Webinar Objectives:-

This webinar was planned for First Year students, in order to get them general introductory information about government sectors competitive examination and the other educational and technical requirements of such examinations. The main objective of this webinar was to create positive thought process in our students mind about these examination, which can result in their successful carrier option.

Webinar Conducted by:-

SVKM's Institute of Technology's Department of Applied Science and Humanities conducted online webinar for First Year B. tech students on the topic **“Opportunities through Public Service Commission for Science and Technology Students”** on 9th April 2021 at 3:00 pm to 4:00 pm, using MSTeam application.

The screenshot shows a Microsoft Teams meeting window. The title bar reads "Opportunities through public service commissions for science and technology students". The main content area displays a slide with the following text:

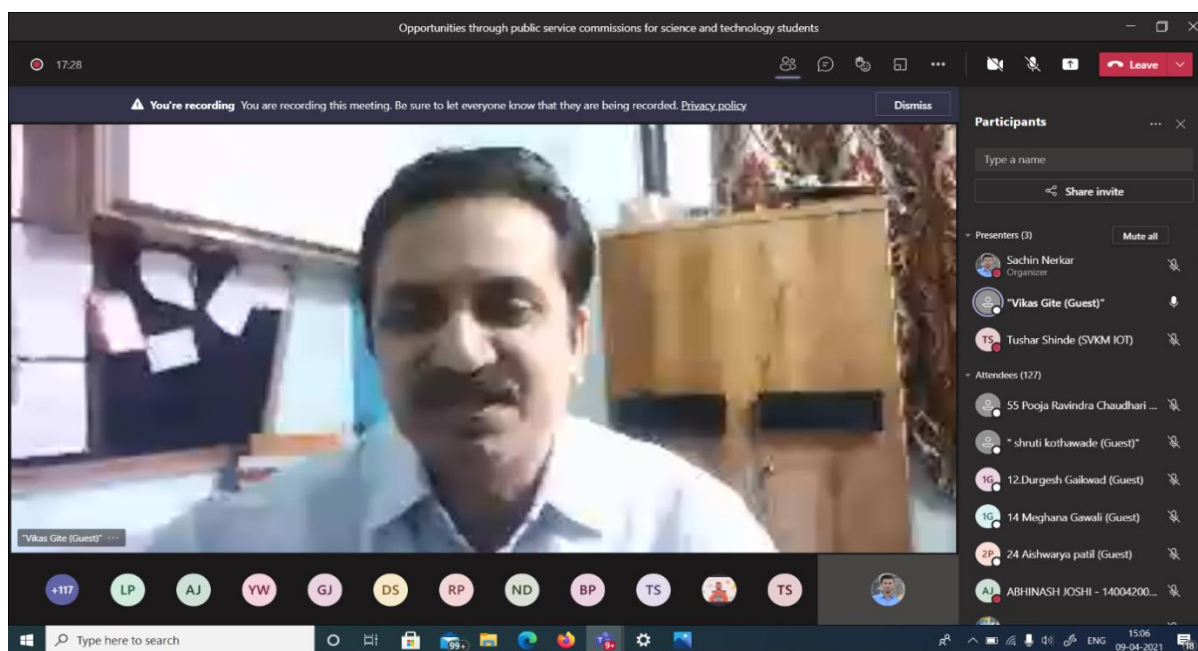

Opportunities Through Public Service Commissions for Science and Technology Students

Dr. Vikas V Gite,
Assistant Professor,
School of Chemical Sciences,
Kavayitri Bahinabai Chaudhari North Maharashtra
University, Jalgaon-425 001, MS, India

The slide also features a graphic with a globe, a wind turbine, and a water drop. The Teams interface includes a top bar with recording status, a right-hand panel with a list of participants (Presenters and Attendees), and a bottom bar with user avatars and system icons.

Resource Person:-

For this webinar, we have invited Dr. Vikas Gite, Head of the Polymer Chemistry Department at Kavayitri Bahinabai Chaudhari North Maharashtra University (KBCNMU), Jalgaon, as a guest speaker.

Webinar Highlights:-

This webinar was arranged as well as hosted by Dr. Tushar Shinde, First Year coordinator, and technical support was handled by Prof. Sachin Nerkar. Total duration of this webinar was one hr., and after that 15 min. time for question-answer session. The webinar was started with participants welcome and introduction of resource person by Dr. Shinde. After that guest speaker delivered his talk to the students.

