Minutes of the 2nd Meeting of Internal Quality Assurance Cell (IQAC), held on 7th June-2021 at 11:00 AM. The meeting was conducted in board room near principal cabin.

Following members attended the meeting:

- | | | |
|----------------------------|---|-----------------------------|
| 1. Dr. Nilesh Salunke | - | Principal & Chairman (IQAC) |
| 2. Dr. Bhushan Chaudhari | - | IQAC Coordinator |
| 3. Mr. Anmol Suryawanshi | - | IQAC Member |
| 4. Dr. Tushar Shinde | - | IQAC Member |
| 5. Dr. Vishal Moyal | - | IQAC Member |
| 6. Dr. Shrikant Randhavane | - | IQAC Member |
| 7. Mr. Khalid Alfatmi | - | IQAC Member |
| 8. Mr. Mohemmed Juneddudin | - | IQAC Member |
| 9. Aniket Patil | - | IQAC Member (Student) |

Dr. Nilesh Salunke, Hon'ble Principal, chaired the meeting.

At the outset, Dr. Bhushan Chaudhari greeted welcome to all IQAC Members and outlined agenda of the meeting. Following points in line to agenda were discussed in meeting.

- Dr. Nilesh Salunke expressed need to organize virtual multidisciplinary international conference at our institute.
- Dr. Salunke further asked all IQAC members to identify suitable Scopus international journals and academic publishers such as Springer, Elsevier etc. to publish post conference proceedings.
- Dr. Salunke also enlightened all members about mandatory criteria's for organizing international conference and asked to enquire consent from renowned academicians and experts from industry for advisory panel, session chairs, reviewers etc.

Meeting ended with vote of thanks by Dr. Bhushan Chaudhari.

Action Taken Report

IQAC Meeting held on 7th June 2021

The action was taken by the Internal Quality Assurance Cell (IQAC) as suggested by the IQAC team and administrator (Secretary, Principal, and HODs) and the suggestion was implemented and appropriate action was taken as recommended meeting held on 7th June 2021.

Sr. No.	Agenda Item	Action Taken
1	Organize International conference.	Approved
2		The proceedings of the conference, including papers, abstracts, and presentations, have been compiled and are in the process of being published.
3		The conference facilitated numerous networking opportunities among attendees, leading to the initiation of several collaborative projects and research partnerships. We are actively supporting these collaborations and will monitor their progress
4		A comprehensive analysis of the feedback received from conference attendees has been carried out. Participants were encouraged to share their insights regarding the quality of sessions, relevance of topics, and overall organization. The feedback has been instrumental in identifying areas for improvement for future editions of the conference.
5		The international conference report is attached in the link given below.

Dr. Bhushan Chaudhari
IQAC Coordinator

Dr. Nilesh Salunke
Principal

Call for papers:

The conference will provide an opportunity for interactive discussion with experts on research in various specialized areas of Applied Sciences and Humanities with emphasis on emerging trends.

Original research papers on the conference themes and related fields are solicited from research scholars, academicians, and industry experts.

Journal Publications:

Select good quality papers will be published in copus Indexed Journal with applicable processing charges.

About the Conference

Department of Applied Sciences and Humanities, SVKM's Institute of Technology, Dhule, Maharashtra, India is organizing a Two-Day Virtual International Conference on "Multidisciplinary Research Aspects in Applied Sciences and Humanities" in December 23rd and 24th, 2021. The Conference looks for significant contributions to all major fields of multi-disciplines in theoretical and practical aspects. The aim of this conference is to provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of multidiscipline & its trends. The objective of the conference is to present the latest practices among the academicians as well as industries to meet and share the cutting edge development in the various dimensions.

Conference Themes but not limited to:

Chemistry: Synthetic Chemistry, Applied & General Chemistry, Polymer Chemistry, Material Chemistry, Analytical Chemistry, Catalysis.

Mathematics: Applied Mathematics, Pure Mathematics, Discrete Mathematics, Computational Mathematics, Mathematical Physics.

Physics: Applied Physics, Material Science, Solar energy, Catalysts for energy application & Sensor.

Communication: Culture, Communication and Employee Engagement, Communication and Corporate Social Responsibility (CSR), Communication and Social Media, Communication and Online Media Technology, Communication and Business Writing.

Review Process

All papers are subject to review and are expected to meet standards of academic excellence. All submitted papers will be reviewed by peer-reviewers.

