7.3 Institute Distinctiveness:

Institute attempts to be distinctive, prioritizing its vision and mission in the below mentioned thrust-areas. It takes following initiatives to transform Teaching Learning into a fruitful process:

A) Student-centric Learning:

Institute effectively integrates student-centric learning incorporating technology to nurture their intellect and personality and to bridge gap between urban and rural making the best courses available to its students. It involves diverse teaching-learning andrologies to cater the needs of diverse learners though it is below mentioned initiatives:

- 1) **Technology-enhanced Learning:** The institute strongly advocates technology-enhanced learning; it actively inspires its stakeholders to enroll for MOOCs viz Coursera, SWAYAM, NPTEL Spoken Tutorial and other certification courses. Thus, it provides a global platform to strengthen technical competency of its stakeholders.
- 2) **Certification though SWAYAM & NPTEL:** Institute fosters an engaging and positive learning environment for learners so that maximum number of students is enrolled. It also provides department-wise mentor-faculty to ensure smooth certification.

- 3) **Certification though COURSERA:** Institute also advocates rigorous learning through COURSERA to supplement primary learning of its students. The apt, relevant courses are listed department-wise for certification considering need of students. The details of which are given hereafter:

The mentor-faculty also provides every needed assistance about registration, course schedule, fees, assignment schedule etc.

B) Institutional Infrastructural Distinctiveness:

It provides environmental comfort to transform academics into more intellectual and fruitful process to be an academically conducive environment for the smooth and effective conduction of Teaching–Learning Activities Owing to its infrastructure distinctiveness, academic enrichment, easy and direct access to technology; it has become a niche for the students, faculty and staff alike. The institute is distinct because of:

- 1) **Ultramodern Classrooms:** The institute has high-end classrooms with parliamentary seating arrangements so that the students can seat anywhere irrespective of their height. This arrangement provides better visibility to the students and faculty alike. Even, plugins are provided in every row so that students can easily use their laptops and get involved in academics smoothly.
- 2) **Air-conditioned Classroom:** The classrooms are spacious which have a free flow of air with full ventilation. Moreover, they are fitted with ACs to provide environmental comfort so that the students remain attentive for the daylong academics. However, the classes are not spared without common fans only.
- 3) **Noise-preventive Classrooms:** Every classroom has a noise-preventive mechanism, which has been added with sound magnification function that altogether enhances teaching-learning activities. Sound Magnification function indicates that when a faculty talks standing at the center of the wall; the voice of the faculty is magnified due to architectural arrangement of the class.
- 4) **Smart-Board Equipped Classrooms:** The institute has equipped every classroom and Labs with Smart-Boards. Because of Smart Board utilization, teaching and learning becomes more interactive, fun-oriented, retentive and fruitful. The complex engineering diagrams and mathematical problems can lucidly be explicated to the students. The accurate measurement of any tools can precisely be taken, and every available information can easily be shared with the students with one touch only.
- 5) **Sliding White-board Equipped Classrooms:** The classrooms are equipped along with Smart-Boards, Sliding White-boards that assist for explication if required any additional.

These Sliding-Boards are very crucial as they can be easily adjusted along with the height of the one who is using them. Therefore, writing or explaining cannot be a difficult task for a faculty/student with less height.

- 6) **Pure-cold RO Water:** The institute provides pure-cold RO water on all its floors with equal intensity. The students, faculty, staff and visitors can have 24/7 availability of pure-cold RO water to maintain their health.
- 7) **E-vehicles:** The institute provides an e-vehicle facility for the students, faculty, staff and visitors to ply from the main gate of campus to the institute. These vehicles are rechargeable battery operated. They altogether add to the environment's comfort and help to save time as the users reach on time and save their energy from tiring walks.
- 8) **Smoke detectors with Fire-alarm Mechanism:** The institute has installed Smoke detectors and Fire-alarm mechanisms across all the corners of the building, which are functioning and ready to use 24/7 for the safety of all its stakeholders. This mechanism also assists as a preventive mechanism that keeps all safe from any haphazard.
- 9) **Ultra-modern Photocopier:** The institute has installed at the library an ultra-modern all-in-one password-protected automatic photocopier to ease the scanning and photocopying process at marginal cost. Students, Faculty and staff use this facility.
- 10) **3D Printing:** The institute has 3-D printing which assists to execute the innovative crude design of its stakeholders. It helps to produce complex geometrical designs, which cannot be easily done with traditional manufacturing processes. The designs developed by students tested before actual fabrication, which reduces time and cost of re-fabrication. The stakeholders can fabricate their projects with this facility of 3D printing.
- 11) **MS Teams:** The institute has Office 365 Suite to smoothen the communication process. MS Teams of Office 365 Suite is being used as Virtual Platform for Learning and Content Management. The notes, PDFs, reference books, case studies, and explanatory videos are uploaded there, and students can have access from anywhere using the MS Teams mobile application. It is storied application wherein users have MS form and other plugins to use them on their needs.
- 12) **High Speed wi-fi:** The institute along with regular internet facility offers hi speed wi-fi on campus. The users are provided with their login credentials and using those login

credentials users can have easy, direct access to the globe. Users seated anywhere on the campus can use this facility.

