“International Womens Day 2023.”

On 8th March to 25th 2023

Aim: Conducting sports activity on “International Women’s Day 2023”

Name of Program: - “International Women’s Day Sports Event 2023”

Organized by: Dept. of Physical Edu. & Sports and # N.S.S. Unit of Institute of Technology.

Participants: Students, Faculty & Staff members of SVKM Campus, Dhule .

Activity Brief:

As per the guidelines by AICTE S.V.K.M.’s Institute of Technology has organized International Women’s Day 2023 to promote Sports and Physical Activity among the girls and women faculty and staff members. Ministry of Youth Affairs and Sports has decided to celebrate the international Women Day 2023 by organizing sports competitions for women across the nation in all age groups.

All women’s Faculty and Staff members and girls students of institute were participated in these sports events. On this occasion Yoga, Athletics, Badminton, Table Tennis, and Carom events conducted.

The Event conducted under the guidance of Hon. Principal Prof. (Dr) Nilesh Salunke. Assistance Registrar Mr. Anmol Suryavanshi, Mr. Manoj Sonar Sports Coordinator and Prof. Deepak Singh Baghel, Prof. Pratik Deore. Prof. Achal Agrawal Sushil Deshmukh, Mr. Abhishek Mahajan, Mr. Gajajnan Patil helped to organize the event.

Event Details

SVKM's Institute of Technology have established Institute Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, MHRD, Govt. of India. Under this council, all departments are conducting series of programs including IIC Calendar Activities as well as Self Driven Activities. SVKM's IOT IIC established on 11-09-2020. Department of Civil Engineering organized Session on "Accelerators/Incubation - Opportunities for Students & Faculties - Early Stage Entrepreneurs" on 15th July 2022 at 11:00 AM as IIC Calendar Activity.

Mr. Satish G. Taji, Assistant Professor, Department of Civil Engineering, SVKM's IOT, Dhule, Maharashtra, India, have taken the session forward as a Resource Person. Prof. Achal Agrawal introduced the speaker and IIC Vice President Dr. Shrikant Radhavane welcomed the Speaker. In his address, he explained about role of software's in self-employment of Civil Engineers. He specifically talked about the application of EPANET software and demonstrated case study of his own town Pachanwadgaon, Jalna, Maharashtra. Further, cleared the doubts about the same for the participants. The event was coordinated by Prof. Achal Agrawal. Lastly session was ended with question answer session and vote of thanks given by Prof. Deepak Singh Baghel. More than 60 students and 10 faculty members, attended this event.

Following are the some of the glimpses of the Session:

A Zoom meeting grid with 9 participants. The participants are arranged in a 3x3 grid. The top row shows three circular avatars with initials: ST (green), HP (orange), and a 40th anniversary logo (black with '40' in white). The middle row shows three circular avatars: YP (light blue), a photo of a man in a blue shirt, and a photo of a man in a suit. The bottom row shows three circular avatars: PI (light blue), SA (light blue), and CD (yellow). Below the grid is a toolbar with various icons and a row of smaller avatars with initials: +19, JB, AJ, MT, PP, PJ, JS, KP, PI, SG, BB, KR.

What is model??
A simplification of reality, but with all essential features

Reality **Model**

The diagram illustrates the flow of wastewater from various sources (Sanitary, Storm, Industrial) through different treatment stages (Street Curb Basins, Separate Storm Sewer System, Combined) to a final treatment plant (Sanitary Wastewater Plant, Industrial Wastewater Plant). A red arrow points from the 'Reality' image (a cityscape) to the 'Model' diagram, indicating the transition from the real world to a simplified representation. A Windows watermark is visible in the bottom right of the diagram area.

ANSARI and 33 others 04:41
 HP
 activate Windows
 Go to PC settings to activate Windows.

A Zoom meeting toolbar showing a row of avatars with initials: +21, SG, AM, YP, SJ, PI, D, D, HP, ST.

Objectives

1. To know about the opportunities available for the Engineers as early stage entrepreneurs.
2. To create awareness about software and their application.

Benefits:

1. Participant learnt about the opportunities.
2. Participants get aware about software like EPANET in the field of Civil Engineering and how to become an entrepreneur.

We are thankful to Today's speaker Mr. Satish G. Taji for enlighten us on "Accelerators/Incubation - Opportunities for Students & Faculties - Early Stage Entrepreneurs". We are also thankful to SVKM's IOT Management & our honorable principal Dr. Nilesh Salunke, IIC President SVKM IOT, Dr. Shrikant B. Randhavane IIC Vice President, SVKM IOT, Dr. Namra Joshi, IIC Convener, SVKM IOT, and last but not the least to all participants attended this IIC activity.

Event Details

SVKM's Institute of Technology have established Institute Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, MHRD, Govt. of India. Under this council, all departments are conducting series of programs including IIC Calendar Activities as well as Self-Driven Activities. SVKM's IOT IIC established on 11-09-2020. Department of Information Technology organized Expert Lecture on 17th November 2022 at 10:00 AM with one of the Calendar Activity, "My Story Motivational Session by Successful Entrepreneur/Start-up Founder.

For this session as a guest speaker we have invited **Mr. Darshan Rajput**, YouTuber, Manufacturer's Business Guide. Manufacturer's guide Darshan Rajput is a famous YouTuber and an entrepreneur who excelled in his life with his famous YouTube channel 'Manufacturer's guide' starting from scratch and elevated himself to a level with a fan base of more than **2 million subscribers** on YouTube. He has successfully earned whopping views of more than 1 billion collectively on his YouTube channel' videos of "Manufacturer's Guide" in a span of 2 years".

Session was hosted by Gaurav Birari (SYIT, IIC Co-coordinator) and technically handled by Sanket Gadhe (SYIT, IIC Coordinator), SVKM's IOT. Session started by Gaurav Birari, with welcome of all the participants and guest speaker. In this session, Mr. Darshan has shared his experiences and the problems he faced during his journey. He explained the importance of networks building surroundings, he explain own journey of entrepreneurship, during he has done collaborative work, he explained initially with his start-up named "Tissue wala". He tirelessly toiled hard for the initial six months like every start-up and gradually he started making a good business after a brief period of struggle. Amidst everything

he thought of informing people about his manufacturing business “Tissue wala” and what it takes right from establishment to marketing and sales”. Overwhelmed with the positive response the views in his videos skyrocketed to millions and he started getting demand to create more educative videos. With an aim to bring change in every aspiring entrepreneur’s life he chose YouTube as his full-time profession and began with “Manufacturer’s Guide. Overall, students were very impressed from this motivational session.

