Student Participation

12.9. Students are the prime stakeholders in the education system. Vibrant campus life is essential for high-quality teaching-learning process. Towards this end, students would be involved in activity clubs, sports, cultural/arts clubs, activity clubs, community service etc. In every educational institution, there shall be counselling systems for handling stress and emotional adjustments. Further, a systemised arrangement should be created to provide the requisite support to the students from the rural backgrounds of villages and small towns, including increasing hostel facilities as per requirement. All HEIs will ensure qualitative medical facility for all students in their institutions. Students will be involved in decision-making bodies, committees, and processes of the institution – systems and mechanisms will be set up towards this end. The goal will be to enhance the educational experiences of students as well as provide a method for HEIs to be more responsive to feedback and needs of students.

Financial support for students

12.10. Financial assistance to students who need such financial support shall be made available. No student will be deprived of higher education because of financial inability. The National Scholarship Portal will be expanded to ensure that all students who require financial support to attend a public HEI will receive it, covering stipends, boarding, and lodging, and not just waivers of tuition fees. Private HEIs will offer scholarships ranging from 100% to 25% for at least half of their students.

globally including India has indeed been the existence of strong self-governance and outstanding merit-based appointments of institutional leaders.

19.2. Through a suitable system of graded accreditation and graded autonomy, and in a phased manner over a period of 15 years, all HEIs in India will aim to become independent self-governing institutions pursuing innovation and excellence. Measures will be taken at all HEIs to ensure leadership of the highest quality and promote an institutional culture of excellence. Upon receiving the appropriate graded accreditations that deem the institution ready for such a move, a Board of Governors (BoG) shall be established consisting of a group of highly qualified, competent, and dedicated individuals having proven capabilities and a strong sense of commitment to the institution. The BoG of an institution will be empowered to govern the institution free of any external interference, make all appointments including that of head of the institution, and take all decisions regarding governance. There shall be overarching legislation that will supersede any contravening provisions of other earlier legislation and would provide for constitution, appointment, modalities of functioning, rules and regulations, and the roles and responsibilities of the BoG. New members of the Board shall be identified by an expert committee appointed by the Board, and the selection of new members shall be carried out by the BoG itself. Equity considerations will also be taken care of while selecting the members. It is envisaged that all HEIs will be incentivized, supported, and mentored during this process, and shall aim to become autonomous and have such an empowered BoG by 2035.

19.3. The BoG shall be responsible and accountable to the stakeholders through transparent self-disclosures of all relevant records. It will be responsible for meeting all regulatory guidelines mandated by HECI through the National Higher Education Regulatory Council (NHERC).

1	Organize International conference.	Approved
2		The proceedings of the conference, including papers, abstracts, and presentations, have been compiled and are in the process of being published.
3		The conference facilitated numerous networking opportunities among attendees, leading to the initiation of several collaborative projects and research partnerships. We are actively supporting these collaborations and will monitor their progress
4		A comprehensive analysis of the feedback received from conference attendees has been carried out. Participants were encouraged to share their insights regarding the quality of sessions, relevance of topics, and overall organization. The feedback has been instrumental in identifying areas for improvement for future editions of the conference.
5		The international conference report is attached in the link given below.

## Call for papers:

The conference will provide an opportunity for interactive discussion with experts on research in various specialized areas of Applied Sciences and Humanities with emphasis on emerging trends.

Original research papers on the conference themes and related fields are solicited from research scholars, academicians, and industry experts.

## Journal Publications:

Select good quality papers will be published in *Scopus Indexed Journal* with applicable processing charges.

## About SVKM

Shri Vile Parle Kelavani Mandal is a Public Charitable Trust registered under the Society Registration and Bombay Public Trust Act. From its humble beginnings in 1934, when it took over the Rashtriya Shala, a school established in 1921 in the wake of the National Movement, the Mandal today has grown into a big educational complex imparting high-level education to more than 35,000 students.

After beginning its journey in the early 1930s SVKM has blossomed into an educational colossus that has attained national recognition in multiple streams of higher education. With a strong guiding philosophy of providing education to all levels of the student community along with creating a feeling of bonding and commitment amongst academic and non-academic employees, SVKM has mastered the art of being able to transform itself into a close knit family and at the same time help its students to attain all-round development, be employable and achieve success.

## About SVKM's Institute of Technology, Dhule

SVKM's Dhule Campus is largely emerging as one of the biggest future hubs of technology and education. It has gained strategic advantage for being on the junction of three National Highways viz NH-3, NH-6, and NH-211. Dhule is aiming to develop into an industrial town which may provide next generation technologies across infrastructure sectors. Our resident has a dream to make Dhule city known for its quality educational institutes. SVKM has taken an initiative to develop state of the art engineering and pharmacy institute that will impart quality education in Dhule spread over 33 acres of serene campus on the outskirts of Dhule, it will house colleges & SVKM's Institute of Technology.

