- **Objective:**

The primary objective of the Alumni Meet 2021 and 2022 was to create a platform for alumni, students, faculty, and staff to come together, reconnect, and celebrate the achievements of the alumni. The meet aimed to foster a sense of belonging, strengthen the alumni network, and provide an opportunity for knowledge sharing and networking.

- **Activity Details:**

Formal Greet Session
Cultural Session (Games + Fun)

- **Total No. of Students Turned up:** 31 Students (Alumni Batch – 2021 & 2022)

- **Formal Greet Session:**

An alumni meeting was organized on May 6, 2023, from 11.30 am to 1.30 pm, at classroom 209, first floor, Department of Computer Engineering, SVKMIOT, Dhule. The event was attended by the students of the TY computer and B.Tech computer classes. The organizers for the event were SVKMIOT ACM Student Chapter & A.C.E.S, and the coordinator for the alumni meet was Vijaylaxmi Bittal. The student volunteers who helped to organize the event were students from the 2nd & 3rd years. The Alumni Meet witnessed a gathering of

esteemed alumni, faculty members, and current students, creating an atmosphere of warmth, nostalgia, and camaraderie. The event aimed to provide a platform for alumni to reconnect, share their experiences, and receive guidance from distinguished individuals who have played instrumental roles in the college's success.

The event began with a formal introduction by the anchors, Anuranjan Singh & Waidehee Kele, who warmly welcomed all the esteemed dignitaries to the stage. Among the dignitaries present were the respected Principal Dr. Nilesh Salunke, Head of the Department Dr. Makarand Shahade, Faculty of Computer Department, and esteemed Alumni. The event proceeded with a beautiful rendition of Saraswati Vandana by Bhakti Kulkarni. The coordinators then requested the dignitaries to light the ceremonial lamps, symbolizing the dispelling of darkness and the spread of knowledge. The event commenced with insightful talks and guidance sessions by respected individuals who have contributed significantly to the college community.

Principal Dr. Nilesh Salunke graced the occasion with his presence and delivered an inspiring talk. He emphasized the role of alumni as ambassadors of the college and encouraged them to continue contributing to the growth and development of the institution. The Head of Computer Department, Dr. Makarand Shahade, captivated the audience with his engaging talk. He shared insights into the latest trends and advancements in the field, inspiring the alumni to stay abreast of industry developments. Training & Placement Officer, Karan Sharma Sir, addressed the gathering and provided valuable insights into career opportunities, job market trends, and strategies for success. His talk focused on the importance of networking.

A small video was shown, beautifully capturing the essence of the college days of the students from the 2021 and 2022 batches. The video featured a collection of photographs, videos, and snippets, highlighting the unforgettable experiences, friendships, events, and achievements of the students.

A special memento ceremony took place to honor the outstanding achievements of the students. Each student was recognized individually based on their academic accomplishments, remarkable work-based experiences, and notable contributions to the industry. The mementos were presented to the students by the esteemed faculty members of the Computer Department.

Prof. Vijaylaxmi Bittal Mam delivered an inspiring and heartfelt vote of thanks. Her words of appreciation and gratitude resonated with everyone present, acknowledging the contributions of the alumni, faculty, and organizing committee in making the event a memorable one.

- **Cultural (Fun) Events:**

The second half of the Alumni Meet witnessed a series of engaging and fun-filled cultural events. The organizing committee had carefully planned activities that aimed to foster interaction, team spirit, and friendly competition among the alumni. Three main events took place: a riddle game, a get-together activity, and a treasure hunt.

Riddle Game: Coordinated by Devyani Jadhav and Jayesh Chaudhari, the riddle game was an intellectually stimulating event where alumni from both batches showcased their problem-solving skills and knowledge. The participants were presented with a series of challenging riddles, and their task was to unravel the mysteries within a given time frame. The game generated an atmosphere of friendly competition and served as a platform for alumni to showcase their sharp wit and intelligence.

Get-Together Activity: The get-together activity aimed to foster camaraderie and promote interaction among the alumni. Various ice-breaking activities were organized, encouraging the participants to connect with their fellow batchmates and create new memories. The activity facilitated bonding and created a sense of unity and belonging among the alumni.

Treasure Hunt: Coordinated by Samruddhi Wadekar and Tejas Chaudhari, the treasure hunt event proved to be a thrilling adventure that tested the teamwork, coordination, and problem-solving abilities of the alumni. Divided into teams representing the 2021 and 2022 batches, participants embarked on a quest to uncover hidden clues and solve challenging puzzles. The event was not only exhilarating but also brought back memories of their college days, as they navigated familiar locations in search of the ultimate treasure.

