AY 2020-2021
(ODD Semester)

Sr. No.	Activity Name	Activity Type (Workshop/ Conference/ Webinar etc.)	Start & End DD / MM / YY	Page Number
1.	Three Days online workshop on competitive programming	Workshop	19/09/2020 to 21/09/2020	2-5
2.	Three day workshop on KERAS using PYTHON	Workshop	06/11/2020 to 08/11/2020	6-8
3.	Awareness Seminar on Intellectual Property Rights	Seminar	16/09/2020	9-12
4.	Expert talk on "Preparing for GATE 2021"	Expert Talk	08/10/2020	13-16
5.	Expert talk on "Report writing using Latex"	Expert Talk	13/10/2020	17-20
6.	Expert talk on "Career Opportunities in Software Testing and Quality Assurance"	Expert Talk	19/10/2020	21-26
7.	Conference on National Education Policy 2020	Conference	21/01/2021	27-30

Activity Report

3–Days Online Workshop on Competitive Programming

Aim: To spread the awareness about Competitive programming platform among students.

Objective: The Objectives of this workshop is to motivate the students to gain practical knowledge of Competitive programming platform and apply same in coding round of any company's placements.

Name of Program: 3-Days online workshop on competitive programming (19th Sept. 2020 - 21th Sept. 2020)

Organized by: Dr. Bhushan Chaudhari

Faculty Members: Nitin Kawde, Sagar Badjate, Rubi Mandal, Raj Yadav.

Participants: B.Tech and TY Students of SVKM IOT, Dhule

Outcomes:

Participants learned:

- Basics of Competitive Programming Platform like HackerRank, HackerEarth, CodeChef, TopCoder, CoderByte.
- Real time Problem statements from Competitive Programming Platform.
- Advanced applications of Data Structures, Algorithm and C language.
- Understand basics of computational complexity analysis.
- Understand to choose best algorithm for problem statements.
- Understand the basics of game theory, number theory, graph theory, bit manipulation, greedymethod, dynamic programming, computational complexity theory, Searching and sorting.

Resource Person:

Mr. Sunil Sitaram Shelke

- MSc(Engg.) Research (Computer Sci. and Engg) Dept. of Computer Science & Automation, IISc Bangalore
- Worked as assistant professor at COEP Pune, VJTI Mumbai, PICT Pune.
- Worked as software engineer at Patni Mumbai.
- Exam: GATE 2007, Paper: Computer Science, AIR: 392
- Exam: JEST 2016, Paper: Theoretical Computer Science, AIR: 06
- Exam: JEST 2017, Paper: Theoretical Computer Science, AIR: 23
- Exam: JEST 2018, Paper: Theoretical Computer Science, AIR: 45

Activity Brief:

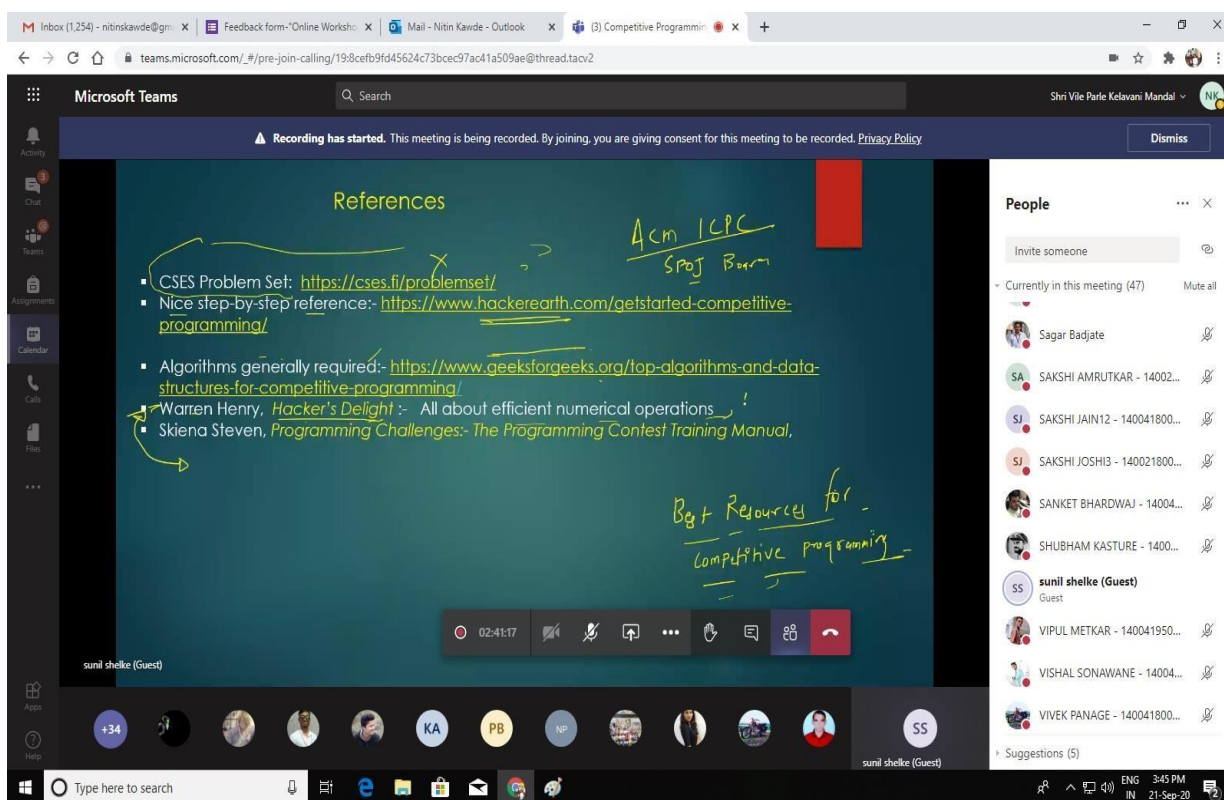

The workshop was organized on 19th Sept. 2020 at 1 pm, on Microsoft Teams online platform. Session started with welcome speech of Prof. Rubi Mandal.

Dr. Bhushan Chaudhari enlightened the students with importance Competitive programming. The expert Mr. Sunil Shelke covered technical aspects such as what Competitive Programming, game theory, number theory, graph theory, bit manipulation, dynamic programming, computational complexity theory.

He explains Advanced applications of Data Structures, Algorithm and C language in detail and gives the importance of basics of computational complexity analysis with hands on session and vote of thanks proposed by Prof. Sagar Badjate. Total 130 participants have attended this session. This activity was coordinated by prof. Nitin Kawde.

