Activity Swachhta Awareness Drive

On 24th.June.2023

Aim: Conducting activity of “Swachhta Awareness Drive”

Organized by: Dept. of Mechanical Engineering and N.S.S. Unit of Institute of Technology.

Participants: Students, Faculty, and Staff members of SVKM IOT, Dhule.

Activity Brief:

Following the Swachh Bharat Mission, the Swachhta Awareness drive was conducted by SVKM's Institute of Technology, Dhule at Mohadi Area, Dhule on 24th June 2023. This vision of the Swachh Bharat Mission is translated into action by bringing in community participation for clean toilets and integrated waste management to make India open defecation free, zero waste, dust free, plastic free, and green.

During the event, various activities were organized to create awareness among the public and to allow all stakeholders to contribute to the cause of Cleanliness.

In this regard, The NSS unit of SVKMs IOT Dhule, and the Department of Mechanical Engineering have jointly organized a Swachhta awareness drive program training for the nearby local people, students, Faculty, and Staff members of the Institute of Technology, Dhule. The awareness program was organized on 24th June 2023, at Mohadi Area of Dhule to make peoples aware of the cleanliness and importance of hygiene. It is everybody's responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases.

The Event was conducted under the guidance of Hon. Principal Prof. (Dr) Nilesh Salunke, and Assistant Registrar Mr. Anmol Suryavanshi. Mr. Manoj Sonar and Mr. Satish Patil of the NSS Unit organized this program.

Aim: Conducting activity on Gender Equality Awareness in Tapovan Area, Nashik

Organized by: Mr. Manoj Sonar, N.S.S. Coordinator # N.S.S. Unit of Institute of Technology

Participants: Residents of Tapovan Area Nashik, Students, Faculty, and Staff members of SVKM IOT, Dhule.

Activity Brief:

Half of the world's population is made up of women and girls, who also account for half of its potential. In addition to being a basic human right, gender equality is necessary for a peaceful society, the realization of all people's potential, and sustainable development. Furthermore, research has demonstrated that empowering women increases economic growth and productivity. The Gender Equality Programme was held on 23 June 2023 Organized by the NSS unit of SVKM's Institute of Technology Dhule in the Tapovan Area Nashik. The camp successfully reached a wide audience and achieved several key objectives. The students and faculty of the Electrical Engineering department activity participated in the event.

The Event was conducted under the guidance of Hon. Principal Prof. (Dr) N. P. Salunke. Assistance Registrar Mr. Anmol Suryavanshi, Mr. Manoj Sonar NSS Unit.

On 25th.May.2023

Aim: Conducting activity of “Road Safety Awareness Drive”

Organized by: Dept. of Civil Engineering and # N.S.S. Unit of Institute of Technology.

Participants: Travelers at Highway, Students, Faculty, and Staff members of SVKM IOT, Dhule.

Activity Brief:

The Road Safety awareness drive was conducted by SVKM’s Institute of Technology, Dhule in NH3 on 25th May 2023, to propagate the cause of safer roads for all. During the event, various activities were organized to create awareness among the public and to allow all stakeholders to contribute to the cause of road safety.

In this regard, The NSS unit of SVKMs IOT Dhule, and the Dept. of Civil Engineering have jointly organized a Road Safety awareness drive program training for the nearby local people, students, Faculty, and Staff members of the Institute of Technology, Dhule. The awareness program was organized on 25th May 2023, at Agra Mumbai National Highway and travelers on the highway get awareness about road safety rules.

The Event was conducted under the guidance of Hon. Principal Prof. (Dr) Nilesh Salunke, and Assistant Registrar Mr. Anmol Suryavanshi. Mr. Manoj Sonar and Mr. Deepak Singh Baghel of NSS Unit organized this program.

Activity Save Trees Awareness Drive

On 24th.May.2023

Aim: Conducting activity of “Save Trees Awareness Drive”

Organized by: Dept. of Mechanical Engineering and N.S.S. Unit of Institute of Technology.

Participants: Students, Faculty, and Staff members of SVKM IOT, Dhule.