Lastly session was ended with question answer session and vote of thanks proposed by **Tejaswini Buwa** (SYIT,IIC Coordinator). The expert talk duration is more than 1 hour, followed by 15 min question answer session. Total 47 participants attended this event.

Following are the some of the glimpses of the Session:

Objectives

1. To give a new perspective and boost desire to achieve a meaningful goal in life.
2. To set goals to become entrepreneur.

Benefits:

- Participants aware about creative thinking skills.
- Participants incentivized about entrepreneurship.

We are thankful to Today's speaker Mr. Darshan Rajput for enlighten participants. We are also thankful to SVKM's IOT Management & our honorable Principal Dr. Nilesh Salunke, IIC President SVKM IOT, Dr. Shrikant B. Randhavane IIC Vice President, SVKM IOT, Dr. Namra Joshi, IIC Convener, SVKM IOT, and last but not the least to all participants attended this IIC program.

Event Details

SVKM's Institute of Technology have established Institute Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, MHRD, Govt. of India. Under this council, all departments are conducting series of programs including IIC Calendar Activities as well as Self-Driven Activities. SVKM's IOT IIC established on 11-09-2020. Department of Applied Science & Humanities organized Expert Lecture on 28th November 2022 at 10:00 AM with one of the Calendar Activity, "My Story Motivational Session by Successful Innovator.

For this session Mr. Mohammad Yousuf, CEO of catalystOne consulting service, Hyderabad as a guest speaker. Mr. Mohammad Yousuf completed his DECE in electronics and B.Tech in Computer Science and Information Technology. Furthermore, He also done M.Tech in computer science and Technology. The session started by Dr. Shakeel Raheman with welcome of all the participants and guest speaker. Further the session was handover to Prof. Lahu aware (Asst. Prof. SVKN's IoT Dhule) who enlightened the students and faculties with importance of Innovation followed by introducing and establishment of IIC in institute. After that he gave brief introduction of guest speaker.

The expert of the session has covered the motivational session about innovation. He explained about the revolution in industry and IT sector & opportunities for engineers in the innovation. He also discusses about the digitized, deceptive and disruptive with example of 3D printer. He continued his discussion about the first phase when it is digitized it is deceptive. We don't know it is very slow. You & I will not know about it becoming digitized. It is very slow happening in some corners of the world. We even don't know about it becoming digitized. Then it became disruptive the moment it becomes disruptive, you and I will come to know. Furthermore, he shares how to grow your startup in the village and rural area to sell

the products.

Lastly the session was ended with question answer session and vote of thanks by Dr. Shakeel Raheman and Prof. Prashant Gawade. The guest delivered his talk for more than 75 minutes, followed by 15 min question answer session. The Session was conducted in hybrid mode for which total 54 registrations count in which 43 students and 9 faculty members were joined this event.

Following are the some of the glimpses of the Session:

Objectives

1. To encourage participants for journey from engineering to become a successful innovator.
2. To aware participants about Revolution in technology.

Benefits:

1. Participants learned about revolution of technology.
2. Participants learned about basic steps for the innovation in technology.

We are thankful to Today's speaker Mr. Mohammad Yousuf for enlighten participants. We are also thankful to SVKM's IOT Management & our honorable Principal Dr. Nilesh Salunke, IIC President SVKM IOT, Dr. Shrikant B. Randhavane IIC Vice President, SVKM IOT, Dr. Namra Joshi, IIC Convener, SVKM IOT, and last but not the least to all participants attended this IIC program.

Department of Civil Engineering organized workshop on "Entrepreneurship Skill, Attitude and Behavior Development" on 03.December.2022 at 11:00 AM.

For this workshop, as a guest speaker we have invited Param Pujyaniya Aanand Jeevan Swamiji and Dr. Jitesh Pathak. The seminar was hosted by CESA under guidance of Dr. Shrikant B. Randhavane, HOD and Prof. Achal Agrawal. The event started with the introduction of Saturday Club by the chairman of Saturday Club Global Trust. The program was further preceded by the first guest speaker Param Pujyaniya Aanand Jeevan Swamiji. Swamiji guided about how we should keep our behavior and attitude in this era. He also gave some knowledge about spirituality. The next guest speaker Dr. Jitesh Pathak shared his experience and explained importance of ethics in entrepreneurship. Main focus of the talk was to make students aware about what happening in the society.

Overall students were impressed with the session and program was ended with the vote of thanks and national anthem.

Following are the some of the glimpses of the Session:

Objectives

1. To give essentials about Entrepreneur.
2. To set goals to become entrepreneur.
3. To know about spirituality.

Benefits:

1. Participants aware about creative thinking skills, attitude and behavior development.
2. Participants learned Qualities of Entrepreneur.

We are thankful to Today's Speaker, Param Pujyaniya Aanand Jeevan Swamiji and Dr. Jitesh Pathak for enlighten us about Spirituality and Entrepreneurship. Event Details

SVKM's Institute of Technology have established Institute Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, MHRD, Govt. of India. Under this council, all departments are conducting series of programs including IIC Calendar Activities as well as Self Driven Activities. SVKM's IOT IIC established on 11-09-2020. Department of Information Technology conducted one-hour Webinar on 18 April 2023 at 11:00 am with one Self Driven Activity, "How to plan start-up and Legal & Ethical steps".

For this webinar, as a guest speaker we have invited CA Mr. Sagar Garg, Cheirmen of Dhule CA student association, also he is Proud member of Saturday Club Global Trust, Dhule Chapter (a business club). Webinar was hosted by student coordinators of IIC Gaurav Birari, Sanket Gadhe & Tejaswini Buwa and technically handled by Prof. Sagar Badjate, Prof. Mangesh Balpande and Prof. Sachin Kamble IIC Ambassador, SVKM's IOT. The webinar started with an introduction to the concept of a start-up and its significance in today's business world. CA Mr. Sagar Garg explained that a start-up is a new and innovative business venture that aims to solve a problem or meet a need in the market. He highlighted the importance of having a clear vision and mission for the start-up and emphasized the need to identify the target market and understand its needs. They told us if your start-up is different from a small business in the sense that it aims to grow rapidly and disrupt existing markets or create new ones.

