**On 09 th September 2022**

**Aim: Conducting activity to keep river clean.**

**Organized by: Mr. Manoj Sonar. N.S.S. Coordinator # N.S.S. Dept. of Institute of Technology**

**Participants: N.S.S. Unite Students and faculty members of SVKM IOT, Dhule .**

**Activity Brief:**

The National Service Scheme of Dr. Babasaheb Ambedkar Technological University has been given many activities to conduct in the academic year; in this regard, on 9<sup>th</sup> Sep.2022 Our NSS Students organized the activity of “Eco Friendly Ganesh Visarjan & Nirmalaya Collection Campaign” at Panzara River side Dhule. Ganesha idols made of POP is the fact that POP does not degrade easily, leading to severe consequences like polluted water. The material also increases the acid content of water sources and can kill natural life in the water. Not only do they help keep the water pure and healthy but they also help keep common pests like mosquitoes at bay (fish found in lakes and ponds feed on mosquitoes keeping their numbers in check). For this, our students create awareness among the people to keep the river clean.

The N.S.S. Students collected the Ganesha idols from people and handover it to Municipal Corporation people of Dhule. Students also collect Nirmalaya from riverside and put into the vehicles of Municipal Corporation.

The Event conducted under the guidance of Hon. Principal Prof. (Dr) N. P. Salunke. Prof. Deepk Sing Baghel , Prof. Satish Patil, Prof. Ankush Mudholkar, Prof. Prashant Gawade and Prof. Sachin Kamble has given the Support for this program.