Activity Brief:

Trees form the most essential components of our environment. They take in sunlight, carbon dioxide, and water to produce oxygen which helps to support all forms of life on Earth. Following the same thought, the NSS unit of SVKMs IOT Dhule and the Department of Mechanical Engineering, SVKM’s Institute of Technology, Dhule organized an Awareness Rally on the Theme **“SAVE TREES FOR FUTURE”** on 24.May.2023 at Laling Village, Dhule. The main objective of this event was to raise awareness about the crucial role trees play in maintaining environmental balance, combating climate change, and sustaining biodiversity.

During the event, various activities were organized to create awareness among the public and to allow all stakeholders to contribute to the cause of Save Trees and Save Nature.

The Save Trees Awareness Rally succeeded in mobilizing the community and raising consciousness about the critical importance of preserving our forests. By combining informative activities, hands-on participation, and cultural elements, the event fostered a sense of collective responsibility and inspired attendees to take concrete actions toward safeguarding our planet's green cover. The impact of this rally is expected to resonate within the community, promoting sustainable practices and a commitment to preserving our environment for future generations.

The Event was conducted under the guidance of Hon. Principal Prof. (Dr) Nilesh Salunke, and Assistant Registrar Mr. Anmol Suryavanshi. Mr. Manoj Sonar and Mr. Satish Patil of the NSS Unit organized this program.

Activity Save Trees Awareness Drive

On 21st.April.2023

Aim: Conducting activity of “Say No to Plastic Awareness Drive”

Organized by: Dept. of Civil Engineering and N.S.S. Unit of Institute of Technology.

Participants: Students, Faculty, and Staff members of SVKM IOT, Dhule.

Activity Brief:

The "Say No to Plastic Awareness Drive" was organized with the primary objective of raising awareness about the harmful effects of plastic pollution on the environment and encouraging the community to adopt eco-friendly alternatives. Following the same thought, the NSS unit of SVKMs IOT Dhule and the Department of Civil Engineering, SVKM's Institute of Technology, Dhule organized an Awareness Rally on the Theme **“SAY NO TO PLASTIC”** on 21.April.2023 at Arvi Village, Dhule. The main objective of this event was to raise awareness about the bad effects of plastic usage in daily life.

During the event, various activities were organized to create awareness among the public and to allow all stakeholders to contribute to avoiding the use of plastic in day-to-day activities. Residents are advised to carry a cloth bag while proceeding to shop in the market. Substantial amounts of plastic waste were collected and responsibly disposed of, contributing to the cleanliness of the designated area.

The *"Say No to Plastic Awareness Drive"* proved to be a significant step toward building a plastic-conscious community. By combining educational initiatives, hands-on activities, and community engagement, the event successfully conveyed the message of the detrimental effects of plastic pollution and inspired individuals to adopt more sustainable lifestyles. The NSS Unit & Civil Department expresses gratitude to all participants, volunteers, and supporters who contributed to the success of this impactful awareness drive. The commitment to a plastic-free environment remains a collective responsibility for a healthier and sustainable future.

The Event was conducted under the guidance of Hon. Principal Prof. (Dr) Nilesh Salunke, and Assistant Registrar Mr. Anmol Suryavanshi. Mr. Manoj Sonar and Mr. Deepak S Baghel of the NSS Unit organized this program.

N.S.S Activity Report

on

**“33rd National Road Safety week 2023
Raising awareness about traffic rules”**

OBJECTIVE :

To save millions of lives that are endangered worldwide as road safety continues to be a significant concern, National Road Safety Week is celebrated from January 11 to 17 of every year to raise awareness to prevent death and injuries worldwide. The primary purpose of this campaign is to emphasize and educate people about the importance of road safety rules.

The National Service Scheme of Dr. Babasaheb Ambedkar Technological University has been given many activities to conduct in the academic year; in this regard, on 13th January.2023 Our NSS unit and Regional transport office, Dhule jointly organized the event of “**33rd National Road Safety week 2023 - Raising awareness about traffic rules**” at Svkm Institute of technology, Dhule.

Activity Brief :

The primary purpose of this campaign is to emphasize and educate people about the importance of road safety rules. The first National Road Safety Week was introduced by the Ministry of Road Transport and Highways and observed in 1989. On March 15, 2010 the government sanctioned the National Road Safety Policy, recommended by the Sunder Committee. The aim is to raise public awareness about traffic rules. Charitable organizations, non-government organizations and private firms across the country join hands with the government to provide logistical support for the road safety measurements.