Batch 2021 – 2022 Department of Computer Engineering, SVKM's IOT, Dhule.

Activity Brief:

The Department of Information Technology organized an Alumni Meet under the ITSA Forum on 29 April 2023. The event coordinator for this event was prof. Sagar Badjate sir, all ITSA student coordinators decorated the seminar hall for the same. The event was aimed at providing a platform for the current students to interact with the alumni and learn from their experiences. It was hosted by student coordinator Sanika Zende and Gayatri Rana. In that event there were 20 alumni are present who enjoyed every moment of it.

The event began with Saraswati Vandana, a traditional Indian prayer dedicated to the goddess of knowledge and wisdom. Following this, the Principal of SVKM'S IOT Dhule, Dr. Nilesh

Salunke, was invited to address the students. He shared his thoughts on the importance of networking and how it can help in the overall development of an individual. The Head of the Department of Information Technology also addressed the students and highlighted the achievements of the alumni.

After the addresses, the alumni were felicitated with mementos and flowers by the principal sir, HOD sir. The alumni were working at prestigious positions in various organizations, they shared their valuable experiences with the students. They gave insightful instructions that would be helpful for the students in their future endeavors. For instance, Mustafa Saifee, who is currently working at Amazon AWS, shared his knowledge on how to make an effective resume. Tanvi Baviskar shared her academic struggles and how she overcame them, Himani Kapure and Kalyani Pawar told us the importance of communication. Vivek Khairnar, Keshav Mali, Ajinkya Sonawne, Satyam Shenage told us what should we do, what should we not do. Some alumni suggested focusing on projects to enhance practical knowledge.

Apart from the talks, the fun games also organized which is hosted by student coordinator Harish Wagh and Anushka Poddar such as doing the activities mentioned on sheets, identifying famous dialogue personalities, and asking them interesting puzzles. These games were designed to engage the alumni and the students. It was really enjoyed by all the alumines.

The event ended with a closing speech by the Head of the Department. The alumni enjoyed the event and felt nostalgic about their college days. The students also benefited from the event and gained valuable insights into the industry. Overall, the Alumni Meet organized by the Department of Information Technology was a grand success, and it provided a great learning experience for the students.

Recourse person	:	Ms. Yukta Bhattad

Objectives of seminar:

To inspire students with the success stories of alumni who pursued post-graduation in management.

- **Outcomes**
 - Offered practical tips and strategies for a successful career transition.
 - Provided valuable insights into various post-graduation management programs.
 - Students gained practical knowledge on examination and application processes.
- **Committee Members:**
 - Dr. Makarand Shahade, Convener
 - Prof. Vijaylaxmi Bittal, Coordinator

- **Total No. of Student Turned up:**

50 students participated from S.Y. BTech & TY Btech Computer Engineering Department.

- **Activity in brief:**

This was an alumni talk to share practical insights about the post-graduation in management with juniors scheduled on 28/3/2023. Ms. Yukta Bhattad, alumni of 2021 Batch of SVKM's IoT Department of Computer Engineering who is currently a PG Student at IIM Tiruchirappalli was the guest speaker for the organized event. The department of Computer Engineering in association with SVKMIOT ACM Student Chapter organized this event.

The "Footsteps to Pursue Post Graduation in Management" Alumni Talk Session was a resounding success, embracing an inspiring journey for TY students on the verge of launching their careers. Prof. Vijaylaxmi Bittal, the T&P Coordinator, set the stage with a warm welcome, paving the way for the guest speaker to share invaluable insights into the practical aspects of post-graduation in management. The HOD expressed heartfelt gratitude, recognizing the importance of such events. A lively Q&A session empowered juniors to clarify doubts and seek guidance. Prof. Vijaylaxmi Bittal's gracious vote of thanks concluded the event, leaving an indelible mark on the students, propelling them towards a future of boundless possibilities in the world of management

May 28, 2022

Name of Program: Hands on Workshop on Azure Cognitive Services

Event Date: May 28, 2022.

Organized by: SVKM IOT ACM Student Chapter.

Activity Brief:

SVKM IOT ACM Student Chapter organized the technical workshop on May 28, 2022. The workshop started sharp from 10:00 AM and lasted till 1:00 PM. It was conducted on Microsoft Azure platform – which provides variety of cloud services. The workshop included the introduction to the various services provided by Azure platform which was given by the Microsoft Learn Student Ambassador Mr. Saifuddin Saifee and Mr. Mustafa Saifee. Introduction followed by explaining some basics concepts of producing cloud resources on the platform.