- 13) E-library:** The institute provides the facility of e-library wherein the students, faculty and staff can have direct, easy access to academic, research and beyond academic content to nurture their intelligence. The library has subscriptions viz e-journals, e-books, springer, Science Direct, NDL, Pro-Quest, JESTOR, EBSCO. The library also provides QR Codes with the intention to provide direct and easy content to its users. The faculties and students both access the research data through the map my access portal of an organization.
- 14) Solar Electricity:** The institute has installed Solar Panels, which help to satisfy its need of electricity and reduces cost of operation for organization. Thus, the institute intends to be self-dependent about electricity generation and consumption. This initiative of the institute makes it environmentally friendly by reducing the carbon footprint and energy security for organization.
- 15) Faculty-Area:** The institute provides every faculty a spacious faculty area with individual cubicles, which are luxurious. Every faculty is provided with personal PC so that there should not be any hindrance in academics. Every faculty area is provided with an all-in-one photocopier for the ease of faculty, which definitely smoothens the work of academics.
- 16) Flipped Barrier:** The institute has Flipped Barrier entry to prevent unauthorized entry of outsider. This facility better safeguards the students, faculty, and staff, helping them for the smooth functioning of academics.

**Agreement between
SVKM's Institute of Technology, Dhule, Maharashtra
and
Spoken Tutorials (ST), IIT Bombay**

We are happy to announce the collaboration between SVKM's Institute of Technology, Dhule, Maharashtra and IIT Bombay Spoken Tutorial program. From the day of agreement SVKM's Institute of Technology, Dhule, Maharashtra will function as Spoken Tutorial IIT Bombay's Nodal Resource Centre (NRC) for Dhule Region. As an NRC SVKM's Institute of Technology, Dhule will nurture and spread awareness among the Colleges (the clusters) in Dhule and surrounding Districts. The entire program will be handled from Spoken Tutorial Team. The Spoken Tutorial activity is funded by the National Mission on Education through ICT, MHRD, Government of India, through the Talk to a Teacher Project at IIT Bombay. We support and motivate colleges to train students on Basic Computer Skills, Software and IT. The course and the training is offered for Rs. 25,000 per year to all the Colleges.

As a part of agreement,

SVKM's Institute of Technology will -

- Identify a Chief Coordinator and Faculty Co-ordinator department wise in your college who will actively work and coordinate with Spoken Tutorial team. IIT Bombay to roll-out and introduce the program in all departments.
- Set up a NRC team which will comprise of minimum 1 Faculty Organiser and 2 Student volunteers who facilitate the workshops in cluster colleges.
- Put up the signed agreement note on SVKM's Institute of Technology, Dhule website along with Spoken Tutorial site link and Maharashtra manager contact details.
- Ensure proper implementation of Spoken Tutorial training in cluster colleges by filling Form A and B, main CC will coordinate with all cluster colleges. This activity should be done a week before the semester starts and mention it in the department time-table.
- Incorporate the relevant Spoken Tutorial FOSS in the course curriculum of your Institution / Departments as credit courses. Especially the Scilab programming Lab, FOSS lab, Python programming courses, etc which are already in their syllabus - to be made as credit courses.
- Introduce LibreOffice Spoken Tutorial course to all non-Computer Science departments in cluster colleges.
- Hold a Faculty Awareness Event for all Cluster College Principals & Faculty representative. Nurture and guide them to introduce Spoken Tutorial activities with the help of 2 Student volunteers.
- Conduct Faculty Development Programs or orientation sessions for Faculty representatives from cluster Colleges atleast once in a semester.
- Issue periodic circulars / notification to cluster colleges. The cluster colleges has to submit a

Sub: DELNET Membership Renewal

Dear Dr. Patil,

We acknowledge with thanks the receipt of ₹ 13,570 (₹ Thirteen Thousand Five Hundred Seventy only) received through NEFT dated 14.02.2020 made towards the DELNET Annual Institutional Membership Fee for the period 20.03.2020 to 19.03.2021. The receipt no. 60113 dated 18.02.2020 is enclosed for the office records.

You are requested to access DELNET databases through the World Wide Web using the following procedure:

Web Address: <http://www.delnet.in>

Click onto "New Discovery Portal". Since the IP address provided by you is not static (broadband), you are requested to use following login & password to access the new discovery portal of DELNET.