They also told us some common problem faced by start-up, so Mr. Garg highlighted some of the common challenges faced by start-ups, such as:

Funding: Start-ups often struggle to secure funding, especially in the early stages when they have no track record.

Competition: Start-ups operate in a highly competitive environment and need to differentiate themselves to succeed.

Scaling: Scaling a start-up requires careful planning and execution to avoid running out of cash or overextending the team.

The next part of the webinar focused on the various legal and ethical steps involved in starting a business. CA Mr. Sagar Garg explained the importance of registering the business and obtaining the necessary licenses and permits from the government. He also highlighted the need to comply with various laws and regulations related to taxation, labor, and environmental protection. They told us the steps by step process of legal steps required for start-up.

Mr. Garg emphasized that registering the company is a crucial step in the formation of any startup. He discussed various forms of business entities such as Sole Proprietorship, Partnership, Limited Liability Partnership, and Private Limited Company. He also advised attendees to take professional help while registering their company.

Mr. Garg highlighted the importance of protecting the intellectual property of the startup. He discussed various forms of intellectual property such as patents, trademarks, and copyrights. He advised startups to get their intellectual property registered as early as possible to avoid any legal disputes.

In the second half of the webinar, Kishor Potdar, the owner of Modern Electricals, shared his experience in starting and running a successful business. He talked about the challenges he faced during the initial stages of the business and how he overcame them with determination and hard work. He also shared some valuable tips on managing finances, building a team, and creating a strong brand identity.

The webinar ended with a Q&A session where the attendees had the opportunity to ask questions and clarify their doubts. CA Mr. Sagar Garg and Kishor Potdar answered the questions patiently and provided valuable insights and advice.

Overall, the webinar provided valuable insights into what a start-up is and how to start one. CA Mr. Sagar Garg's step-by-step guide and practical advice on common challenges faced by start-ups were particularly useful for aspiring entrepreneurs. The webinar was well-received by the participants, who found it informative and inspiring.

Following are the some of the glimpses of the Session:

Objectives

1. to provide valuable insights and guidance to entrepreneurs and business owners on the steps involved in starting a new and innovative business venture.
2. to equip the attendees with the knowledge and tools required to plan and execute a successful start-up.
3. understand the significance of having a clear vision and mission for the start-up, identifying the target market, and understanding its needs.

Benefits:

1. Webinars are an excellent way to gain access to expert advice from experienced professionals in the field.
2. Participants learned Qualities of Entrepreneur.
3. Participants get clear some idea about looking to start-up.
4. They understood the importance of start-up and business.

We are thankful to Today's speaker Mr. Sagar Garg for enlighten us about Startup. We are also thankful to SVKM's Management & our honorable principal Dr. Nilesh Salunke, IIC President SVKM IOT, Dr. Shrikant B. Randhavane IIC Vice President, SVKM IOT, Dr. Namra Joshi, IIC Convener, SVKM IOT, and last but not the least to all participants attended this IIC activity.

Event Details

SVKM's Institute of Technology have established Institute Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, MHRD, Government of India. Under this council, all departments are conducting series of programs including IIC Calendar Activities as well as Self-Driven Activities. SVKM's IOT IIC established on 11-09-2020. Department of Electrical Engineering organized Session on "Entrepreneurship as a Career Opportunity" on 29.May.2023 at 03:00 PM.

For this expert talk, the speaker was **Mrs. Shweta Mishra** from Acropolis Institute of Pharmaceutical Education & Research, Indore, Madhyapradesh. The Session was hosted and handled by IIC Student Committee Member Ms. Prof. Jagdish More, IIC faculty coordinators of SVKM's IOT, Dhule. IIC Student Coordinator Ms. Hemangi Nikumbhe welcomed all the participants and introduced guest speaker, followed by introduction of an establishment of IIC in the institute. After that, she gave a brief introduction of the guest speaker. After the introduction, the speaker presented on "Entrepreneurship as a Career Opportunity". Towards the end for the session, a vote of thanks was given by Mr. Kalyan Gajare, IIC Student Committee Member and he also officially declared the successful completion of the expert talk. Total of 59 participants have attended the expert talk session including the students, staff and the

faculty members.

Following are the some of the glimpses of the Session:

Objectives

1. To give essentials about Entrepreneur.
2. To set goals to become entrepreneur.

Benefits:

1. Participants aware about creative thinking skills.
2. Participants learned Qualities of Entrepreneur.

We are thankful to Today's Speaker, Mrs. Shweta Mishra for enlighten us about Entrepreneurship as a Career Opportunity. We are also thankful to SVKM's Management & our honorable principal Dr. Nilesh Salunke, IIC President SVKM IOT, Dr. Shrikant B. Randhavane, IIC Vice President, SVKM IOT, and Dr. Namra Joshi, IIC Convener, SVKM IOT, and last but not the least to all participants attended this IIC activity.

“Session on Accelerators/Incubation - Opportunities for Students & Faculties – Early Stage Entrepreneurs”

SVKM's Institute of Technology have established Institute Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, MHRD, Govt. of India. Under this council, all departments are conducting series of programs including IIC Calendar Activities as well as Self Driven Activities. SVKM's IOT IIC established on 2020-09-11 for the Academic Year 2020-21.

The Hybrid mode session on “Accelerators/Incubation - Opportunities for Students & Faculties – Early Stage Entrepreneurs” was organized by Mechanical Engineering department of SVKM's IOT Dhule under institutions innovation council (IIC) cell on 12th August, 2023 to create awareness about Accelerators and Incubators- opportunities for students and faculties. Around 77 members (students and faculties) have attended the session in hybrid mode.

The Session was started by **Dr. Amol Badgujar**, innovation ambassador in which he Welcomed and Introduced the guest.