In his talk Dr. Gite give overall and complete information about competitive examination like MPSC, UPSC, etc of government sector. In the introductory section first he pick the doubts and confusions which generally comes in students mind about this examination, and then clearly step by step explanation and general understanding about them.

General understanding about public service commissions

- For administrative posts
 - Like IAS, IPS, Class-I & II administrative posts
 - Educational requirement- any graduate
 - Difficult to crack
 - Requires strong GK
 - Goes through number of steps
 - Necessary to join classes or academies

This webinar was online attended by more than 145 participants, in that almost 140 was the students count and remaining 6 were faculties. Dr. Gite explain the importance of these examination, there preparation, how and where the advertisement about such examinations get published. He even shown the advertisement format as an example.

Finally, while concluding his talk he shared some of his experiences, as well as gave some important and useful tips for our students who want to choose their carries through such examinations.

The screenshot shows a Zoom meeting window with a slide titled "Union Public Service Commission". The slide content is as follows:

Union Public Service Commission

- The **Union Public Service Commission**, commonly abbreviated as **UPSC**, is [India's](#) premier central recruiting agency for [public servants](#).
- It is responsible for appointments to and examinations for [All India services](#) and **Group A & Group B** posts under [civil services](#) cadre and [defence services](#) cadre of [central government](#).

The meeting interface shows a recording notice, a participants list on the right, and a bottom toolbar with various icons. The system tray at the bottom indicates the time is 15:39 on 09-04-2021.

The screenshot shows a Zoom meeting window with a slide titled "Why to prepare for these examinations?" and "How to prepare for these examinations?". The slide content is as follows:

Why to prepare for these examinations?

