Using MS Teams

6th September, 2021

Details of the Event

Teachers' Day Celebrations 2021

On the occasion of Teacher's day, an online event was organized by the Applied Science and Humanities department. The event was hosted on MS Teams Platform. The purpose of the event was to inspire the FY B. Tech students.

Aim of the Program Workshop

The main aim of this event webinar was to bring all the teachers and the students on one single platform and inculcate moral and ethical values by remembering our teachers by paying our respect to our former President of India Late Shri. Sarvepalli Radha Krishnan

Objectives of Event

This event was planned for First Year students, so that students will understand the relationship between the teacher and the student. The main aim of this program was to understand and strengthen the unique bonding between the teachers and the students

Workshop Organised by

SVKM's Institute of Technology's Department of Applied Science and Humanities organised this online Event for First Year B. tech students entitled "Teachers' Day Celebration" on 6th September, 2021, at 1:30 pm using MS Team application.

SESSION COORDINATORS

Prof. Rajiv Junne

&

Dr. Sambaji Rao

Program Highlights

Dr. Tushar Shinde, Head of the Department First Year, delivered welcome speech on this event and Dr. Sambaji Rao anchored the event. Addressing the gathering, Dr. Shinde highlighted the significant role of teacher in the relationship between teacher and student. He has remembered the role played by teachers in shaping the professional and personal life. Sir has given a meaningful message to our students on the strong bonding between the teachers and the students in one's life.