The Officer from Regional transport office, Dhule deliver the importance of safety rules. Road safety officials constantly educate people about important safety measures and dos and don'ts to avoid road accidents

Here are the essential road safety rules every driver and pedestrian must adhere to:

1. When behind wheels, always follow the red, green, and yellow light signals installed at crossroads, intersections, and zebra crossings
2. Stay to your left while walking, using a vehicle, or taking a turn. If you take a turn from the right (which is the wrong side as per Indian road rules), the cars coming from the right will misinterpret your move, thus causing

chances of collision. Also, you must avoid overtaking another car by changing lanes in heavy traffic

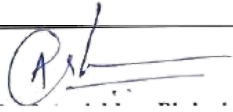

3. Use hand gestures and signals to communicate with vehicles and people on the road. Besides preventing accidents, they play an essential role when you are driving in a no-honking zone
4. Mobile phones are one of the biggest driving distractions and can be extremely dangerous. As per the traffic safety rules, you must avoid using mobile phones while driving or riding and even when walking on a busy road
5. Driving or riding a vehicle when intoxicated is a punishable offense and the strictest among all road safety rules across the globe. Alcohol impairs the brain's cognitive abilities and results in a loss of control over your body movements. Besides heavy fines for offenders, this traffic rule violation calls for imprisonment
6. Wear necessary safety gear as a road safety precaution. A four-wheeler driver must wear a seat belt, and a two-wheeler rider must wear a helmet to protect against accidental injuries. Safety gear rules also apply to the car's front passenger and pillion rider on a motorbike
7. Following the speed limit rules while driving is very important to save your life and the lives of pedestrians and prevent accidents

The Event conducted under the guidance of Hon. Principal Prof. (Dr) N. P. Salunke, Svkm Faculty staff and RTO Officers of Dhule - Ravindra shinde, Ganesh Patil, Kunal Patil

Organizer	National Service Scheme Unit (NSS) SVKM's Institute of Technology, Dhule With Regional Transport Office, Dhule

Activity Report of One-day Social Event

“Food donation Camp at kundane ”

Aim: To inculcate a sense of gratitude, compassion and empathy regarding the needy people

Objective: To motivate the students to be more active in transforming the lives of the needy

Name of Program: One-day Social event “food donation to needy people at Kundane ”

Organized by: IT department ,ITSA

Coordinator : Mr.Sachin Kamble

Participants: Faculty of SVKM IOT (IT Dept) and students of Information Technology, Dhule

Outcomes: Participants learned:

- To identify the problems of the needy, less fortunate and special people.
- To formulate plans in order to help them.
- Inculcating a sense of responsibility regarding their outlook on life.
- The motivational tools to uplift the less fortunate.
- Arranging effective resources to be of a permanent help to the needy.

Activity Brief:

One-day Social Event On “Food donation to needy people at kundane ” was conducted under the leadership and guidance of Dr. Bhushan S. Chaudhari on 31st December 2022 from 11.00 am to 02:00 pm at Vishwasnagar ,Kundane . There were 7 faculties and students who participated in the social cause.

The activity was commemorated by a group of coordinators visiting the vishwasnagar at kundane ,Dhule and obtaining information about the necessities and requirements of the needy people. It was then unanimously decided upon fulfilling their need of food items and grocery. Accordingly, after formulating the plans and obtaining permissions from the college management, funds were collected from the students of the Information Technology as well as from the faculties who wished to contribute voluntarily. The funds were then utilized for the purchasing of foods and grocery. On the event day, all the students and faculties who contributed gathered at vishwas Nagar Kundane to spend moments with the people there.

The children at kundane were firstly provided with some of their favorite snacks. Following that, the peoples shares their life issues .

The event concluded with the visiting kundane people having a sense of satisfaction and privilege to serve and help such needy peoples. The program ended with Dr. Bhushan Chaudhari proposing a vote of thanks to all the people included in making the event a successful one.

