Activity Brief:

The Microsoft Students Club of information technology department organized a one day technical workshop in the field of cloud computing particularly on Microsoft Azure. Mr. Mustafa Saifee (TY B Tech[IT]) worked as resource person for this workshop. He is a Microsoft student partner since last 6 years and Gold Microsoft partner too.

The workshop started at 9:30 a.m. The agenda of the workshop was explained in the first half hour. The students were made aware about the facilities and benefits they will be receiving from Microsoft while attending this workshop. Cloud is one of the most expensive services in today's Information Technology field.

Mr. Mustafa Saifee arranged Microsoft licenses for access to the Microsoft Azure cloud these licenses facilitate infinite possibilities to apply one's knowledge and their projects on Cloud. Mr Mustafa Saifee being a gold Microsoft Student Partner had the privilege to bring these licenses free of cost for the student of SVKM's Institute of Technology. At the end of the workshop the students prepared a resume that they will be needing for their final semester interview process. Resume was made using HTML and CSS and it was deployed on Azure and the code was hosted on GitHub. Now the students

have a live link on which their resume is hosted to be seen by potential employers in the respective field. The workshop was a great success and the students enjoyed it.