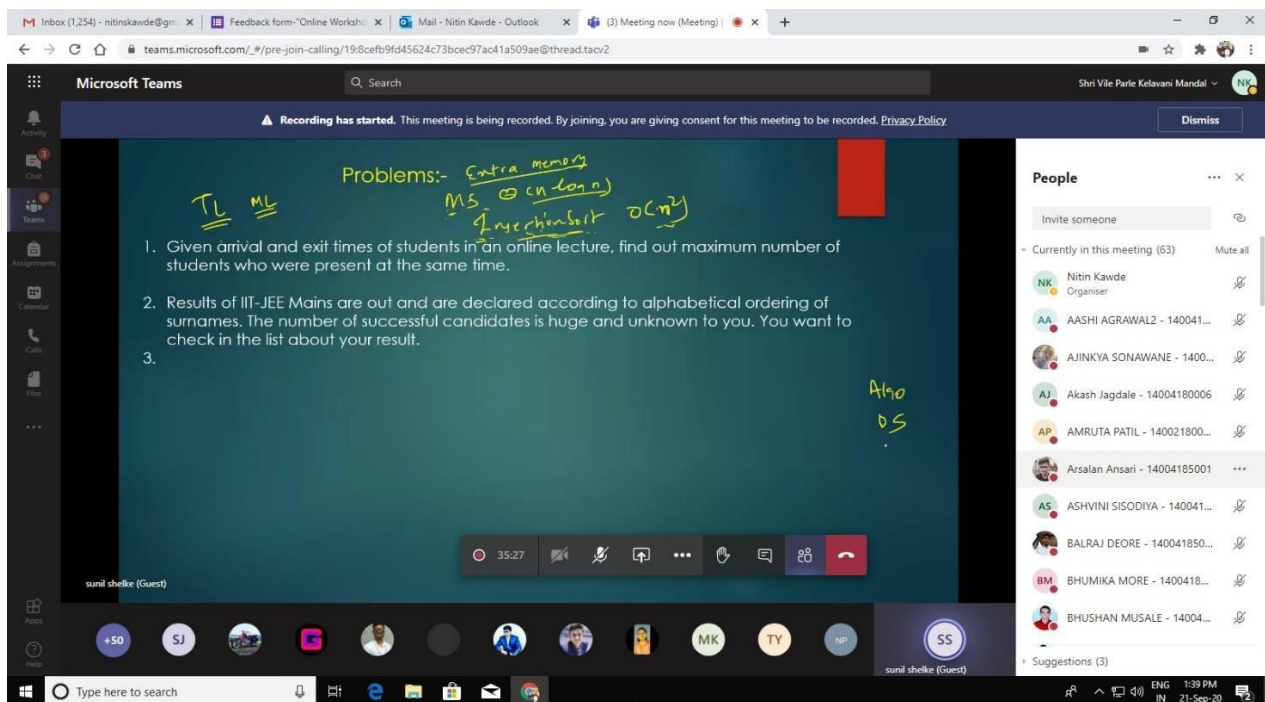

Glimpses of the Event:

Inauguration ceremony of seminar

The screenshot shows a Microsoft Teams meeting interface. The main content is a slide titled "References" with a dark blue background and yellow text. The slide lists several references for competitive programming, including CSES Problem Set, a Hackerearth guide, a GeeksforGeeks article on algorithms, Warren Henry's "Hacker's Delight", and Skiena's "Programming Challenges". Handwritten notes in yellow and white ink are present on the slide, including "Acm ICPC SPOJ Bourn" and "Best Resources for Competitive programming". The Teams interface shows a recording notification at the top, a "People" list on the right with 47 participants, and a bottom toolbar with various meeting controls. The Windows taskbar is visible at the bottom of the screen.

Seminar delivered by Mr. Sunil Shelke

List of Participants

Sr.No	Name of Participants	Sr.No	Name of Participants	Sr.No	Name of Participants
1	Khairnar Vivek Arvind	37	Patil Mayuri Mahesh	74	Patil Chetan Bharat
2	Pawar Kalyani Narendra	38	Patil Nilima Manoj	75	Patil Dhananjay Kishor
2	Musale Bhushan Deelip	39	Patil Ruchika Shantaram	76	Patil Vishal Bhatu
3	Shenage Satyam Prashant	40	Pawar Dhanashri Sunil	77	Shaikh Mohammad Amaan Firoz Shaikh
4	Punjabi Chandan Dinesh	41	Pinjari Riyana Shabbir	78	Shubham Ravindra Tamkhane
5	Gogiya Satish Sunil	42	Pisal Neha Sanjay	79	Sonar Piyush Ashok
6	Deore Balraj Prataprao	43	Rohira Harsha Manojkumar	80	Sonawane Ajinkya Ramdas
7	Sharma Shivani Diwakar	44	Sharma Pooja Vijay	81	Sonawane Vishal Sudhir
8	Suryawanshi Divya Madhukar	45	Sisodiya Ashvini Narendrasing	82	Thakare Mayur Rajesh
9	Bhardwaj Sanket Sudhir	46	Suryawanshi Neha Rajendra	83	Gurav Megha Mukesh

Expert Talk on Preparing Keras library in python

Aim: To spread the awareness about Keras library in the field of Data Science

Objective: To guide students regarding how use Keras library in python

Name of Program: Three-day workshop on Keras using Python (6/11/2020 to 8/11/2020)

Organized by: Prof. Rajkumar Yadav

Faculty Members: Dr. Bhushan Chaudhari, Sagar Badjate, Rubi Mandal, Nitin Kawde.

Participants: Students & faculties of SVKM IOT, Dhule

Outcomes: Participants learned:

1. To Gather Data
2. To Choose a Model
3. To Prepare Your Data
4. To Build, Train, and Evaluate Your Model
5. To Tune Hyper parameters
6. To Deploy Your Model

Resource Person:

Mr. Pranav Nerurkar

- Assistant Professor at MPSTE, Mumbai
- Research Assistant at IMT Atlantique France.

Activity Brief:

The event was organized on 6th Nov. 2020 to 8th Nov. 2020 at 11:30 am to 1:00 pm on Microsoft Teams online platform. Session started with welcome speech of Prof. Rajkumar Yadav. Head of the department Dr. Bhushan Chaudhari enlightened the students and faculties with importance of Data Science. The expert Prof. Pranav Nerurkar covered all aspects such as importance of Keras library in Data science project, Data collection, model selection; model deployment etc. lastly session was ended with question answer session and vote of thanks proposed by Prof. Nitin Kawde. Total 75 participants have attended this session.

Awareness seminar on Intellectual Property Rights

Aim: To spread the awareness about Intellectual Property Rights among students and faculties.

Objective: To motivate the students and faculties to gain knowledge of IPR and apply same for patents.

Name of Program: Awareness seminar on Intellectual Property Rights (16th Sept. 2020)

Organized by: Dr. Bhushan Chaudhari

Faculty Members: Sagar Badjate, Rubi Mandal, Nitin Kawde, Raj Yadav.

