the passage of time, every member of this organization lives happily and peacefully with a sense of unity among themselves.

Faculty members Dr. Manoj Sonawane, Dr. Rajiv P. Junne, Dr. Sambaji Rao, Mr. Chandu Koli, Mr. Sachin Nerkar, Mr. Lahu Aware and Mr. Prashanth Gawade and Manoj Sonar, Physical Director were present.