The event ended at 2:00pm on a cheerful note

Glimpses of the Event:

Dr. Bhushan Chaudhari Sir interacting with peoples at kundane

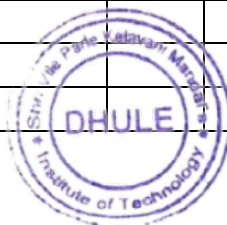

All the faculties interacting with people at kundane

Children and peoples were taking food.

of
“CLOTH DONATION DRIVE”

12th December 2022

Under

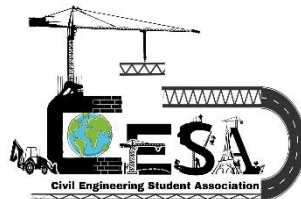

Celebration of 75 years of Independence
“Azadi Ka Amrut Mahotsav”

Organized by,

Shri Vile Parle Kelavani Mandal's
Institute of Technology,
Dhule

In association with

Department of Civil Engineering and
Civil Engineering Students Association (CESA)

Activity Report

Aim: To inculcate the values of social responsibilities in students of department.

Objectives: To mark the 75th year of Independence under Azadi ka Amrit Mahotsav with the theme of Action@75, Sabka Saath, Sabka Vikas, Sabka Vishwas, Sabka Prayas.

Name of Program: Cloth Donation Drive

Date: 12 December 2022 (A.Y. 2022-23, Odd Semester)

Event Conduction Duration: 11:30 am to 01:30pm

Event Venue: Ektanagar, Behind GPD, Deopur, Dhule

Event In Charge: Prof. Prerana Ikhari

Organizing Team: All Teaching staff, Department of Civil Engineering, CESA Members.

Outcomes:

1. To learn value education.
2. To instill the importance of social responsibilities.
3. Help provided to 250 needy people.

In this modern world, development of young minds is revolving around the technology. During this, keeping touch with the humanity and social responsibilities is also important. Value education builds overall character and personality. Understanding the importance of values, morals and ethics and implementing it in daily life, bring closer to become good human being. Under the initiative of Government of India for celebration of 75th year of independence, various activities have organized with different action plans. The following activity is successfully conducted under the theme of Action @75, Sabka Saath, Sabka Vikas, Sabka Vishwas, Sabka Prayas.

The students of Civil Engineering Student Association of Department of Civil Engineering had taken initiative to donate clothes to the needy people. As the cold season of the year approaches, the warm clothes become necessary in the nearby region. Students proposed that they have outgrown from their seasonal clothes during teenage. Rather than accumulating the clothes, it will be better to donate to those in need. Taking the base of this idea, student volunteer had circulated poster of 'Cloth Donation Drive' in all the departments of the institute to create awareness among the students and faculties. We have collected almost 400 units of clothes which are categorized in men, women, kids.

The 'Cloth Donation Drive' has successfully conducted at Ektanagar, Behind GPD, Deopur, Dhule on 12th December 2022 in presence of Dr. Shrikant B. Randhavane, Head of the Department, Prof. Basweshwar S. Jirwankar, Prof. Yogesh N. Bafna and Prof. Prerana R. Ikhar. All the collected clothes have donated to almost 250 people present on the location. Student volunteers Sakshi Gawai, Yadnya Pawar, Siddhesh Nashikkar, Nirbhay Deore, Sanket Wagh, Mayank Patil, Sayali Mehrunkar, Rushabh Khairnar have successfully conducted the distribution of clothes at the venue.

A Visit to Matoshri Old Age Home

Organized By

Department of Applied Sciences and Humanities

On 19th November, 2022

Time: 02.00 PM – 5:00 PM

SVKM's Institute of Technology, Dhule M.S

**Shri Vile Parle Kelavani Mandal's Institute of Technology,
Dhule, Maharashtra, India**

Aim: To help the Senior citizens in all the possible ways the students could.

Objective: To provide a platform for an interactive discussion with Senior citizens.

Participants: Faculty/students/ from the Dept., of Applied Sciences and Humanities

Faculty of Applied Science & Humanities and 60 First Year students of SVKM's Institute of Technology, Dhule went for a visit to Matoshri, an Old Age Home located on the outskirts of Dhule City in Maharashtra on Saturday, November 19, 2022.

The enthusiastic and determined students reached the old age home within half an hour from the college campus. They took charge of all the responsibilities of the organization for the rest of the day. All the candidates greeted the residents and took utmost care of them.