Participants: Students & faculties of SVKM IOT, Dhule

Outcomes: Participants learned:

- Basics of Intellectual Property Rights.
- Copyright, trademark concepts.
- Application process of patent filing,

Resource Person:

Adv. Swapnil Gawande

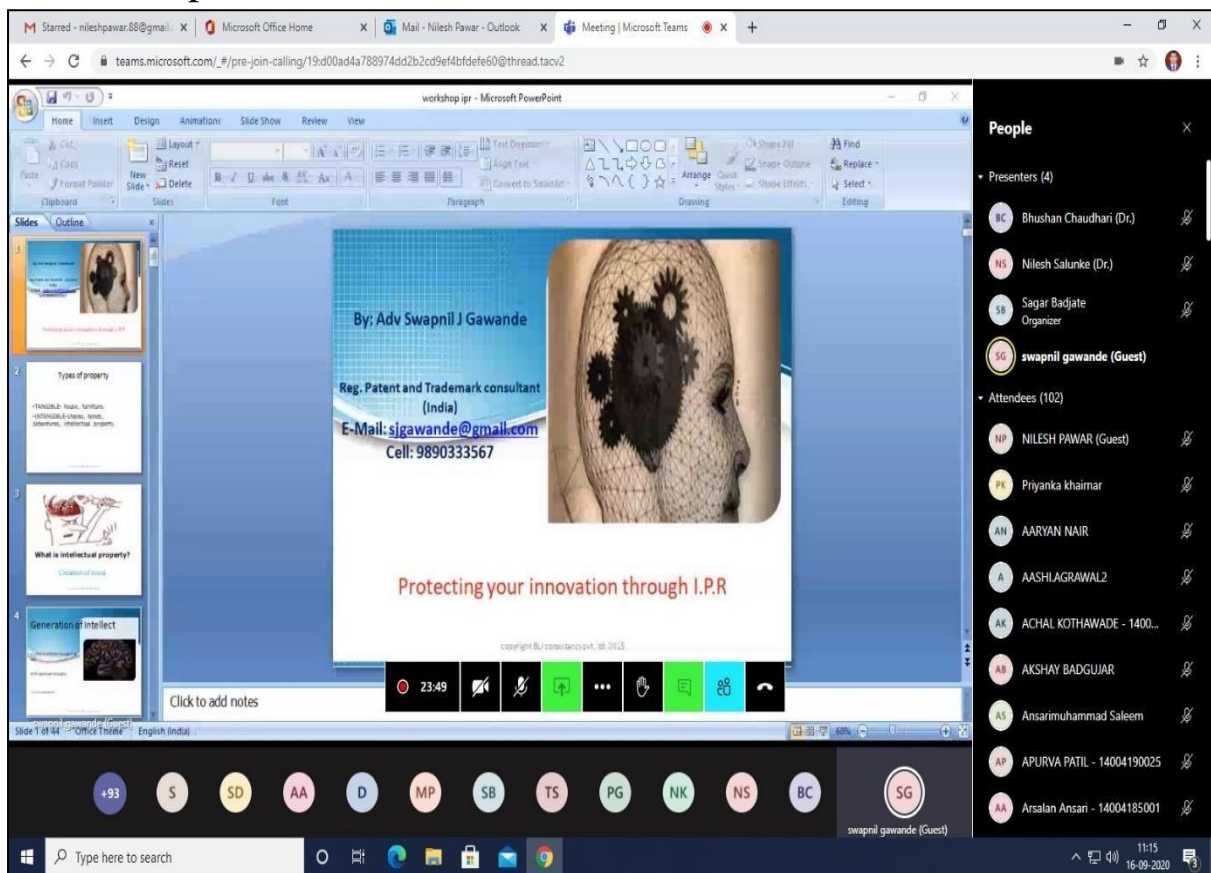

- Director: BLI consultancy Pvt. Ltd, Former Adjunct Professor at IBSS Rajendra Gode Engineering College.
- Registered patent and trademark consultant.
- Certified QMS Lead auditor (B.I.S).
- Working as a patent and trademark consultant for more than 100 educational and industrial organizations.
- Empanelled Patent consultant for Sant Gadge baba Amravati University, Gondwana University, Galgotia University, JRN Rajasthan Vidyapeeth.
- Empanelled trainer and conducting workshops on intellectual property rights for various educational institutes and government and private organizations including MCED, MSME.

Activity Brief:

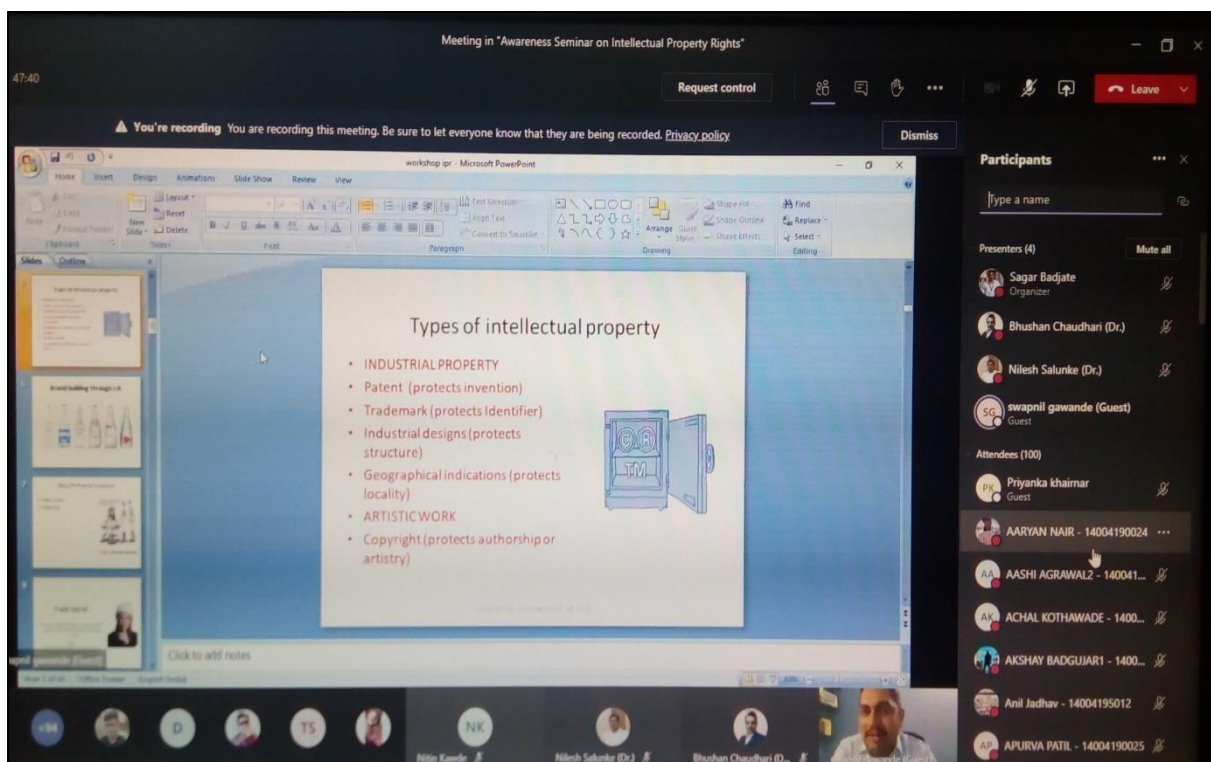

The event was organized on 16th Sept. 2020 at 11 am on Microsoft Teams online platform. Session started with welcome speech of Head of the department Dr. Bhushan Chaudhari. Principal Dr. Nilesh Salunke enlightened the students and faculties with importance IPR. The expert Adv. Swapnil Gawande covered technical aspects such as what IPR, the things which are patentable and non-patentable, IPR filling process, international patent process etc.

lastly session was ended with question answer session and vote of thanks proposed by Prof. Sagar Badjate. Total 108 participants have attended this session.

