## **Webinar highlights**

For this webinar, as a guest speaker we have invited Er. Sangram Limaye, MD of startup “Sangramsiddhi” Pvt. Ltd., Dhule, MH, established on 29<sup>th</sup> May 2020. This startup firm produces protective equipment’s for medical faculty. They manufacture medical appliances & instruments, appliances for measuring, checking, testing, navigating and other purposes except optical instruments. Also with above startup, this guest speaker also have his own two more well-established startups namely, “Siddhi Industries” a furniture manufacturing company and another one is “Creative Interior” an interior designing company, all are started in district Dhule, MH only.

Webinar was hosted by Dr. Manoj R. Sonawane and technically handled by Prof. Sachin D. Nerkar, IIC Ambassador, SVKM’s IOT. Webinar started by Dr. Sonawane with welcome of all the participants and guest speaker, followed by introducing and establishment of IIC in institute. After that he gave brief introduction of guest speaker.

After introduction speaker presented his thoughts and share his experiences, which he got while establishing and running his startups. The guest talk recorded for more than 55 min, followed by 15 min question answer session.

For this webinar, we received total 154 registrations count in which 18 students and 26 faculty members, total 44 registered participants were joined this event. At the end of the webinar, feedback link was shared to participants and their received responses have been attached below in chart format.

Towards the end of the webinar, First Year coordinator Dr. Tushar Shinde presented vote of thanks, and officially declared the successful completion of the webinar.

## **Benefits from the Webinar**

Speaker nicely explained about, what does it means of setting up the own startups. He also explained the problems and challenges, which appears while actually running the startups. Participants got the useful tips about how to think for expansion and updation of own startup. Speaker share very good tips about maintaining quality and managing cost efficiency as well as handling and organizing the manpower and available resources to grow the startup. Overall webinar was informative and realistic from real-time example of Er. Sangram Limaye.

## **Acknowledgement**