The Session was Conducted by **Miss. Sugumari Vellinayagam** Assistant Professor at Vel Tech institute of science and technology, Chennai in which she highlighted the following points,

- **Incubators vs. Accelerators**
- **Incubation opportunities for students and faculties**
- **Business incubators**
- **Entrepreneurship development program(EDP)**
- **Stages of Entrepreneurship**
- **Funding rounds for Startups**

Lastly, Mr. Dattattray Doifode, **faculty of Mechanical Engineering and Innovation Ambassador** gave the Words of Gratitude and Concluded the Session.

The diagram illustrates the process of business incubation, showing the flow from a Student (Entrepreneurial Group Proposal) through Business Feasibility Selection (Lecturer) to Business Support (Technology-based Entrepreneurship/Start-up) and Mediation (Career Development Center). The Business Incubator (Tenant University) provides joint services, facilities, financing, and support. The process leads to Business Partnership (Development, Coaching, Investment and Marketing) and Tenant Company/Start-up (Independent entrepreneur).

STUDENT: Entrepreneurial Group Proposal

FACULTY: Facilities, financing and support, Monitoring and Evaluation

UNIVERSITY: Business Development and Partnership with Campus as an entrepreneurial center

BUSINESS INCUBATOR: Tenant University: 1) Joint services, 2) facilities and location, 3) financing and support, 4) incubator governance, 5) criteria of incoming and outgoing tenants and 6) mentoring and networking

Business Feasibility Selection: Lecturer

Business Support: Technology-based Entrepreneurship/Start-up

Mediation: Career Development Center

Business Partnership: Development, Coaching, Investment and Marketing

Tenant Company/Start-up: Independent entrepreneur

Event Details

Date: August 19, 2023

Venue: SVKM's IOT Dhule

Organized by: Institution Innovation Council (IIC), Department of Information Technology

On August 19, 2023, a highly informative seminar on entrepreneurship was organized in collaboration with the Institution Innovation Council (IIC) at SVKM's IOT Dhule. The seminar aimed to provide students with insights into the world of entrepreneurship and innovation. Dr. Agalya V., Professor and Associate Head of Research and Development (R&D) at NHCE Bangalore, was the esteemed speaker for the event.

The seminar was coordinated by Prof. Sagar Badjate, the IIC Coordinator. The event also witnessed the presence of Prof. Mangesh Balpande, adding further expertise to the proceedings. Gaurav Birari and Tejaswini Buwa, a student coordinator, was the anchor for the event, while Sanket Gadhe managed the technical aspects of the event.

The seminar drew a diverse audience of around 65 students, including both second and third-year students. The attendees were eager to learn more about entrepreneurship and innovation, indicating the relevance and importance of such an event.

Dr. Agalya V. kickstarted the seminar by engaging the audience through thought-provoking questions related to innovation and its different forms. This interactive approach immediately captured the attention of the participants and set the tone for an engaging session.

The seminar progressed with Dr. Agalya diving into the core concepts of entrepreneurship. She explored various aspects, such as the essence of innovation, the distinctions between different forms of innovation, and the significance of disruptive ideas. The speaker skillfully elucidated the concept of patents, providing a comprehensive understanding of their importance in protecting and nurturing innovative ideas.

Dr. Agalya V. shared real-world examples and case studies that illustrated the journey of successful entrepreneurs, underscoring the challenges they faced and the strategies they adopted to overcome them.

This practical insight into the entrepreneurial landscape enriched the participants' understanding of the subject.

Throughout the seminar, Dr. Agalya encouraged the participants to think critically and creatively. She emphasized the need to identify problems and transform them into opportunities for innovation, a key trait of successful entrepreneurs.