Glimpses of the Event:

Inauguration ceremony of seminar

Seminar delivered by Adv. Swapnil Gawande

The screenshot shows a Microsoft Teams meeting in progress. The main window displays a PowerPoint slide titled "Brand building through I.P." with a blue background. The slide features six bottles of Evian water, each with a unique label design: a plain white label, a blue label with "evian" in white, a white label with a colorful pattern, a white label with a pink flower, a white label with a pink heart, and a white label with a red heart. The slide is part of a presentation titled "workshop ipr - Microsoft PowerPoint". The right-hand side of the screen shows a "People" panel with a list of participants, including presenters and attendees. The bottom of the screen shows the Windows taskbar with the search bar and system tray.

Seminar delivered by Adv. Swapnil Gawande

The screenshot shows the same Microsoft Teams meeting, but now displaying a "THANK YOU" slide. The slide features the Business Logic International (BLI) logo, which includes a globe and the text "Business Logic International" and "BLI". Below the logo, it says "Monetizing your IP". The main text on the slide reads "THANK YOU" in large blue letters. Below that, the contact information for Adv. Swapnil Gawande is listed: "Adv. Swapnil Gawande", "Cell: 9890333567", "E-Mail: sgjawande@gmail.com", and "visit us at: www.bliconsultancy.co.in". The slide also includes a small copyright notice: "copyright BLI consultancy Pvt. Ltd. 2018". The "People" panel on the right shows a list of participants, and the bottom of the screen shows the Windows taskbar.

End of session

Expert Talk on Preparing GATE 2021

Aim: To spread the awareness about GATE 2021

Objective: To guide students regarding how to ace in GATE 2021 Examination

Name of Program: Preparing for GATE 2021

Event Date: 8th Oct. 2020

Convener: Dr. Bhushan Chaudhari

Session Moderator: Nitin Kawde, Raj Yadav

Organizing Team: Rubi Mandal, Sagar Badjate.

Participants: Students & faculties of SVKM IOT, Dhule

Outcomes: Participants learned:

- Importance of GATE in PSUs & higher studies.
- CS/IT GATE syllabus analysis & criteria.
- Important Subject & Subject wise analysis.
- Marking scheme & Exam Pattern.

Resource Person:

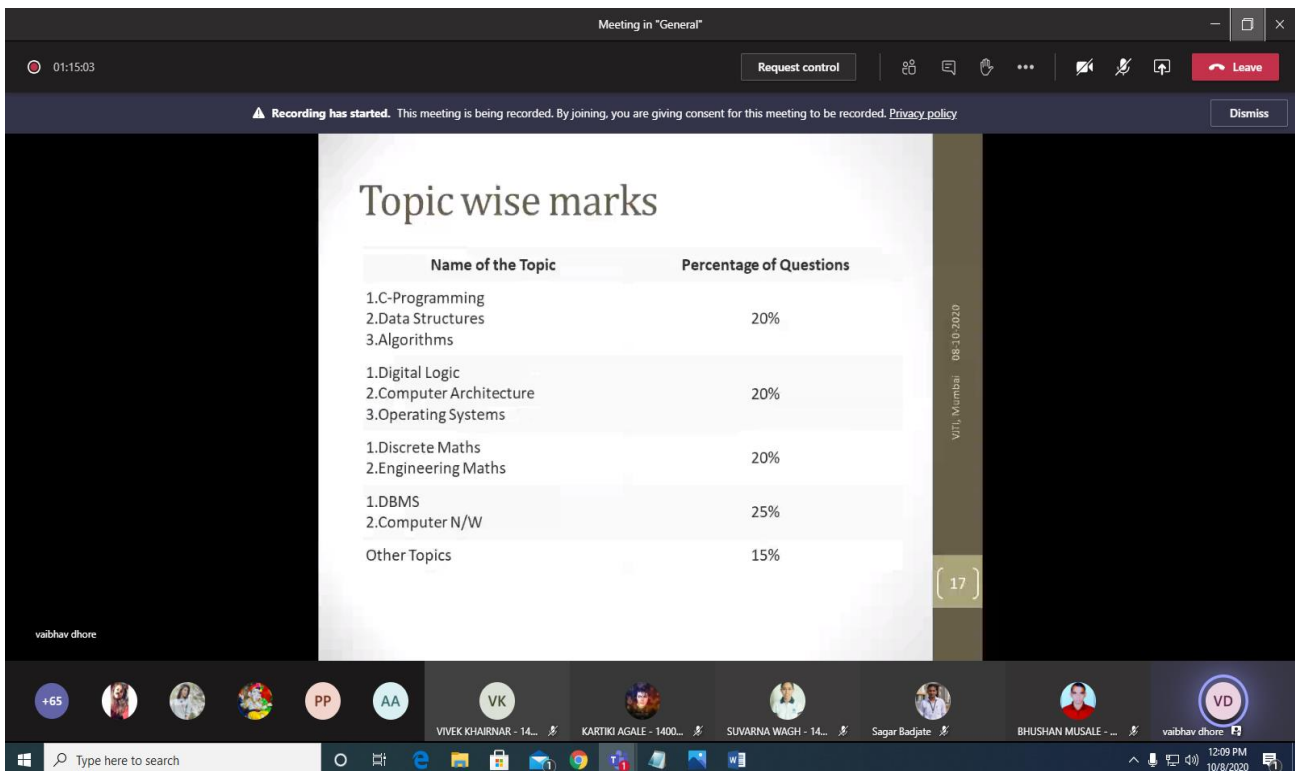

Prof. Vaibhav Dhore

- Assistant Professor at VJTI, Mumbai
- Seven time gate Rank Holder.

Activity Brief:

The event was organized on 8th Oct. 2020 at 11:30 am on Microsoft Teams online platform. Session started with welcome speech of Prof. Rajkumar Yadav. Head of the department Dr. Bhushan Chaudhari enlightened the students and faculties with importance of GATE. The expert Prof. Vaibhav Dhore covered all aspects such as importance of gate in different PSUs & higher studies, syllabus & marking scheme analysis, subject wise subject club for better understanding, different source of information from their student can start preparation etc. lastly session was ended with question answer session and vote of thanks proposed by Prof. Ruby Mandal. Total 74 participants have attended this session.

Expert talk on Report Writing Using Latex

Aim: To use LaTeX for report writing for project and seminars.

Objective: To motivate the students to use LaTeX for report writing.

Name of Program: Expert talk on Report Writing Using Latex

Event Date: 13th Oct. 2020

Convener: Dr. Bhushan Chaudhari

Session Moderator: Sagar Badjate

Organizing Team: Rubi Mandal, Nitin Kawde, Raj Yadav.