- Status
- Chance to give service to people

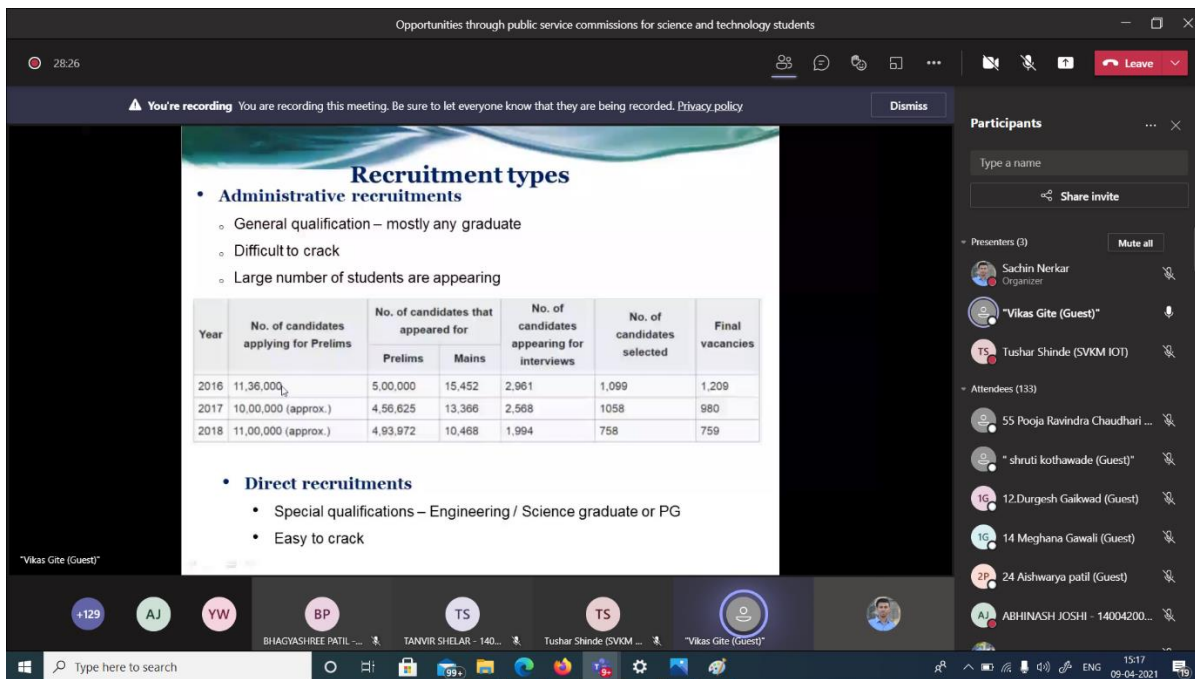

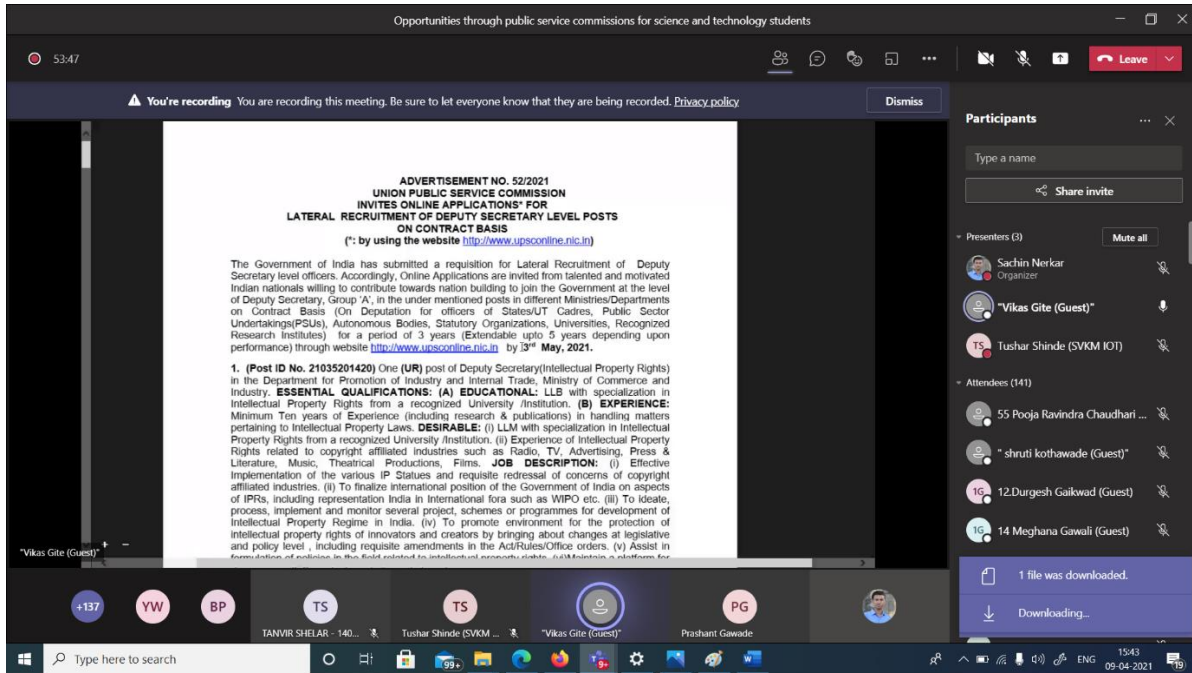

How to prepare for these examinations?

- Step- 1 Screening Examination –
 - ↳ Technical,
 - Syllabus,
 - Level
- Step- 2 Interview
 - General knowledge
 - Technical skills

The meeting interface shows a recording notice, a participants list on the right, and a bottom toolbar with various icons. The system tray at the bottom indicates the time is 15:51 on 09-04-2021.

At the end of the webinar, vote of thanks was presented by Prof. Chandu Koli, he expressed his thanks towards Institute management and principal, towards guest speaker, all teaching faculties, and at the end towards all first year students for the success of the webinar.

My experience

- Appeared three times for interview
- **1. Assistant Chemical Analyser (Gazetted Group B)**
 - Process – Written exam + Interview
- **2. Assistant Professor -1**
- **3. Assistant Professor -2**
 - Process – Scale up of experience/qualification + interview
- It is difficult for experience people to enter into the services.
- Lengthy procedure takes 2-3 years

Conclusions

- ❖ Indian students have a lot of competition.
- ❖ Industry is main job offering sector than Govt. jobs.
- ❖ Govt. jobs are with lot of stability.
- ❖ Govt. jobs bring prestige.
- ❖ Students of science and engineering should simultaneously look for public service commission jobs along with other opportunities.