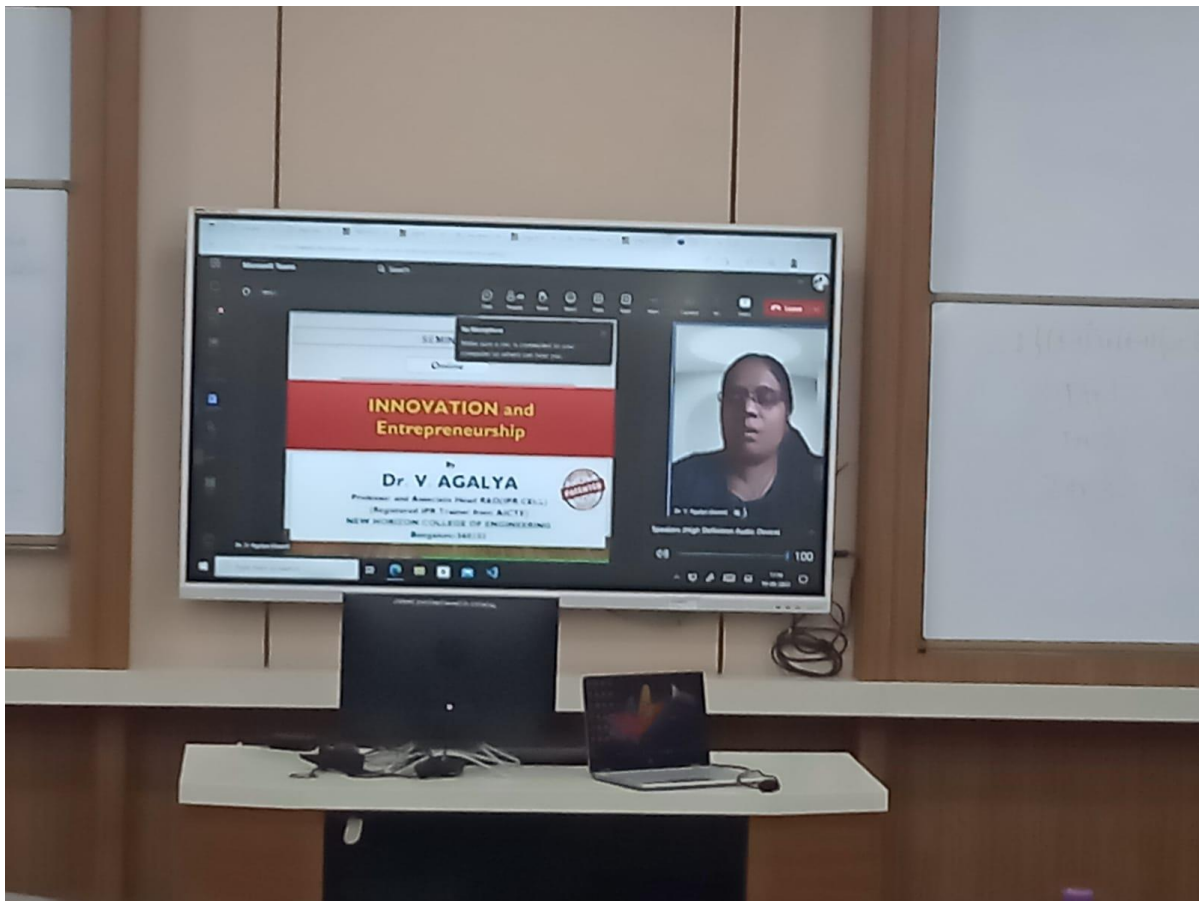

The seminar concluded with an interactive session, where students had the opportunity to ask questions and engage in discussions with Dr. Agalya. This exchange of ideas fostered a dynamic learning environment, enabling participants to clarify doubts and delve deeper into the concepts covered.

The seminar on entrepreneurship proved to be highly informative and impactful for all the students present. The insights shared by Dr. Agalya V. opened new horizons for the attendees, inspiring them to explore entrepreneurship and innovation as potential career paths.

The self-driven seminar on entrepreneurship, organized by the Institution Innovation Council (IIC) in collaboration with SVKM's IOT Dhule, proved to be a resounding success. The participation of Dr. Agalya V. as the esteemed speaker, along with the coordinated efforts of Prof. Sagar Badjate, Prof. Mangesh Balpande, and the student coordinators, ensured that the event was insightful and engaging. The seminar effectively instilled a spirit of innovation and entrepreneurship among the participants, enriching their knowledge and motivating them to think creatively and ambitiously in their future pursuits.

Following are the some of the glimpses of the Session:

Objectives:

Educational Enrichment: The primary objective of the seminar was to provide students with a comprehensive understanding of entrepreneurship, innovation, and their significance in today's dynamic world. The program aimed to expose students to practical insights, real-world examples, and expert guidance that would contribute to their educational enrichment beyond the classroom curriculum.

Awareness and Exposure: The seminar sought to raise awareness among students about the opportunities and challenges in the field of entrepreneurship. It aimed to expose them to the various facets of entrepreneurship, including ideation, innovation, business planning, and market exploration, thereby broadening their perspective and encouraging them to consider entrepreneurship as a viable career path.

Skill Development: By delving into topics such as innovation, patents, and problem-solving, the program aimed to develop critical thinking skills among participants. It aspired to nurture their ability to identify opportunities, think creatively, and approach challenges with innovative solutions, which are essential skills for aspiring entrepreneurs.

Interaction with Industry Experts: The presence of Dr. Agalya V., a seasoned entrepreneur and academician, provided an opportunity for students to interact with an industry expert. The program aimed to facilitate a direct interaction between students and the speaker, enabling them to seek guidance, ask questions, and gain insights from someone who has practical experience in the field.

Benefits:

Knowledge Enhancement: Participants gained a deeper understanding of entrepreneurship, innovation, and related concepts. They acquired insights into practical strategies, case studies, and best practices that could help them in their entrepreneurial endeavors.

Exposure to Real-World Scenarios: By discussing real-world examples and challenges faced by entrepreneurs, the program exposed students to the realities of the business world. This exposure better prepared them for the challenges they might encounter in their entrepreneurial journeys.

Networking Opportunities: The seminar provided a platform for students to interact with an industry expert, Dr. Agalya V., as well as with their peers. These interactions facilitated networking, enabling students to build relationships that could potentially benefit them in their future careers.

Inspirational Value: Learning about the journeys of successful entrepreneurs and their achievements inspired participants to think big, set ambitious goals, and pursue their passions with dedication. The program encouraged students to overcome obstacles and embrace innovation.

Skill Development: The program fostered the development of critical thinking, problem-solving, and creative skills. Participants learned how to analyze problems, identify opportunities, and come up with innovative solutions, which are essential skills in entrepreneurship.

Event Details

SVKM's Institute of Technology have established Institute Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, MHRD, Govt. of India. Under this council, all departments are conducting series of programs including IIC Calendar Activities as well as IIC Calendar Activity. SVKM's IOT IIC established on 11-09-2020. Department of Information Technology conducted Expert Talk on "Entrepreneurship" on 01.August.2022 at 3:00 PM as IIC Self Driven Activity.

For this session, as a guest speaker we have invited Dr. Pramod Shahabadkar, TPO, KKWIEER, Nashik. Session was hosted by Prof. Niteen Dhutraj and technically handled by Prof. Sachin Kamble and Prof. Sagar Badjate, IIC Ambassador, SVKM's IOT. Session started by Prof.Niteen Dhutraj with welcome of all the participants and guest speaker,

In this session, Dr. Sahabadkar has shared his experiences and the problems faced by young entrepreneurs. He explained the importance of skill required for become entrepreneur, also he explain attitude related issues. Later part he elaborate behavior require for entrepreneur. He also explain how to do has done collaborative work, he has explained how he met various peoples of other countries to work with collaboratively. Main focus of the talk was to make students aware about the opportunities. Overall, students were very impressed from this expert lecture and in future if possible than they will start new business and be an entrepreneur of society. Lastly session was ended with question answer session and vote of thanks proposed by Prof. Sachin Kamble.

The guest talk recorded for more than 65 min, followed by 15 min question answer session. For this Session, we received total 40 registrations count in which 36 students and 13 faculty members, total 49 registered participants were joined this event.

Following are the some of the glimpses of the Session:

The screenshot shows a Microsoft Teams meeting interface. The main content is a slide with the title "Who I am- Create Your Image". The slide contains a bulleted list of points and a small video thumbnail of a man speaking.

- Working as TPO
- Worked in India and Abroad
- Strengths and Weakness

The Teams interface includes a search bar at the top, a list of participants at the bottom, and a taskbar at the very bottom.

The screenshot shows a Microsoft Teams meeting interface. The main content is a slide with the title "What next:". The slide contains a bulleted list of points. A larger video thumbnail of the same man is visible on the right side of the slide.