Mode of Conference:

The conference will be conducted in Online mode.

About SVKM

Shri Vile Parle Kelavani Mandal is a Public Charitable Trust registered under the Society Registration and Bombay Public Trust Act. From its humble beginnings in 1934, when it took over the Rashtriya Shala, a school established in 1921 in the wake of the National Movement, the Mandal today has grown into a big educational complex imparting high-level education to more than 35,000 students.

After beginning its journey in the early 1930s SVKM has blossomed into an educational colossus that has attained national recognition in multiple streams of higher education. With a strong guiding philosophy of providing education to all levels of the student community along with creating a feeling of bonding and commitment amongst academic and non-academic employees, SVKM has mastered the art of being able to transform itself into a close knit family and at the same time help its students to attain all-round development, be employable and achieve success.

About SVKM's Institute of Technology, Dhule

SVKM's Dhule Campus is largely emerging as one of the biggest future hubs of technology and education. It has gained strategic advantage for being on the junction of three National Highways viz. NH-3, NH-6, and NH-211. Dhule is aiming to develop into an industrial town which may provide next generation technologies across infrastructure sectors. Our president has a dream to make Dhule city known for its quality educational institutes. SVKM has taken an initiative to develop state of the art engineering and pharmacy institute that will impart quality education in Dhule spread over 33 acres of serene campus on the outskirts of Dhule, it will house colleges of SVKM's Institute of Technology.

| 6. Mr. Mohemmed Junaiddudin | - | IQAC Member |

The following members were on leave of absence -

1. Dr. Tushar Shinde, IQAC Member

At the outset, Dr. Nilesh Salunke, Hon'ble Principal, welcomed the committee and chaired the meeting. Dr. Bhushan Chaudhari, IQAC Coordinator congratulated the committee members.

Dr. Nilesh Salunke stressed on the following points –

- The institute promotes outcome-based education by implementing "Project Based Learning," a significant component of engineering education.
- Through Project Based Learning, students demonstrate the real-time application and applicability of their ideas.
- The institute will use the creative strategy to incorporate all of its stakeholders in order to boost the student placement ratio.

The meeting ended with a question-answer session and a vote of thanks to the Chair.

Action Taken Report

IQAC Meeting held on 17th June 2021

The action taken by the Internal Quality Assurance Cell (IQAC) as suggested by the IQAC team and administrator (Secretary, Principal, and HODs) and the suggestion was implemented and appropriate action was taken as a recommended meeting held on 17th June 2021.

Sr. No.	Agenda Item	Action Taken
1	To approve the minutes of the 3 rd IQAC meeting held on 17 th June 2021.	Approved.
		As per discussion in the meeting institute has implemented Project Learning through the planning, organization, and participation in different competitions along with the conduction of various events. They include viz National, Science Day (NSD), Smart India Hackathon (SIH), Avishkar (University Level Project Competition), District Level Competitions, KPIT Sparkle, Unnat Bharat Abhiyan (UBA), Dipex etc.
		The institute has adopted this practice to ensure the highest placement of its students. It is transpired that to fortify the institute-industry tie-up, its stakeholders' association can extensively be used.
		Placement cells have a function to illuminate the job situation to uncover the right place where students fit in

Subject:	Approval of proposal of Research Promotion Policy for Promoting Research at SVKM's Institute of Technology, Dhule

Respected Sir,

SVKM's Institute of Technology, Dhule is established in 2017 and is affiliated to Dr. Babasaheb Ambedkar Technological University (DBATU), Lonere. Due to limited financial status of DBATU, funding for research promotion is not available to the institute.

With reference to above subject and as discussed with Respected Dr. M. N. Welling Sir, kindly consider proposal of implementation of research promotion policies, which are applicable to all other SVKM/NMIMS institutes in order to motivate research culture in our institute.

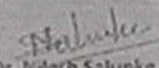

This research promotion policy consists of

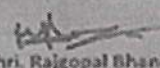

1. Research grant of up to Rs. 1 lakh as a seed grant.
2. Incentives for research output which consist of journal publication
3. Grant to file the patent & actively pursue it.

Hence, our institute is sincerely requesting to implement all research promotional policies, which are applicable to other institutes of SVKM/NMIMS. This initiative will boost research in our institute.

Enclosing research promotion policy for your detailed analysis.

Submitted for OB approval.
