acm Chapter

MARCH 27, 2021

Event:

On March 27, SVKM IOT ACM Student Chapter organized a virtual LinkedIn Workshop. This workshop was presented by the Secretary, Meghal Jambhale. She was accompanied by organizing team members: Chair-Dhaval Doshi, Vice chair-Mansi Kulkarni, and Poster editor-Vivek Pawar. The workshop was conducted on the MS Teams platform starting at 3 pm up to 4 pm. The main objective of this workshop was to introduce the students to the LinkedIn platform. Meghal Jambhale gave a live demo about the profile creation and explained different features of LinkedIn. A great response was received from the students, approximately 50 students participated in the workshop. We thank principal Dr. Nilesh Salunke and Head of Department Prof. Khalid Alfatmi for allowing us to conduct the workshop. It was a successful workshop.

Aim: To enhance professional skill development.

Objective: Writing efficient emails develop our roots in professionalism, and we can guide our clients effectively. Good writing skills communicate intelligence, professionalism, and competency.

Name of Program: Email Writing Competition.

Event Date: 08th April 2021

Organized by: SVKMIOT ACM Student Chapter.

Participants: All students of SVKMIOT.

Outcomes:

- Participants learned to practice professional email writing and its tactics.
- The main objective of this event was to prepare students for the professional world.
- Communicating by email is almost instantaneous, which enhances communications by quickly disseminating information and providing fast response to customer inquiries.
- It allows quick problem-solving processes and delivered extremely fast.

Activity Brief:

The event was conducted on the MS Teams platform starting at 3 pm up to 5 pm. It began with a welcome speech given by Miss. Shraddha Changune and followed by Prof. Vijayalaxmi Bittal introducing the rules of competition. After guiding the students, the respective coordinators sent the topics, and the contest started. All the participants emailed their samples to the judges. The judges were Prof. Khalid Alfatmi and Prof. Vijayalaxmi Bittal.

A great response was received from the students. The event was sanctioned by management and Principal Dr. Nilesh Salunke and was successfully conducted under the guidance of Department Head Prof. Khalid Alfatmi and teaching faculty Prof. Vijayalaxmi Bittal. It was a successful event. On 10th April the results were declared:

1. First Prize Winner: Mitali Chaudhari (S.Y.Computer)

2. Second Prize Winner: Yash Sonawne (S.Y.Computer)

3. Third Prize Winner: Gunjan More (F.Y.IT)
