For the students of first year B. Tech Courses

of the academic year 2021-22

Activity Report of Five Day Student Induction Program 2021

Aim: To conduct the Student Induction Program as per guidelines provided by DBATU and AICTE, Delhi

Objective: To introduce the students about rules and regulations of institute and to make them more familiar about institute.

Name of Program: Student Induction Program 2021-22

Organized by: Coordinator- Dr. Tushar Shinde

Co-coordinator- Mr. Sachin Nerkar

Participants: All first year students and faculties from first year department

Report on Student Induction Program SIP- 2021

Transition from school to university/college life is one of the most challenging events in a student's life. When new students enter an institution, they come with diverse thoughts, background and preparations. They come into a new unfamiliar environment and many of them have little knowledge of a university/college. An Important task is to welcome new students to Higher education and prepare them for their new role; before regular classes start. Therefore, the department of Applied Science and Humanities, SVKM's Institute of Technology, Dhule organized Online Student Induction Program (SIP-2021)

Student Induction Program -2021-22 was conducted from 22nd to 28th of December 2021 under the guidance of Dr. Nilesh Salunke, Principal and Coordinated by Dr. Tushar Shinde, First Year HOD. A Visit to Matoshri Old Age Home

Organized By

Department of Applied Sciences and Humanities

On 31st December, 2021

Time: 02.00 PM – 5:00 PM

SVKM's Institute of Technology, Dhule M.S

**Shri Vile Parle Kelavani Mandal's Institute of Technology,
Dhule, Maharashtra, India**

Aim: To help the Senior citizens in all the possible ways the students could.

Objective: To provide a platform for an interactive discussion with Senior citizens.

Participants: Faculty/students/ from the Dept., of Applied Sciences and Humanities

Faculty of Applied Science & Humanities and 250 First Year students of SVKM's Institute of Technology, Dhule went for a visit to Matoshri, an Old Age Home located on the outskirts of Dhule City in Maharashtra on Friday, December 31, 2021.

The enthusiastic and determined students reached the old age home within half an hour from the college campus. They took charge of all the responsibilities of the organization for the rest of the day. All the candidates greeted the residents and took utmost care of them.

Dr. Tushar Shinde, HOD along with faculty and the FY Students enquired from the senior citizens about their wellbeing. Fruits and Tea were served by the students. The old residents expressed their gratitude towards the candidates.

Addressing the Senior Citizens, Dr. Shinde said that the plight of living in an old age home where you are forced to adjust and reside with unknown people is quite challenging. On the other hand the Chairman of the Matosri, an Old Age home said that with the passage of time, every member of this organization lives happily and peacefully with a sense of unity among themselves.

Faculty members Dr. Manoj Sonawane, Dr. Rajiv P. Junne, Dr. Sambaji Rao, Mr. Chandu Koli, Mr. Sachin Nerkar, Mr. Lahu Aware and Mr. Prashanth Gawade and Manoj Sonar, Physical Director were present.

Event Details

SVKM's Institute of Technology have established Institute Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, MHRD, Govt. of India. Under this council, all departments are conducting series of programs including IIC Calendar Activities as well as Self Driven Activities. SVKM's IOT IIC established on 11-09-2020. Department of Information Technology conducted one-hour Webinar on 25 January 2022 at 2:00 pm with one Self Driven Activity, "Expert talk on Entrepreneurship".

For this webinar, as a guest speaker we have invited **Dr. Bhushan S. Chaudhari, HOD Department of Information technology (IT) SVKM's IOT Dhule.** Webinar was hosted by Dr. Tushar Shinde and technically handled by **Dr. Shakeel Raheman.** IIC member SVKM's IOT. Webinar started by Dr. Tushar Shinde with welcome of all the participants and guest speaker, lastly session was ended with question answer session and vote of thanks proposed by Dr. Shakeelur Raheman. In this session, Dr. Bhushan S Chaudhari has shared his experiences and the important steps and websites for filing the patent application. He explained the IPR which is nothing but the creation of mind such as invention, industrial design. He also explained the about the patent, trademark, copy right trade secret which comes under the IPR. Further continuing in the depth of IPR he explained the laws for intellectual property protection like copyright act 1987, trade mark act 1976 patent act 1983, Industrial design act 1996. He also discusses about the protection of trade mark, protection of industrial design as well. The Main focus of the talk was to make students aware about the opportunities. Overall, students were very impressed from this expert lecture and they became aware about fundamentals of IPR. Lastly session was ended with question answer session and vote of thanks. The guest talk recorded for more than 55 min, followed by 15 min question answer session. For this webinar, we received total 40 registrations count in which 22 students and 05

faculty members, total 38 registered participants were joined this event.

Events of the Competition: -

“Quiz, Poster, Model and Elocution Competition”

Objectives of the Event: -

This event was planned by First Year Students Association (FEAS) for First Year students, in order to get them overall idea about the importance of **“Marathi Basha Diwas and National Science Day.”** The main aim of this event was to bring the young talent on the common platform to showcase their knowledge, creative and communication skills and inculcate the competitive spirit among the students. The competition was open for all the engineering graduates who were enrolled in SVKM’s Institute of Technology, Dhule.

Aim of the various events: -

The main aim of these competitions was to bring the young talent on the common platform to showcase their innovative, communication skills and create a competitive spirit among the students.

All these competitions play an important role in the formation, articulation and pronunciation of speech, evaluating the knowledge of the participants within academics as well as beyond academics. The aim of poster making competition was to bring out the creative expression of students and to gauge their knowledge and awareness of latest development in the field of Science & Technology.

this competition helps students to exhibit their oratory skills. This also helps students to develop confidence and self-expression.
