

SVKM'S INSTITUTE OF TECHNOLOGY, DHULE

REPORT ON EXPERT LECTURE BY

SIEMENS & CAD-CAM GALAXY TEAM

NAME OF EXPERT : SIEMENS & CAD-CAM-GALAXY, MUMBAI

TOPIC : CAD/CAM/CNC/CAE

DATE : 25th July. 2019

The expert lecture covered the following points:

- Introduction to CAD/CAM/CAE & CNC.
- Various CAD/CAM Softwares available in the market and their applications & importance mainly for mechanical engineers.
- Different types of CNC Machines available in the market and their usage in the industries.
- Integration of CAD/CAM softwares with the CNC Machines.
- Production of various parts with the CNC Machines whose models are generated using the CAD/CAM Softwares.
- **SIEMENS CENTRE OF EXCELLENCE** proposal for SVKM'S IOT STUDENTS