Participants: SY, TY and B.Tech Students

Outcomes: Participants learned:

- Typeset mathematical formulae using LaTeX.
- Use the preamble of LaTeX file to define document class and layout options.
- Use nested list and enumerate environments within a document.
- Use tabular and array environments within LaTeX document.
- Use various methods to either create or import graphics into a LaTeX document.
- Use the beamer package to create presentations.
- Define and use new commands within LaTeX.
- Use Theorem, Corollary, and other environments.
- Use BibTeX to maintain bibliographic information and to generate a bibliography for a particular document.

Resource Person:

Dr. Nitin More

Assistant Professor

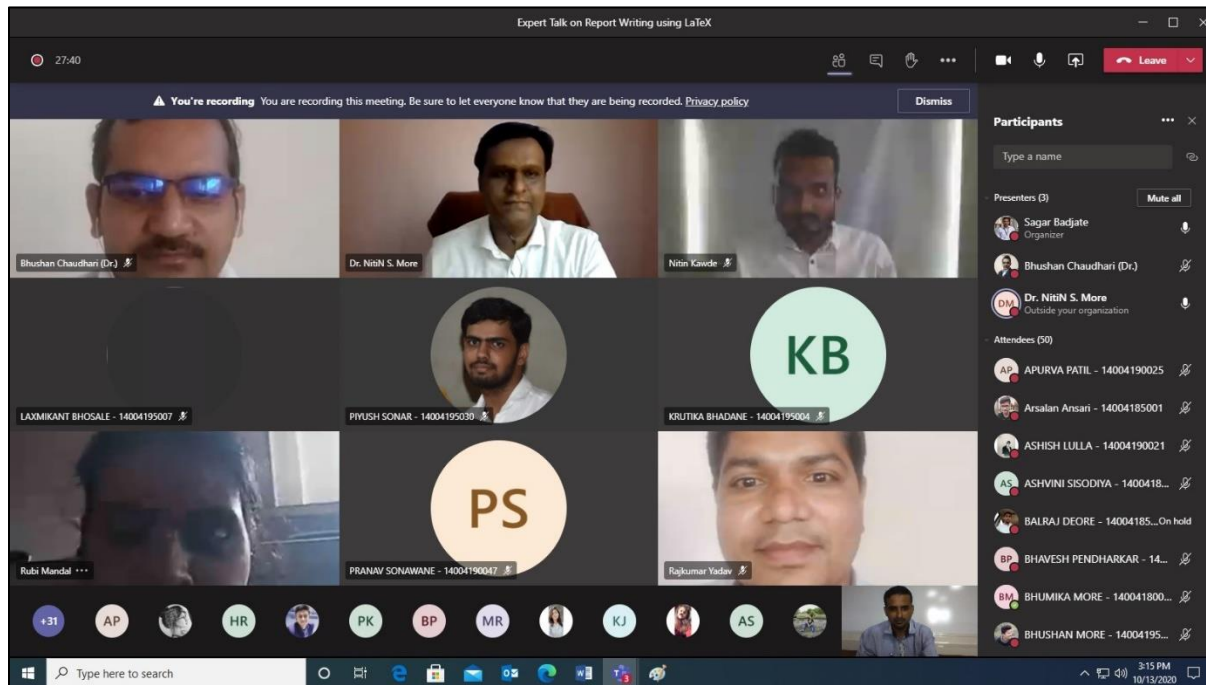

Kashibai Navale College of Engineering, Pune

Activity Brief:

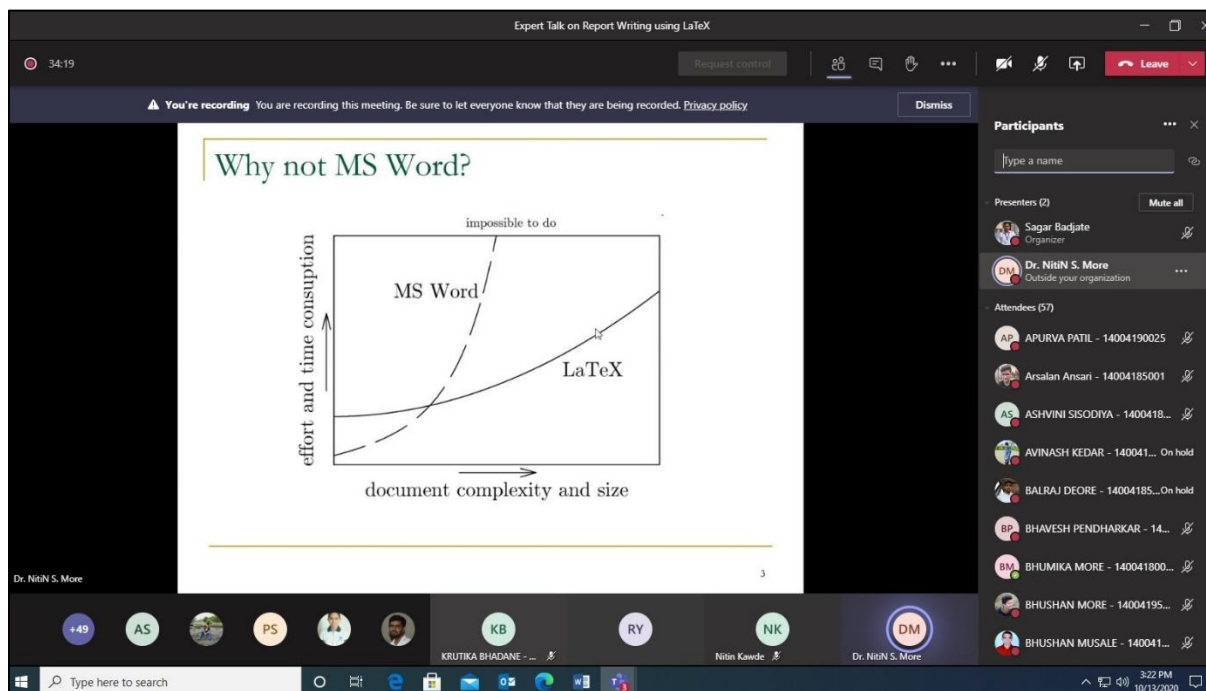

The event was organized on 13 Oct. 2020 at 3pm on Microsoft Teams online platform. Session started with welcome speech by Sagar Badjate. Head of Department Dr. Bhushan Chaudhari enlightened the student's importance report writing using latex. The expert Dr. Nitin More covered template creation of project report and seminar report. He also covered different technical aspects such as mathematical formula addition, use of MikText and BibText package of Latex, preamble of latex to define document and layout option; also, he added table creation and

setting of alignments in document. lastly session was ended with question answer session and vote of thanks proposed by Prof. Sagar Badjate. Total 50 participants have attended this session.

