**About BLI Consultancy Pvt. Ltd.**

BLI consultancy Pvt. Ltd is an organization working in patent promotion, drafting and filing of patent application along with providing support to inventors in various domains of patenting which includes conducting patentability searches, drafting, patent landscaping and technology mapping, FTO analysis, patent valuation and IP litigation. We offer a full range of patent services to help our clients protect the results of their vision and their creativity. Our firm has successfully handled various domestic and international filing and provides a complete legal and technical solution in this regard. Our Firm is also assisting and advising several domestic and International clients including more than 100 Corporations, research institutes and individuals which includes Maharashtra State Board of Technical Education, MSME, Automotive Research Association of India, MITCOE etc. about obtaining and enforcing intellectual property and caters their needs on various aspects of Intellectual property law.

As Colleges and research institutes have a huge potential of innovative activities carried under its roof. There is a need to create awareness in inventors about getting them protected by patenting so that their work and efforts can get a proper recognition as well as protection.

**About Shri Vile Parle Kelavani Mandal's Institute Of Technology:**

SVKM's Dhule campus Dhule is largely emerging as one of the biggest future hubs of technology and education. It has gained a strategic advantage for being on junction of three national highways viz. NH3, NH6 AND NH 211. Dhule is aiming to develop into an industrial town which may provide next generation technologies across infrastructure sectors. Our president has a dream to make Dhule city known for its quality education institutes. SVKM has taken an initiative to develop state of art engineering and pharmacy institute that will impart quality education in Dhule spread over 33 acres of land on the outskirts of Dhule, it will house colleges as SVKM's Institute of Technology.

**Vision:**

To prepare the students ready with socially sensitive engineering of excellence who will grow with the institute and add value to the nation.

**Mission:**

Strive to become one of the institutions to be globally recognized as a resource of excellence focusing on nurturing and developing the society.

In accordance with the vision and mission of the institute and in accordance with institute policy for promotion of innovation and protecting intellectual property generated by faculties and students, SVKM's IOT has decided to:

1. Establish a mechanism to identify, support faculties and students of the institute file and protect their intellectual property.
2. Provide technical, legal and financial assistance to students and faculties for protecting intellectual property as per IPR policy of the institute.
3. Appoint consultant for providing assistance to students and faculties of the institute for filing and prosecution of their patent applications.

**NOW THIS MOU WITNESSES AS UNDER:**