What is Entrepreneurship

- The word entrepreneur was derived from the French word “entreprendre”, which means “to undertake” (Kuratko, 2016).
- Entrepreneurship is a Journey not a destination

Session
on
“Angel Investment/VC Funding Opportunity
for Early Stage Entrepreneurs”

SVKM’s Institute of Technology have established Institute Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, MHRD, Govt. of India. Under this council, all departments are conducting series of programs including IIC Calendar Activities, Self Driven Activities and Celebration Activities. SVKM’s IOT IIC established on 2020-09-11 for the Academic Year 2020-21.

The session was organized by Mechanical Engineering department of SVKM’s IOT Dhule under institutions innovation council (IIC) cell on 23th August, 2022 to introduce about the angel investments and VC funding opportunities. The Session was started by Mr. Dattatray Doifode, innovation ambassador in which he Welcomed and Introduced the guest. Felicitation was done by Dr.Hitesh Thakare (Head of Department, Mechanical Branch).

The Session was conducted by **Mr. Karan Sharma, Training & Placement Officer, SVKM’s IoT Dhule**, in which he highlighted the following points,

- **Understanding Venture Capital**
- **Advantages and Disadvantages of Venture Capital**
- **Types of Venture Capital**
- **How Does a VC Differ From an Angel Investor?**
- **Venture Capital vs. Angel Investors**
- **The Venture Capital Process**
- **Venture funding life cycle**
- **Trends in Venture Capital**
- **Why Is Venture Capital Important?**
- **VC Funding Opportunity for Early Stage Entrepreneurs**

Lastly, Dr. Amol Badgujar, Assistant Professor, Mechanical Engineering gave the Words of Gratitude and Concluded the Session. Total 32 students and 15 faculty and staff members attended this session.

Event Details

SVKM's Institute of Technology have established Institute Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, MHRD, Govt. of India. Under this council, all departments are conducting series of programs including IIC Calendar Activities as well as Self Driven Activities. SVKM's IOT IIC established on 11-09-2020.

Under IIC council, all departments are conducting series of programs including IIC Calendar Activities as well as Self Driven Activities. As a part of this, Department Applied Sciences and Humanities conducted Webinar Session on 21st December 2021 at 11:00 AM with one of the IIC Calendar Activity i.e. , “My Story Motivational Session by Successful Entrepreneur/Startup Founder”. For this Event, as a guest speaker we have invited Mr. Rahul Padalse, Director of Z Plus solution Jalgaon, Maharashtra. The session started by Dr. Shakeel Raheman with welcome of all the participants and guest speaker. Further the session was handover to Dr. Tushar Shinde Head of the department who enlightened the students and faculties with importance of entrepreneur and startup followed by introducing and establishment of IIC in institute. After that he gave brief introduction of guest speaker. The expert has covered the motivational session about how to take basic steps for the startup. Mr. Rahul P. deliver this session by introducing about himself. He received his engineering degree from the Knowledge Bhujbal City Nashik. He belongs to middleclass family background and his family don't want him to an engineer. In the final year of engineering Mr. Rahul P. decided to be a businessman and with the help of his friends in the year 2014 he started his own business. He develops an application to keep the small businessman data like accounting, daily transaction and daily work flows. He is mainly focusing to the retailers, small business unit in the rural area to sell their software.

The expert of the session covers the motivational journey from being an engineer to be a businessman. He explained about the struggle during the startup and how to take basic steps in the field to overcome this issue. Furthermore, he shares how to grow your startup in the village and rural area to sell the products. Lastly the session was ended with question answer session and vote of thanks.

For this event, we received total 42 registrations count in which 27 students and 15 faculty members were joined this event.

Following are the some of the glimpses of the Session:

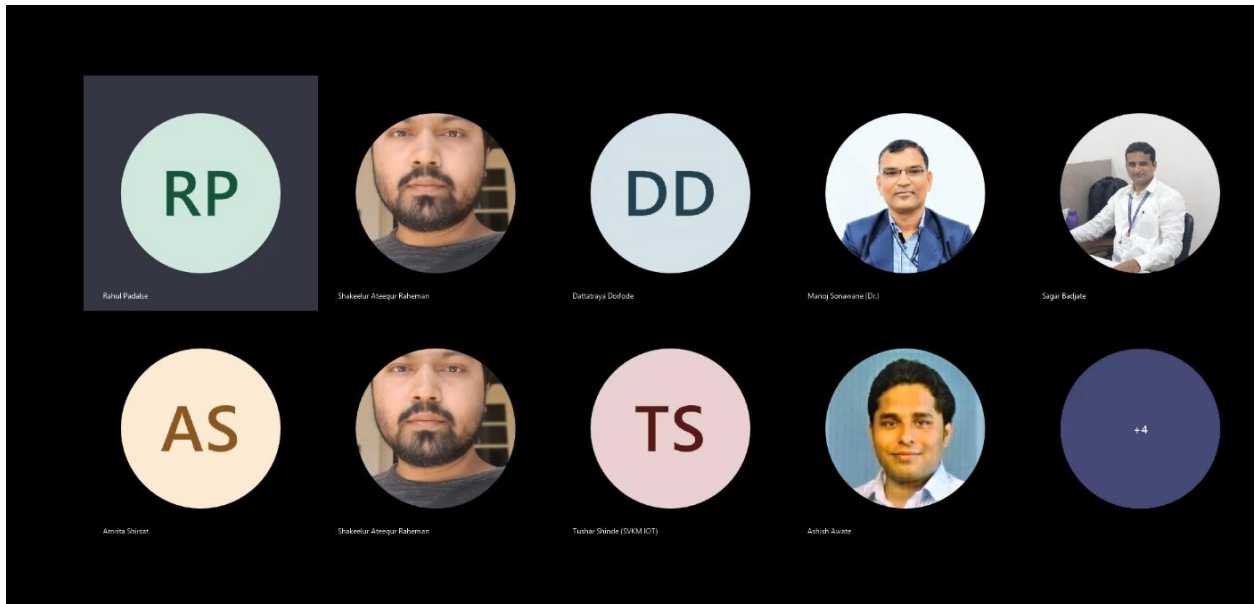

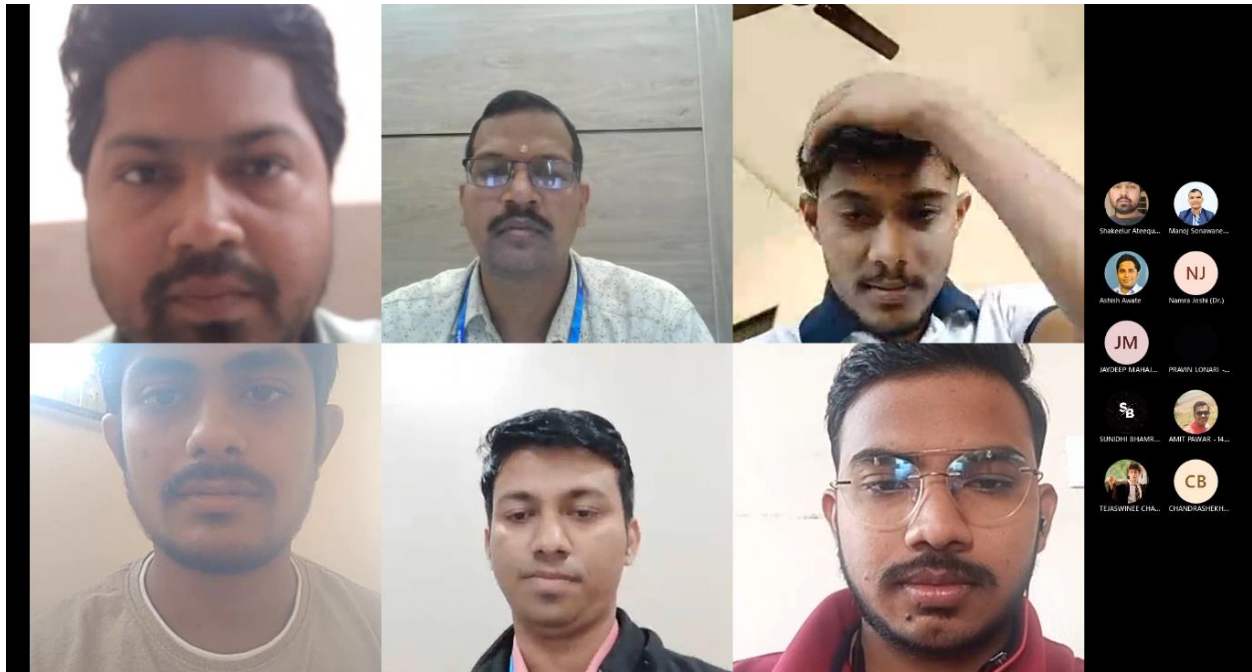

Objectives

1. To give brief idea about Fundamentals of Startup.
2. To inculcate Strategies for Setting up of Startup.

Benefits:

1. Participants aware about Basics steps for starting Startup.
2. Participants learned How to Start Startup?

We are thankful to Today's speaker Mr. Rahul Padalse for enlighten us about Startup. We are also thankful to SVKM's Management & our honorable principal Dr. Nilesh Salunke, IIC President SVKM IOT, Dr. Shrikant B. Randhavane IIC Vice President, SVKM IOT, Dr. Namra Joshi, IIC Convener, SVKM IOT, and last but not the least to all participants attended this IIC activity.

Objectives

1. To give essentials about Entrepreneur.
2. To set goals to become entrepreneur.
3. To learn about attitude and behavior.

Benefits:

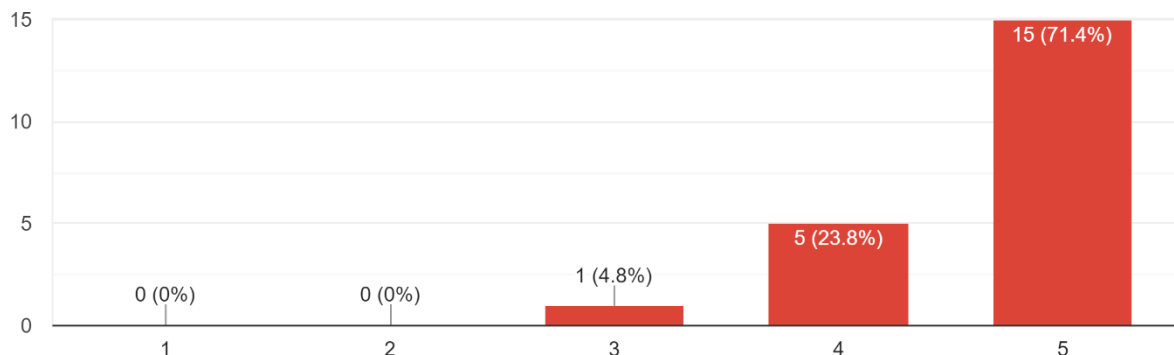

1. Participants aware about creative thinking skills.
2. Participants learned Qualities of Entrepreneur.

We are thankful to Today's speaker Mr. Ishwar Sarade for enlighten us about how to climb towards entrepreneurship. We are also thankful to SVKM's Management & our honorable principal Dr. Nilesh Salunke, IIC President SVKM IOT, Dr. Shrikant B. Randhavane IIC Vice President, SVKM IOT, Dr. Namra Joshi, IIC Convener, SVKM IOT, and last but not the least to all participants attended this IIC activity.

Introduction:

SVKM's Institute of Technology have established Institute Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, MHRD, Govt. of India. Under this council, all departments are conducting series of programs including IIC Calendar Activities as well as Self Driven Activities. SVKM's IOT IIC established on 2020-09-11. As a part of this series, Department of Mechanical Engineering conducted one hour expert talk on 17th Feb 2022 at 3 pm with one of the IIC self driven Activity topic, “**Importance of entrepreneurship**”.

For this motivational talk, the speaker was **Mr. Bhojraj Jadhav from Evers Pvt. Limited**, Webinar was hosted and handled by **Prof. Dattatray S. Doifode and Prof. Dr.Amol Badgujar, IIC Ambassador, SVKM's IOT**. Webinar was started by Mr. Adam Abbas and welcomed all the participants and guest speaker, followed by introducing an establishment of IIC in the institute. After that, he gave a brief introduction of the guest speaker. After the introduction, the speaker presented on “**Importance of Entrepreneurship**”. In addition to that, he explained about the need of entrepreneurship and the qualities required for becoming an entrepreneur.