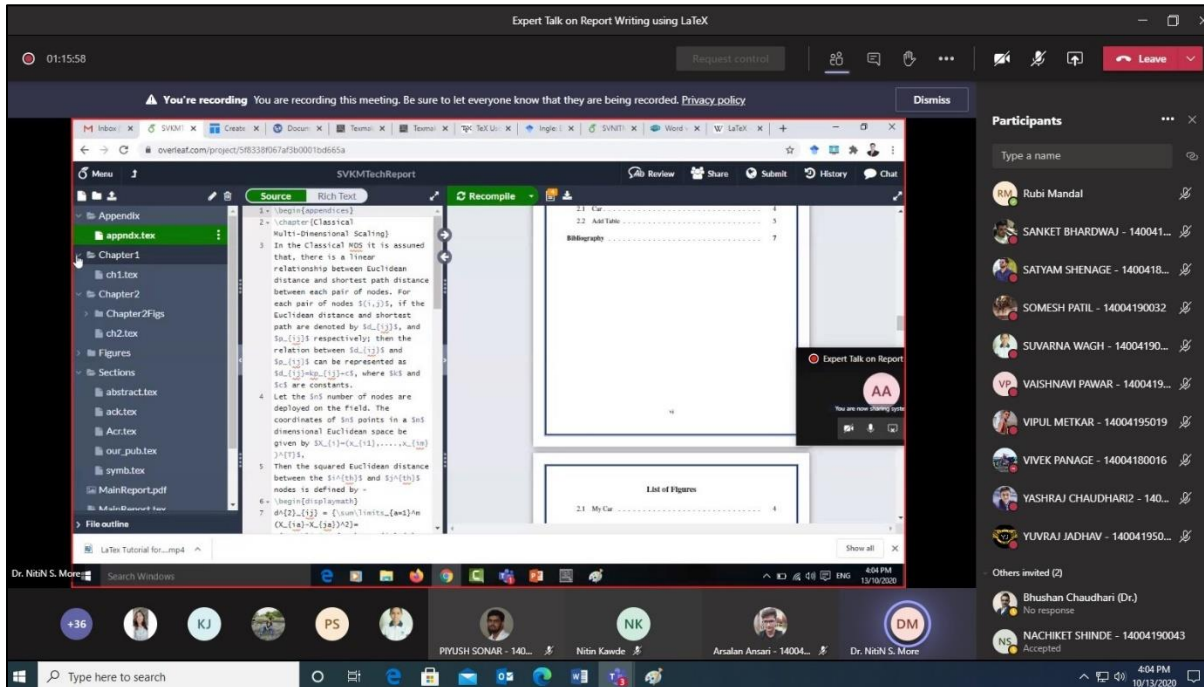

Glimpses of the Event:

Expert talk on Career Opportunities in Software Testing and Quality Assurance

Aim: To explore career opportunities in software testing and quality assurance.

Objective: To learn planning of a test project, designing test cases and test data, and generating a test report and managing software quality assurance processes and procedures.

Name of Program: Expert talk on Career Opportunities in Software Testing and Quality Assurance

Event Date: 19th Oct. 2020

Session Moderator: Ms. Rubi Mandal

Convener: Dr. Bhushan Chaudhari

Organizing Members: Sagar Badjate, Nitin Kawde, Raj Yadav.

Participants: SY, TY and B.Tech IT Students

Outcomes: Participants learned:

- To apply software testing knowledge and its processes to software applications.
- To identify various software testing job opportunities.
- To solve software testing problems by designing.
- To select software test models, criteria, strategies and methods.
- To apply the techniques learned to improve the quality of software development.
- To prepare a software quality plan for a software project.

Resource Person:

