Pa Se Samridhi: Higher
education scholarship for children of
Piaggio CV drivers

According to government statistics, about 73% of eligible students across India drop out of their respective schools before higher education. The most common reason is financial pressure.

The pandemic has worsened the crisis for the children of informal sector workers and daily wage earners.

Piaggio India has launched the 'Shiksha Se Samriddhi' Scholarship scheme to provide assistance to these students, so that they can complete their higher education regardless of any unexpected crisis.

Piaggio "Shiksha Se Samriddhi" Scholarship is an initiative to support the children/wards of drivers/owners of the three-wheeler community with annual family income below ₹ 3,00,000. The scholarship covers 80% of the annual fees up to ₹ 20,000. The student must have already enrolled in a fulltime academic, technical or vocational courses. Since 2020, 733 scholars across India have been benefitted from this initiative and we continue to be committed for educational upliftment of less privilege students. An NGO Buddy 4 Study helped us to implement this initiative across India

Equipment Support: ITI, Jamkhed

To provide opportunities for skilling to underprivileged youth and provide skilled manpower to the industry, Piaggio India provided welding machines (MIG & TIG) to students at the Industrial Training Institute, Jamkhed. The intention behind this contribution was to provide hands-on experience to students in using welding

and to improve their ability and skill set to perform a
series of weld at a high quality.

- Exposure to students via practical training on different types of machines involved in their industry.
- Prevention from basic hazards and injuries on the field, as welding machines are a basic requirement in many industries and places.
- Career opportunities widened and increased the chance of leading into a variety of industries.

RE : Ekam Scholarship Award for Engineering Students

Dear Waidehee,

We are delighted to inform you that you have been selected as one of the esteemed students under the **Ekam Scholarship for Engineering Students** of Ekam Foundation Mumbai.

As part of the programme, we identify aspiring, self-motivated and driven young girls who desire to pursue higher studies and professional pursuits. And the award is in recognition of your drive, dedication and desire to succeed.

You have been awarded a sum of **Rupees 50,000/- (Fifty Thousand only)** to be utilized for pursuing your higher studies. The scholarship amount may be used for college fees, academic programmes, electronic devices, books or exams fees, or for any other relevant expenditure towards your education. Our team will be in touch with you on disbursement and utilization of the same.

Ekam believes in acting as enabler to students in their academic and professional pursuits and wish you the very best in the coming years. We remain committed to providing you with guidance and mentoring as you prepare for your career goals. **Our aim is to support you to stand on your own feet and become an aspiring role model to others in the society.**

As part of the giving pledge, we encourage you to participate in mentoring of other children in their academic and professional interests. Once you become a financially independent professional, we look forward to your contribution back to the society through **Ekam's Circle of Giving**.

Wishing you the best in your endeavours ahead and you can always count on our support.

Warm regards,

Reliance Foundation Scholarships

Reliance has been providing scholarships to meritorious students for over 25 years, inspired by Reliance Founder-Chairman Shri Dhirubhai Ambani's belief that the best way to ensure the nation's progress is to invest in its youth. Over the years, Reliance Foundation scholarship programmes have impacted the lives of 13,000 youth across India.

In 2022-2023, Reliance Foundation will support up to 5,000 meritorious undergraduate students from underprivileged sections of society studying any stream of their choice through the Reliance Foundation Undergraduate Scholarships, and 100 of India's brightest postgraduate students studying eligible subjects in new technologies through the Reliance Foundation Postgraduate Scholarships.

Both Reliance Foundation Scholarships will aim to nurture and empower meritorious students and will work together to generate robust, vibrant and engaged alumni networks, enabling scholars to pursue higher education, emerge as young professionals, and drive India's growth.