The topics covered by speaker during this talk are as follows-

Importance of entrepreneurship:

1. Entrepreneurs are Innovators
2. Entrepreneurs create jobs
3. Entrepreneurs improve the standard of living
4. Entrepreneurs are Philanthropists

5. Entrepreneurs introduce changes in the community

6. Entrepreneurship leads to economic growth

7. Entrepreneurs support other entrepreneurs

He had also given a guidance regarding the skills required for successful entrepreneurship,

1. Get Organized

2. Keep Detailed Records

3. Analyze Your Competition

4. Understand the Risks and Rewards

5. Be Creative

6. Stay Focused

7. Prepare to Make Sacrifices

8. Provide Great Service

9. Be Consistent

10. Focus on need of customer

11. Look at the cash flow, finance sources.

Following faculty, staff and students have attended the motivational talk,

Objectives

1. To learn about entrepreneurships and start up.
2. To understand the skills required for entrepreneurship.
3. How to become a successful entrepreneur.

Benefits:

1. This expert talk provides the brief about importance of startup and entrepreneurship.
2. This is a unique event which will be very useful for future entrepreneur.
3. It also gave the knowledge about skills required for entrepreneurship.
4. It also guided on "how to search the opportunities for entrepreneurship".

We thank, SVKM's Management & our honorable principal Dr. Nilesh Salunke IIC President SVKM IOT, Dr. Shrikant B. Randhavane IIC Vice President, SVKM IOT, Dr. Namra Joshi, IIC Convener SVKM IOT, and last but not the least all our departmental colleagues & students to attend this motivational talk.

Event Details

SVKM's Institute of Technology have established Institute Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, MHRD, Govt. of India. Under this council, all departments are conducting series of programs including IIC Calendar Activities as well as Self Driven Activities. SVKM's IOT IIC established on 11-09-2020. Department of Civil Engineering organized Session on "Accelerators/Incubation - Opportunities for Students & Faculties - Early Stage Entrepreneurs" on 15th July 2022 at 11:00 AM as IIC Calendar Activity.

Mr. Satish G. Taji, Assistant Professor, Department of Civil Engineering, SVKM's IOT, Dhule, Maharashtra, India, have taken the session forward as a Resource Person. Prof. Achal Agrawal introduced the speaker and IIC Vice President Dr. Shrikant Radhavane welcomed the Speaker. In his address, he explained about role of software's in self-employment of Civil Engineers. He specifically talked about the application of EPANET software and demonstrated case study of his own town Pachanwadgaon, Jalna, Maharashtra. Further, cleared the doubts about the same for the participants. The event was coordinated by Prof. Achal Agrawal. Lastly session was ended with question answer session and vote of thanks given by Prof. Deepak Singh Baghel. More than 60 students and 10 faculty members, attended this event.

Following are the some of the glimpses of the Session:

A Zoom meeting grid with 9 participants. The top row shows avatars labeled ST, HP, and a 40th anniversary logo. The middle row shows avatars labeled YP, a man's face, and another man's face. The bottom row shows avatars labeled PI, SA, and CD. A toolbar at the bottom contains icons for +19, JB, AJ, MT, PP, PJ, JS, KP, PI, SG, BB, and KR.

What is model??
A simplification of reality, but with all essential features

Reality **Model**

The diagram illustrates the concept of a model. On the left, a photograph of a city skyline represents 'Reality'. On the right, a schematic diagram of a wastewater treatment system represents the 'Model'. A red arrow points from the city to the model. The model diagram shows various inputs: Industrial Wastewater, Street Curb Basins, Storm Water, Sanitary Wastewater, and Sanitary Wastewater. These feed into a 'Separate Storm Sewer System' and a 'Combined' system. The combined system includes a 'Sanitary Wastewater Plant' and a 'Storm Water Plant'. A 'Sewer Pump' is also shown. A 'Water Bin' is located at the bottom. A notification bubble from 'ANSARI and 33 others' is visible in the bottom right corner of the diagram area.

At the bottom of the slide, a Zoom toolbar shows icons for +21, SG, AM, YP, SJ, PI, D, D, HP, and ST.

Objectives

1. To know about the opportunities available for the Engineers as early stage entrepreneurs.
2. To create awareness about software and their application.

Benefits:

1. Participant learnt about the opportunities.
2. Participants get aware about software like EPANET in the field of Civil Engineering and how to become an entrepreneur.

We are thankful to Today's speaker Mr. Satish G. Taji for enlighten us on "Accelerators/Incubation - Opportunities for Students & Faculties - Early Stage Entrepreneurs". We are also thankful to SVKM's IOT Management & our honorable principal Dr. Nilesh Salunke, IIC President SVKM IOT, Dr. Shrikant B. Randhavane IIC Vice President, SVKM IOT, Dr. Namra Joshi, IIC Convener, SVKM IOT, and last but not the least to all participants attended this IIC activity.

Activity Report of International Women's Day

Yoga Activity 2021

Aim: Celebration of International Women's Day Online Yoga Activity on 8 th March 2021.

Objective: To encourage Girls students for Yogasana.

Name of Program: International Women's Day Online Yoga Activity on 8 th March 2021.

Organized by: Mr. Manoj Sonar. N.S.S. Coordinator # N.S.S. Unite # Fit India Movement, Physical Education Department of Institute of Technology.

Participants: Girls Students of SVKM IOT, Dhule .

Outcomes: Participants learned:

- Importance of Yoga in Corona Epidemic to improve Immunity Power.
- Encourages to do yogasana.
- Post photos of yogasana individually.

Activity Brief:

Celebration of International Women's Day 2021. Due to Covid 19 pandemic period, our Institute decided to celebrate it online. A google form publishes to the all the participants in which students has to post their performance yoga postures photo. Every participant who filled the form got the E-Certificate. Students participated 21 Girls in the Activity.

The Event was conducted under the guidance of Hon. Principal Prof. (Dr) N. P. Salunke. For this program all Technical support given by Mr.Pradip Surwade , Mr. Nilesh Pawar,

Glimpses of the Event: Participant performing at home yogasana.

Participant performing at home yogasana.

A sample E- certificate for Women's Day Yoga activity.