Rohan Trevor Pereira

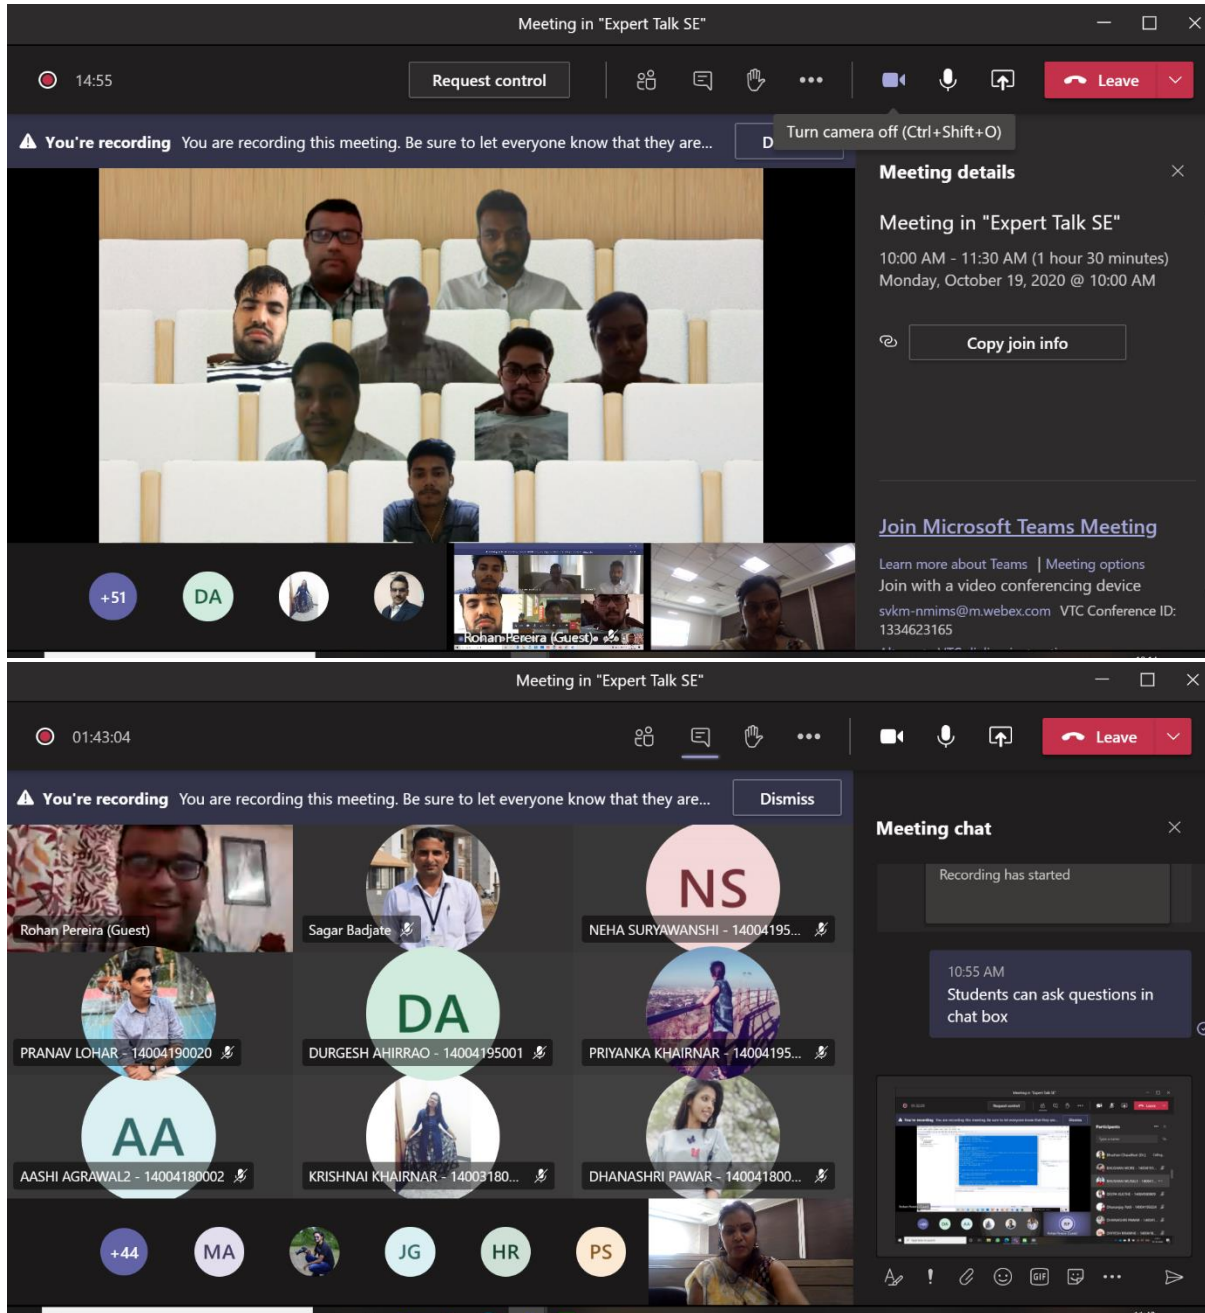

Technical Lead in Quality Assurance & Testing

Bank of New York Mellon Technology

Activity Brief:

The event was organized on 19 Oct. 2020 at 10am on Microsoft Teams online platform. Session started with welcome speech by Head of Department Dr. Bhushan Chaudhari. He enlightened the importance of career opportunities in software testing and quality assurance. The expert Rohan Trevor Pereira covered firstly software testing and its needs. There after he focused on types and levels of testing with its importance in industry. He discussed STLC cycles and explained basic testing artifacts. Thereafter had a hand on session on test case writing from a requirement document. Jira project and test management tool and creation of defects, bugs and task were also covered. Thereafter he discussed international certifications related to testing. Overview and importance of automation with few tools and sample automation demo was done.

Test Best Friend – Defects/ Bugs

Critical • The defects that need to be fixed **immediately** because it may cause great damage to the product

High • The defect impacts the product's **main** features

Medium • The defect causes **minimal** deviation from product requirement

Low • The defect has **very minor** affect product operation

- A Software **DEFECT / BUG / FAULT** is a condition in a software product which does not meet a software requirement
- A defect can have different severity and priority

Conference on National Education Policy 2020

Aim: To explore national educational policy 2020.

Objective: To educate national educational policy 2020 to teaching, non-teaching staff and stakeholders of SVKM IOT.

Name of Program: Conference on National Education Policy 2020 (17th Oct. 2020)

Organized by: Dr. Bhushan Chaudhari (IQAC Cell, SVKM IOT, Dhule)

Committee Members: Dr. Vishal Moyal, Dr. Shrikant Randhavane, Dr. Manoj Sonawane, Prof. Mohammed Juneduddin

Participants: teaching, non-teaching staff and stakeholders of SVKM IOT.

Outcomes: Participants understand:

- Insights of national education policy for higher education.
- Multidisciplinary approach of education.
- Learning environment for students and staff.
- Reforming of vocational courses.
- Quality Academic Research in all fields.
- Regulatory System of Higher Education.
- Higher education commission of india.

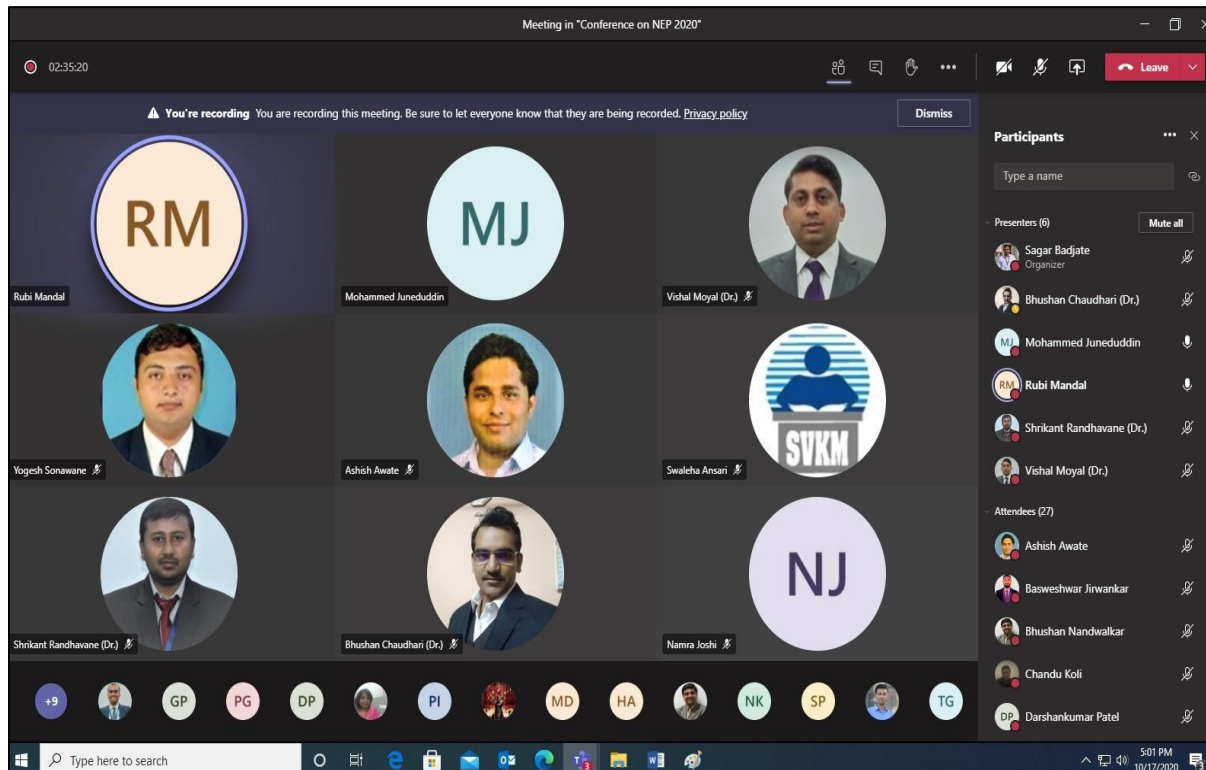

Resource Person:

Dr. Bhushan Chaudhari, Dr. Vishal Moyal, Dr. Shrikant Randhavane, Dr. Manoj Sonawane, Prof. Mohammed Juneduddin

