We will try our best to locate these resources. I am also enclosing few copies of the brochure entitled "How to access DELNET online services through the web" which you may find useful for the purpose. Also, a complete demo on how to access DELNET online databases is available at YouTube. The link is available at DELNET database site. Please note that the enclosures have been sent to the Librarian/Incharge Library.

I would like to inform you that DELNET has launched a new discovery portal for Member-Libraries. Kindly arrange to send us the filled-in copy of enclosed IP-based Access questionnaire so that the access to the new portal can be provided through IP authentication.

I hope that the members and researchers of your library will benefit by using the DELNET databases and services.

With kind regards,

Yours sincerely,
