SCHOLARSHIP AWARD LETTER

Dear Sudeep Ravindra Bedmutha,

On behalf of the *College of Professional Studies*, it is our pleasure to congratulate you on being selected for a *CPS Leaders and Scholars Award*.

This award offers a tuition scholarship providing funds that will cover $5,794.00 of your total estimated program tuition costs, and will be applied to your tuition bill each term that you enroll. This award is guaranteed for your Master of Professional Studies in Analytics program of study provided that you remain in good academic standing.

The total program tuition costs for the Master of Professional Studies in Analytics program is estimated to be $48,285.00 (without the above scholarship amount applied/deducted). This estimate is based on the minimum number of required credit hours to complete the program and the current cost per credit hour for your program of study. Therefore, your total estimated tuition cost with the above tuition scholarship applied/deducted is estimated to be $42,491.00.

Also note that each year the cost per hour of credit is expected to increase and is officially published on Northeastern's Student Financial Services website.

To accept this scholarship, if you have not done so already, confirm your enrollment by submitting your enrollment deposit by the enrollment deposit deadline. If so, this scholarship will automatically be applied to your tuition bill. Please note that the scholarship will not be applied to your tuition bill until after the first week of classes. Meanwhile, if you already received a bill from the university, please arrange to pay the portion of the tuition bill for which you are responsible. If you have questions about billing, payment, financial aid, etc. please contact the Student Financial Services office.

The *College of Professional Studies* Tuition Scholarship program is made possible in part through the generosity of our alumni and friends and reflects our longstanding commitment to provide outstanding applicants access to a Northeastern education.

Please note that this award is applicable only to the program, campus, and term of entry that is reflected on your decision letter. Additionally, deferring your acceptance to a future term may result in the forfeiture of this award. Also, you must meet the scholarship guidelines outlined on the second page of this letter.

Again, we would like to congratulate you and wish you much success in your program.

Sincerely,

Northeastern University Admissions

CPS Leaders and Scholars Award

2022-2023

The *CPS Leaders and Scholars Award* has been awarded to you in recognition of your outstanding academic achievement and reflects our expectation of continuing academic success at Northeastern. Below are the guidelines governing your scholarship.

1. Your scholarship provides funds that will cover a percentage of your tuition while you are attending classes as a student in the *College of Professional Studies* and while you meet the enrollment requirements of the college.

2. The above award will be: (a) applied as a percentage tuition discount to your student bill each term that you enroll, based on the number of credit hours that you take; and (b) spread out over the time span that it takes for you to complete your program of study up to and not to exceed the minimum required credit hours to graduate.

3. To continue your scholarship after the first year, you must maintain a 2.50 cumulative grade point average (GPA) and attain at least 6 credits per each term enrolled during the tenure of this scholarship (with no more than one noncredit term). Your GPA will be reviewed at the end of the semester. If you fail to attain the minimum required GPA, the scholarship will be cancelled.

4. You must enroll in the academic term to which you were admitted. Any deferral of enrollment will result in a cancelled scholarship, although you may be reconsidered for a scholarship at a later date.

5. If you require a leave of absence, you must have an exit interview with your financial aid counselor. If your leave exceeds one year, you will forfeit your scholarship. Other types of withdrawal from the university, whether by your choice or through university action, will result in forfeiture of the scholarship for all future semesters.

6. If you receive the full tuition benefit of the Northeastern Faculty/Staff Tuition Waiver, or any other full tuition benefit from outside the university, you are not eligible for additional scholarship or grant funds from the university, including this scholarship. If you receive a part-time benefit, you are eligible for university funds up to the total cost of tuition, including the Tuition Waiver.

7. If you receive additional scholarship assistance from outside or within the university, you are required to report it to your financial aid counselor. You are entitled to receive these funds to cover the difference between the estimated cost of attendance less your scholarship and any other financial aid. Other scholarship funds over this amount may be used to reduce your *CPS Leaders and Scholars Award*.

8. Appeal process: If you lose the scholarship for academic or other reasons, an appeal can be submitted, in writing, to your financial aid counselor, explaining the special circumstances to be considered. Appeals will be reviewed on a case-by-case basis by the Scholarship Appeals Committee. All decisions are final.

9. If you receive additional scholarship or grant assistance from university funds, your scholarship will be reduced by the amount of the grant(s) or scholarship(s).

10. The administration reserves the right to make changes to these guidelines without notice.