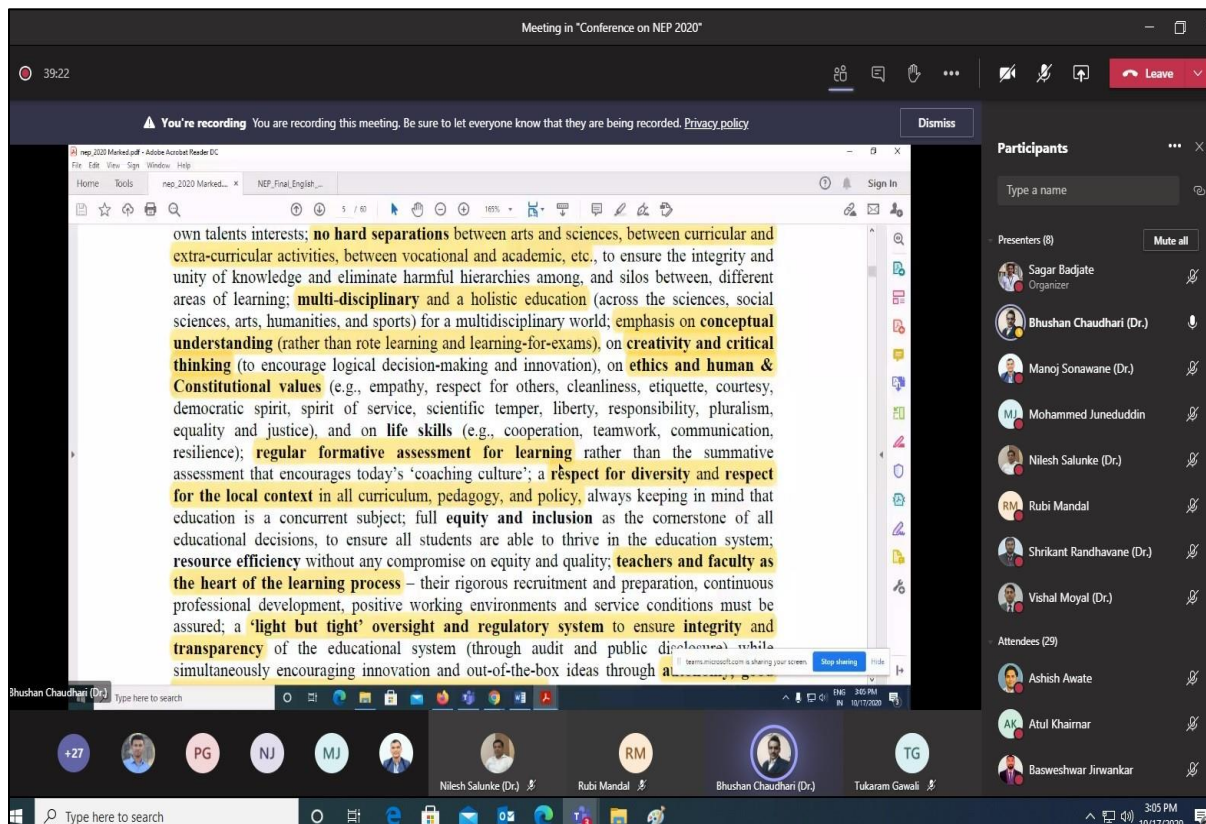

Activity Brief:

The event was organized on 17th Oct. 2020 at 2:30pm on Microsoft Teams online platform. Session started with welcome speech by Ms. Ruby Mandal. Principal Dr. Nilesh Salunke enlighten all the participants about new challenges in higher education NEP 2020. Dr. Bhushan Chaudhari covered insights of Chapter no. 9, 10, & 11 of NEP. He focused on Quality Universities and Colleges, Institutional Restructuring and Consolidation and Multidisciplinary Education of NEP. Dr. Manoj Sonawane covered chapter no 12 & 13, he focused on Optimal Learning Environments & Support for Students and Motivated, Energized and Capable Faculty points of NEP. Dr. Vishal Moyal covered chapter no. 14, 15 & 16. He focused points of Equity and Inclusion in Higher Education, Teacher Education, Re-imagining Vocational Education of NEP. Dr. Shrikant Randhavane covered chapter no. 17 & 18. He focused on Catalyzing Quality Academic Research in all Fields through a New National Research Foundation and Transforming the Regulatory System of Higher Education points of NEP. Lastly, Prof. Mohammed Juneduddin covered chapter no. 19 Effective Governance and Leadership for Higher Education Institutions points of NEP-2020. Vote of thanks proposed by Prof. Sagar Badjate. Total 36 participants have attended the session.

Student Participation

12.9. Students are the prime stakeholders in the education system. Vibrant campus life is essential for high-quality teaching-learning process. Towards this end, students would be involved in activity clubs sports, culture/arts clubs, activity clubs, community service etc. In every educational institution, there shall be counselling systems for handling stress and emotional adjustments. Further, a systematised arrangement should be created to provide the requisite support to the students from the rural backgrounds of villages and small towns, including increasing hostel facilities as per requirement. All HEI's will ensure qualitative medical facility for all students in their institutions. Students will be involved in decision-making bodies, committees, and processes of the institution – systems and mechanisms will be set up towards this end. The goal will be to enhance the educational experiences of students as well as provide a method for HEIs to be more responsive to feedback and needs of students.

Financial support for students

12.10. Financial assistance to students who need such financial support shall be made available. No student will be deprived of higher education because of financial inability. The National Scholarship Portal will be expanded to ensure that all students who require financial support to attend a public HEI will receive it, covering stipends, boarding, and lodging, and not just waivers of tuition fees. Private HEIs will offer scholarships ranging from 100% to 25% for at least half of their students.

globally including India has indeed been the existence of strong self-governance and outstanding merit-based appointments of institutional leaders.

19.2. Through a suitable system of graded accreditation and graded autonomy, and in a phased manner over a period of 15 years, all HEIs in India will aim to become independent self-governing institutions pursuing innovation and excellence. Measures will be taken at all HEIs to ensure leadership of the highest quality and promote an institutional culture of excellence. Upon receiving the appropriate graded accreditations that deem the institution ready for such a move, a Board of Governors (BoG) shall be established consisting of a group of highly qualified, competent, and dedicated individuals having proven capabilities and a strong sense of commitment to the institution. The BoG of an institution will be empowered to govern the institution free of any external interference, make all appointments including that of head of the institution, and take all decisions regarding governance. There shall be overarching legislation that will supersede any contravening provisions of other earlier legislation and would provide for constitution, appointment, modalities of functioning, rules and regulations, and the roles and responsibilities of the BoG. New members of the Board shall be identified by an expert committee appointed by the Board; and the selection of new members shall be carried out by the BoG itself. Equity considerations will also be taken care of while selecting the members. It is envisaged that all HEIs will be incentivized, supported, and mentored during this process, and shall aim to become autonomous and have such an empowered BoG by 2035.

19.3. The BoG shall be responsible and accountable to the stakeholders through transparent self-disclosures of all relevant records. It will be responsible for meeting all regulatory guidelines mandated by HECI through the National Higher Education Regulatory Council (NHERC).