## About the Conference

Department of Applied Sciences and Humanities, SVKM's Institute of Technology, Dhule, Maharashtra India is organizing a Two-Day Virtual International Conference on "Multidisciplinary Research Aspects in Applied Sciences and Humanities" in December 23<sup>rd</sup> and 24<sup>th</sup>, 2021. The Conference looks for significant contributions to all major fields of multi-disciplines in theoretical and practical aspects. The aim of this conference is to provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of multidiscipline & its trends. The objective of the conference is to present the latest practices among the academicians as well as industries to meet and share the cutting edge development in the various dimensions.

### Conference Themes but not limited to:

**Chemistry:** Synthetic Chemistry, Applied & General Chemistry, Polymer Chemistry, Material Chemistry, Analytical Chemistry, Catalysis.  
**Mathematics:** Applied Mathematics, Pure Mathematics, Discrete Mathematics, Computational Mathematics, Mathematical Physics.  
**Physics:** Applied Physics, Material Science, Solar energy, Catalysts for energy application & Sensor.  
**Communication:** Culture, Communication and Employee Engagement, Communication and Corporate Social Responsibility (CSR), Communication and Social Media, Communication and Online Media Technology, Communication and Business Writing.

### Review Process

All papers are subject to review and are expected to meet standards of academic excellence. All submitted papers will be reviewed by peer-reviewers.

### Mode of Conference:

The conference will be conducted in Online mode.

At the outset, Dr. Nilesh Salunke, Hon'ble Principal, welcomed the committee and chaired the meeting. Dr. Bhushan Chaudhari, IQAC Coordinator congratulated the committee members.

**Dr. Nilesh Salunke stressed on the following points –**

- The institute promotes outcome-based education by implementing "Project Based Learning," a significant component of engineering education.
- Through Project Based Learning, students demonstrate the real-time application and applicability of their ideas.
- The institute will use the creative strategy to incorporate all of its stakeholders in order to boost the student placement ratio.

The meeting ended with a question-answer session and a vote of thanks to the Chair.

### Action Taken Report

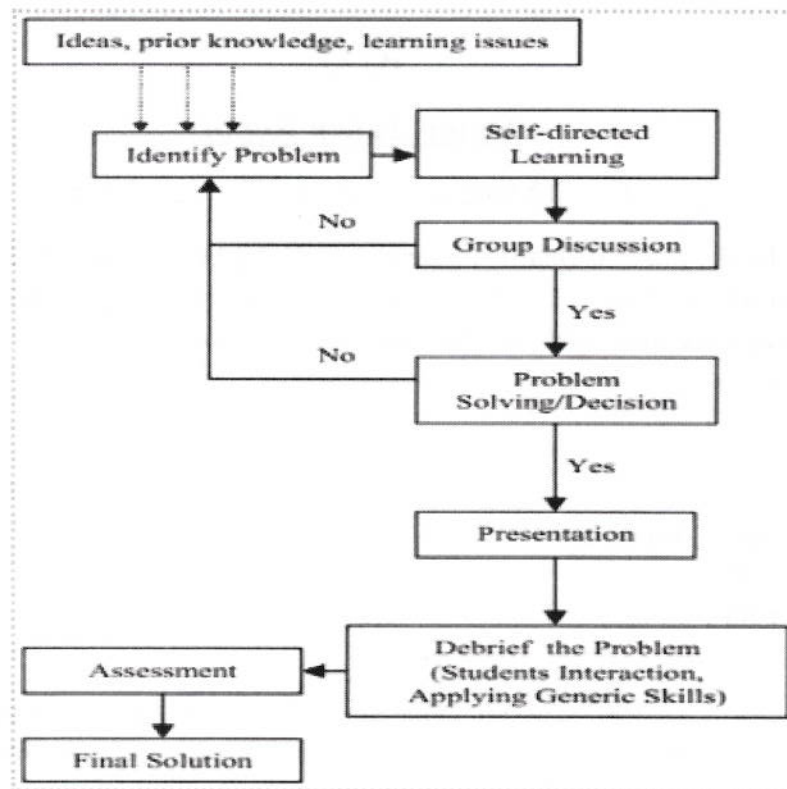

IQAC Meeting held on 17<sup>th</sup> June 2021

The action taken by the Internal Quality Assurance Cell (IQAC) as suggested by the IQAC team and administrator (Secretary, Principal, and HODs) and the suggestion was implemented and appropriate action was taken as a recommended meeting held on 17<sup>th</sup> June 2021.

Sr. No.	Agenda Item	Action Taken
1	To approve the minutes of the 3 <sup>rd</sup> IQAC meeting held on 17 <sup>th</sup> June 2021.	Approved.
		As per discussion in the meeting institute has implemented Project Learning through the planning, organization, and participation in different competitions along with the conduction of various events. They include viz National, Science Day (NSD), Smart India Hackathon (SIH), Avishkar (University Level Project Competition), District Level Competitions, KPIT Sparkle, Unnat Bharat Abhiyan (UBA), Dipex etc.
		The institute has adopted this practice to ensure the highest placement of its students. It is transpired that to fortify the institute-industry tie-up, its stakeholders' association can extensively be used.
		Placement cells have a function to illuminate the job situation to uncover the right place where students fit in