Login : mhsvkmit
Password : svkm6827

Kindly note your Inter Library Loan (ILL for Books) Password is "mhsvkmitlib" to be used while registering a request. You are also welcome to send us the bibliographical references at sangs@delnet.ren.nic.in, sangskaul2003@yahoo.co.in for the resources needed by you. We will try our best to locate these resources. Also, a complete user manual on how to access DELNET online databases is available at the Discovery Portal.

I would like to mention that DELNET provides access to more than three crore catalogue records of books, journals, articles, etc. through Discovery Portal and also more than one crore full-text e-books, e-journals & e-articles through Knowledge Gainer Portal. DELNET also provides Delplus software free of charge for library automation purpose. DELNET Guest House facility at New Delhi can also be availed by member-libraries on payment basis.

I am enclosing a poster on DELNET and a Certificate of Membership. Please kindly let us know if you wish to get any books on ILL or the journal articles.

With kind regards,

Yours sincerely,

**Agreement between
SVKM's Institute of Technology, Dhule, Maharashtra
and
Spoken Tutorials (ST), IIT Bombay**

We are happy to announce the collaboration between SVKM's Institute of Technology, Dhule, Maharashtra and IIT Bombay Spoken Tutorial program. From the day of agreement SVKM's Institute of Technology, Dhule, Maharashtra will function as Spoken Tutorial IIT Bombay's Nodal Resource Centre (NRC) for Dhule Region. As an NRC SVKM's Institute of Technology, Dhule will nurture and spread awareness among the Colleges (the clusters) in Dhule and surrounding Districts. The entire program will be handled from Spoken Tutorial Team. The Spoken Tutorial activity is funded by the National Mission on Education through ICT, MHRD, Government of India, through the Talk to a Teacher Project at IIT Bombay. We support and motivate colleges to train students on Basic Computer Skills, Software and IT. The course and the training is offered for Rs. 25,000 per year to all the Colleges.

As a part of agreement,

SVKM's Institute of Technology will -

- Identify a Chief Coordinator and Faculty Co-ordinator department wise in your college who will actively work and coordinate with Spoken Tutorial team, IIT Bombay to roll-out and introduce the program in all departments.
- Set up a NRC team which will comprise of minimum 1 Faculty Organiser and 2 Student volunteers who facilitate the workshops in cluster colleges.
- Put up the signed agreement note on SVKM's Institute of Technology, Dhule website along with Spoken Tutorial site link and Maharashtra manager contact details.
- Ensure proper implementation of Spoken Tutorial training in cluster colleges by filling Form A and B, main CC will coordinate with all cluster colleges. This activity should be done a week before the semester starts and mention it in the department time-table.
- Incorporate the relevant Spoken Tutorial FOSS in the course curriculum of your Institution / Departments as credit courses. Especially the Scilab programming Lab, FOSS lab, Python programming courses, etc which are already in their syllabus - to be made as credit courses.
- Introduce LibreOffice Spoken Tutorial course to all non-Computer Science departments in cluster colleges.
- Hold a Faculty Awareness Event for all Cluster College Principals & Faculty representative. Nurture and guide them to introduce Spoken Tutorial activities with the help of 2 Student volunteers.
- Conduct Faculty Development Programs or orientation sessions for Faculty representatives from cluster Colleges atleast once in a semester.
- Issue periodic circulars / notification to cluster colleges. The cluster colleges has to submit a monthly status report to the Chief Coordinator on the progress made and the status report will be shared with us at the end of each semester.

As a Partner, the Spoken Tutorial Program, IIT Bombay will –

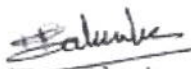

- Work as a mentor for SVKM's Institute of Technology, Dhule, Maharashtra.
- Provide the know - how and course content which includes CDs/ DVDs, online material, instruction sheets and other training documents to SVKM's Institute of Technology, Dhule.
- Provide certificates.
- Provide the promotional materials like posters, brochures, leaflets, banners etc., to the Centre, SVKM's Institute of Technology, Dhule, Maharashtra and the colleges.

- Students can use the spoken tutorial programmes for GATE and Higher Studies preparation and hence they are encouraged to enrol for courses for which they need deep conceptual understanding.

3. Evidence of Success

Attempts are made to promulgate practical learning to strengthen technical skills of the students. Therefore, institute has signed MoUs with Spoken Tutorial IIT-B. Following pie chart shows the increasing student participation for last three years.

This initiative of the institute not only provides opportunities to participate and receive certificates but also improves and enhances knowledge for a competitive career. Piyush Sonar and Shubham Kasture, two students of IT department have participated in various spoken tutorial certifications and have benefited from their placement interviews. Both students were awarded with '**Outstanding achiever and an Exceptional Alumni of Spoken Tutorial, IIT Bombay on 04 March 2023**'.