Students of the AI elective subject participated and showed eagerness in the workshop. The workshop coordinator – Mr. Vivek Pawar successfully coordinated and provided helping hand in successful implementations. Prof. Vijayalaxmi Bittal along with Mr. Mustafa Saifee taught how to create resources and a chatbot using the Azure platform.

The workshop was sanctioned by management and Principal Dr. Nilesh Salunke and was successfully conducted under the guidance of Department Head Dr. Makarand Shahade, and teaching staff Prof. Khalid Alfatmi and Prof. Vijayalaxmi Bittal. It was a very successful and fun-loving workshop where each and every participant showed their enthusiasm. Similar such workshop will be conducted in the near future.

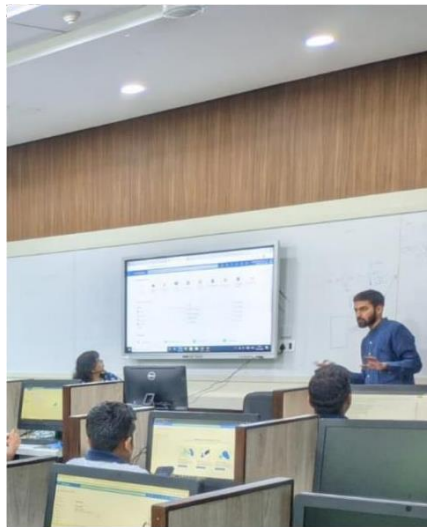

Poster of the Workshop:

The poster features a dark blue background with a circuit-like pattern. At the top, it displays the SVKM logo and the text 'Shri Vile Parle Kelavani Mandal's Institute of Technology, Dhule'. Below this, it states 'Department of Computer Engineering in association with SVKM IOT ACM Student Chapter Organizes'. The main title is 'HANDS ON WORKSHOP ON AZURE COGNITIVE SERVICES'. A circular portrait of Prof. Vijayalaxmi Bittal is shown next to her name and title: 'Prof. Vijayalaxmi Bittal, Assistant Professor, Department of Computer Engineering'. To the right, under 'Workshop Highlights:', there is a bulleted list: 'INTRODUCTION TO AZURE COGNITIVE SERVICES.', 'CREATING AND DEPLOYING QNA CHATBOT.', and 'INTRODUCTION TO COMPUTER VISION API IN PYTHON FOR AI APPLICATIONS.'. Below the highlights, it identifies the 'MICROSOFT LEARN STUDENT AMBASSADOR MR. SAIFUDDIN SAIFEE'. The bottom section is divided into 'Venue: Computer Center' and 'Date & Time: On 28 May 2022, At 10:00 AM'. At the very bottom, it lists the 'Faculty Coordinator Prof. Vijayalaxmi Bittal, Dept. of Computer Engineering', the 'Convener Dr. Makarand Shahade, HOD, Dept. of Computer Engineering', and the 'Principal Dr. Nilesh Salunke, SVKM IOT, Dhule'.

Name of Program: Alumina Talk on career Guidance

Date: 04 April 2022

Event Coordinator: Prof. Yogesh Bafna

Organizing Team: Deepak Singh Baghel, Department of Civil Engineering

Resource Person: Mr. Pritesh Patil, Junior Engineer, M

Participants: UG students,

Objectives: Participants learned:

- 1) To know various streams as a career option.
- 2) To understand significance of practical concepts over field.
- 3) To interpret the relation between theory and field concepts.

The pandemic COVID-19 has necessitated drastic measures like social distancing, staying indoors to be taken to fight against it. Needless to say, these are challenging times that we are living in. This situation has demanded highly skilled technical persons who cannot be stopped by the constraint of online methods. Thus, to develop the skills of student required in civil engineering, our department has initiated the alumini talk on career guidance for UG especially. This will basically focus on career opportunities. It was organized on 4th April 2022 from 3:00 pm to 5:00 pm. Total 87 participants have participated in this event.

Activity: Placement: A Word of Experience (Capgemini Interview Tips)

Date: 14/01/2022

Organized by: Department of Computer Engineering in association with SVKM IOT T&P Cell

Outcomes:

- Students got a reality check of their preparation for the upcoming interview process.
- Tips from the speaker helped them evaluate their shortcomings and areas that they need to improve on.

Activity Brief:

The event was conducted on the campus from 11 am to 12pm. Miss Varsha Joshi, Software Analyst at Capgemini who is also student alumni of the institute addressed the students on how to appear for Capgemini interviews. Students interacted with their queries and her guidance boosted their confidence. The event was hosted by Miss Meghal Jambhale, Student Coordinator.

The event was possible because of the coordination of Prof. Vijaylaxmi Bittal, T&P Coordinator and TPO. Karan Sharma under the support of Departmental HOD, Dr. Makarand Shahade.