Dr. Tushar Shinde, HOD along with faculty and the FY Students enquired from the senior citizens about their wellbeing. Fruits and Tea were served by the students. The old residents expressed their gratitude towards the candidates.

Addressing the Senior Citizens, Dr. Tushar Shinde said that the plight of living in an old age home where you are forced to adjust and reside with unknown people is quite challenging. On the other hand the Chairman of the Matosri, an Old Age home said that with the passage of time, every member of this organization lives happily and peacefully with a sense of unity among themselves.

Faculty members Dr. Manoj Sonawane, Dr. Rajiv P. Junne, Dr. Sambaji Rao, Mr. Chandu Koli, Mr. Sachin Nerkar, Mr. Lahu Aware and Mr. Prashanth Gawade and Manoj Sonar, Physical Director were present.

Activity Road Safety Awareness Drive

On 17th October 2022

Aim: Conducting activity of “Tree Planation Drive at Korke Nagar, Dhule”

Name of Program: - “Tree Planation Drive”

Organized by: Dept. of Information Technology and # N.S.S. Unit of Institute of Technology.

Participants: Local People of Dhule City, Students, Faculty, Staff members of SVKM IOT, Dhule.

Activity Brief:

The Tree Plantation drive was conducted by SVKM’s Institute of Technology, Dhule at Korke Nagar Dhule on October 17, 2022, Trees represent life, growth, peace, and nature. They produce oxygen, clean soil, prevent drought, control flood-related disasters, prevent soil erosion, improve physiological, mental, and spiritual health, and also reduce carbon footprints. In this regard, The NSS unit of SVKMs IOT Dhule, and the Dept. of Information Technology have jointly organized a Tree Plantation drive program for the nearby local people, students, Faculty, and Staff members of the Institute of Technology, Dhule. The Tree Plantation program was organized on January 20, 2022.

The Event was conducted under the guidance of Hon. Principal Prof. (Dr) Nilesh Salunke, and Assistant Registrar Mr. Anmol Suryavanshi. Mr. Manoj Sonar and Prof.Sachin Kamble faculty of the Information Technology department of NSS Unit organized this program.

Activity “ The Fire Safety Training .”

On 8th October 2022

Aim: Conducting activity of **“Fire Safety Training Program”**

Name of Program:- “Fire Safety Training”

Organized by: Mr. Manoj Sonar. N.S.S. Coordinator # N.S.S. Unit of Institute of Technology.

Participants: Residents of Dhule City, Students, Faculty, and Staff members of SVKM IOT, Dhule

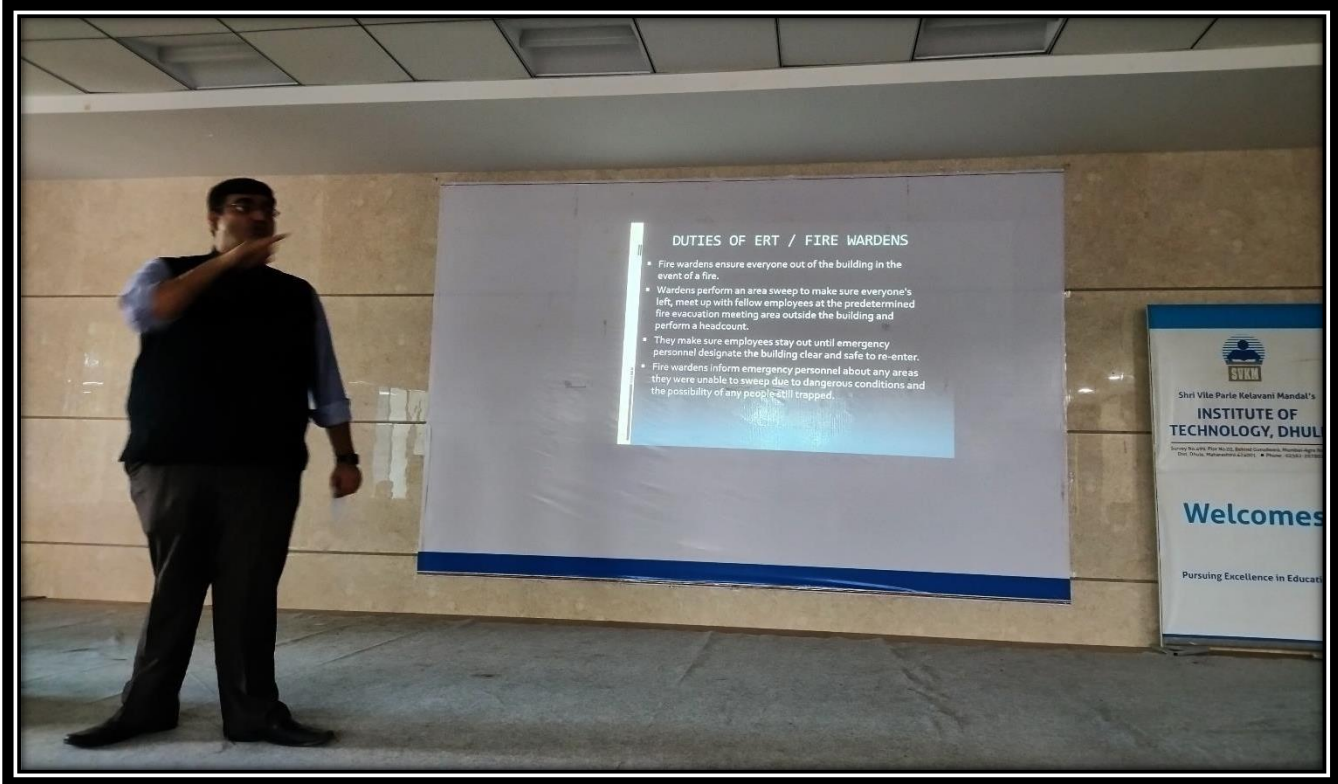

Activity Brief:

This Fire Safety Training module is designed to teach preventive measures that will eliminate or minimize causes of fire or fire hazards in the workplace, and to teach you proper emergency and evacuation procedures in the event of a fire. Fire safety training teaches us about the devices that aid in fire prevention, the various processes that are involved in handling such fire disaster circumstances, and how to safely exit the building during a fire. This fire safety training **helps in reducing the risks.**

In this regard, The Management of S.V.K.M. has organized Fire safety training for all the students Faculty, and Staff members of the Institute of Technology, Dhule. The training was organized on 8th October 2022. In this training, Professional Expert Mr. Jatin Kapadia taught us to preventive measures to eliminate causes of fire. Mock drill organized after the training. Students and staff participated in this drill.

The Event was conducted under the guidance of Hon. Principal Prof. (Dr) N. P. Salunke. Assistance Registrar Mr. Anmol Suryavanshi, Mr. Manoj Sonar NSS Unit, Fire safety officer Mr. Prashant Deore, and Mr. Yogesh Chaudhari organized this training drill.

N.S.S Activity Report

on

"Eco Friendly Ganesh Visarjan & Nirmalaya Collection Campaign"

OBJECTIVE :

1. To keep the Panzara river clean on Ganesh Visarjan.
2. Make aware of Our Water Resources & Aquatic Ecosystem.
3. To aware the people of water pollution due to colors and plastic glitters of idols.

Activity Brief :

The National Service Scheme of Dr. Babasaheb Ambedkar Technological University has been given many activities to conduct in the academic year; in this regard, on 9th Sep.2022 Our NSS Students organized the activity of "Eco Friendly Ganesh Visarjan & Nirmalaya Collection Campaign" at Panzara River side Dhule. Ganesha idols made of POP is the fact that POP does not degrade easily, leading to severe consequences like polluted water. The material also increases the acid content of water sources and can kill natural life in the water. Not only do they help keep the water pure and healthy but they also help keep common pests like mosquitoes at bay (fish found in lakes and ponds feed on mosquitoes keeping their numbers in check). For this, our students create awareness among the people to keep the river clean.

The N.S.S. Students collected the Ganesha idols from people and handover it to Municipal Corporation people of Dhule. Students also collect Nirmalaya from riverside and put into the vehicles of Municipal Corporation. The Event conducted under the guidance of Hon. Principal Prof. (Dr) N. P. Salunke. Prof. Deepak Sing Baghel, Prof. Satish Patil, Prof. Ankush Mudholkar, Prof. Amirkhan Pinjari, Prof. Prashant Gawade and Prof. Sachin Kamble has given the Support for this program.
